Redburn Herman Melville, 1969 Drawn from Melville's own adolescent experience aboard a merchant ship Redburn tells the story of Wellingborough Redburn whose innocence is transformed into disenchantment at the hands of bullying and brutal shipmates and the squalid conditions in Liverpool Taken from the authoritative first American edition this Modern Library Paperback Classic includes newly commissioned notes Copyright Libri GmbH All rights reserved *Calendar* Vanessa Berry, 2025-09-30 A collection of essays in the form of a daybook written in real time over a year Calendar is about tuning in to the unexpected playful and solemn lives of the objects around us Calendar is an essay collection in the form of a daybook written in real time over a year The book takes inspiration from writers who use experiments and constraints such as Georges Perec Oulipo and Bernadette Mayer as well as autobiographical writers who use inventive structures such as Christina Sharpe in *Ordinary Notes* and Sheila Heti in *Alphabetical Diaries* Calendar is based on the French Republican calendar of the late 18th century in which every day was dedicated to an object and applies this concept to objects of

contemporary life For a year Berry paid attention to her encounters with objects over the course of the day and every night wrote an essay based on one object and drew an illustration of it Combining the narrative of a year and stories of the 365 objects themselves *Calendar* is about tuning in to the unexpected playful and solemn lives of the objects around us *What Are You Looking At?* Will Gompertz, 2013-09-24 The perfect gift for the art lover in your life In the tradition of *Eats Shoots Leaves* Will Gompertz teaches art history with a sense of humor Every year millions of museum and gallery visitors ponder the modern art on display and secretly ask themselves Is this art A former director at London's Tate Gallery and now the BBC arts editor Will Gompertz made it his mission to bring modern art's exciting history alive for everyone explaining why an unmade bed or a pickled shark can be art and why a five year old couldn't really do it Rich with extraordinary tales and anecdotes *What Are You Looking At* entertains as it arms readers with the knowledge to truly understand and enjoy what it is they're looking at *Look After The Pennies* Tess Read, 2011-09-30 *Look After The Pennies* is the essential handbook for

Austerity Britain offering practical user friendly advice on how to live your life in the most money friendly way possible *Look At This If You Love Great Photography* Gemma Padley, 2021-06 Discover the critically acclaimed photographs you simply must see **Milestones on the Road to Dystopia** Firas Adnan Jabbar Al-Jubouri, 2014-03-17 Author of the masterpieces *Animal Farm* and *Nineteen Eighty Four* George Orwell the nom de plume of Eric Arthur Blair experienced explored and explained some of the defining political economic and social traumas of his time predicaments that have and will always be part of Man's infatuation with power and power politics Orwell's experiences of colonial exploitation in Burma extreme poverty in Paris London and the industrial North and the horrors of ideological deceit and betrayal during the Spanish Civil War fashioned his literary persona his political canon and influenced his vision of a future dystopia This book explores Orwell's journey to dystopia using his major texts as milestones and also examines the author as a divided self and as a chronicler of his age on a fateful journey to dystopia Furthermore it investigates his responses to the use of what he calls force and or fraud in the politics of his time seeking a new understanding of the tensions and contradictions that characterise his writing The analyses explain how authoritarian systems and totalitarian regimes manipulate power and employ pretence in order to divide the self and force individuals and society into obedience The book argues that new insight into Orwell's political views is gained by investigating Niccol Machiavelli's *The Prince* where Machiavelli uses the phrase force or fraud to encourage totalitarian tactics in running a State *Milestones on the Road to Dystopia* *Interpreting George Orwell's Self Division in an Era of Force and Fraud* presents new insights that interpret the close relationship between self division paradox and the use of a pseudonym demonstrating how they help in understanding Orwell's character works and the nature of totalitarian politics Analysing self division both as an Orwellian trait and as a totalitarian strategy and finding a connection with Machiavelli against the milieu of Orwell's development as a writer is an intricate and interrelated topic that has not previously received critical attention either in its individual parts or as an integrated study This book establishes an essential

template with which to analyse Orwell's self-division apropos his growing fears of totalitarian power politics and offers distinct analytical acumen that allow for an updated understanding of Orwell and of his relevance to political thought and the question of common decency in twenty-first-century literature and politics
