

A person is standing on a rocky peak, looking out over a vast mountain range at sunset. The person is wearing a backpack and a hat. The sky is a mix of orange, yellow, and blue. The mountains are dark and silhouetted against the bright sky. The overall mood is contemplative and inspiring.

Looking Back On Tomorrow:

Looking Back to Now Robert Palomares, 2016-12-19 This is a story of two young friends who fought together in Vietnam. One was wounded and the other helped save his life but in the process administered a dose of morphine which led to addiction and a downward spiral leading to the death of one due to overdose. The protagonist Michael Duarte suffers from PTSD but doesn't know it. All he knows is that he suffers from nightmares and headaches and guilt over the loss of his friend. He can't maintain a relationship with anyone for very long leading to a string of relationships. In a series of flashbacks Duarte looks back at his life.

Toss James Roberts Jr, 2011-01-27 You would think waking up from a coma would be the best thing to ever happen to someone. A love triangle changed John forever. It left him with no trust in humanity. A new sense of bitterness, hate, confusion, scars and stitches. This is all dramatic but even worse is after his hospital stay is the fact that deep down he's not scared and unable to sleep which leads him to slowly lose his mind. He hears voices and begins to see things from sleep deprivation. The newly turned twisted loner soon finds that the only way he's able to sleep at all is from pills, drinking any extreme high or from the aftermath of an adrenaline rush. Finding this high soon takes over his life. His new path turns him into a person he never thought he would be. He's finally alive and acting out trying everything that he never thought he never would have the nerve to try before which includes being a sexual deviant, drugs and even murder.

Looking Back on Tomorrow Mitch Engel, 2024-04-18 In the months leading up to World War I a young Austrian officer from an aristocratic family falls deeply in love with a beautiful young woman from Serbia. It is a match fraught with political peril due to mounting hostilities between the two countries. Can their love survive the indignities of two world wars, prison camps, family tragedies and the separation of an iron curtain. The answer is yes but not in the manner one might think. Relive the sagas of two families separated by an ocean whose roots trace back to that star crossed love affair and relive a century of history from two highly unusual perspectives.
