Women and the Gender of God Amy Peeler,2022-10-04 A robust theological argument against the assumption that God is male God values women While many Christians would readily affirm this truth the widely held assumption that the Bible depicts a male God persists as it has for centuries This misperception of Christianity not only perniciously implies that men deserve an elevated place over women but also compromises the glory of God by making God appear to be part of creation subject to it and its categories rather than in transcendence of it Through a deep reading of the incarnation narratives of the New Testament and other relevant scriptural texts Amy Peeler shows how the Bible depicts a God beyond gender and a savior who while embodied as a man is the unification in one person of the image of God that resides in both male and female Peeler begins with a study of Mary and her response to the annunciation through which it becomes clear that God empowers women and honors their agency Then Peeler describes from a theological standpoint how the virgin birth of Jesus the second Adam reverses the gendered division enacted in the garden of Eden While acknowledging the significance of the Bible s frequent use of Father language to represent God as a caring parent Peeler goes beneath the surface of this metaphor to show how God is never sexualized by biblical writers or described as being physically involved in procreation making the concept of a masculine God dubious at best From these doctrinal centers of Christianity Peeler leads the way in reasserting the value of women in the church and prophetically speaking out against the destructive idolatry of masculinity The Michael Ramsey Prize Longlist 2023 Mary-Virgin, Mother, and Queen Fr. Cheryl Exum,2019-05-23 Art as Biblical Commentary is not just about biblical art but more importantly about biblical exegesis and the contributions visual criticism as an exegetical tool can make to biblical exegesis and commentary Using a range of texts and numerous images J Cheryl Exum asks what works of art can teach us about the biblical text Visual criticism is her term for an approach that addresses this question by focusing on the narrativity of images reading them as if like texts they have a story to tell and asking what light an image s story can shed on the biblical narrator s story In Part I Exum elaborates on her approach and offers a personal testimony to the value of visual criticism Part 2 examines in detail the story of Hagar in Genesis 16 and 21 Part 3 contains chapters on erotic looking and voyeuristic gazing in the stories of Bathsheba Susanna Joseph and Potiphar s wife and the Song of Songs on the distribution of renown among Jael Deborah and Barak on the Bible s notorious women Eve and Delilah and on the sacrificed female body in the stories of the Levite s wife Judges 19 and Mary the mother of Jesus
