The Zebra's Stripes and other African Animal Tales Dianne Stewart, 2004-11-01 Folktales can be described as fictional prose narratives that are not confined to any particular culture. A folktale may appear in a slightly different form in a culture that is geographically nearby or it may appear in a culture that is quite far removed from its original source. In *The Zebra's Stripes and other African Tales* Dianne Stewart has retold a collection of folk tales that have their origins all over Africa. Aimed at children and adults, these tales include legends such as *How Lion and Warthog became Enemies* from the Lamba people of Togo, *How Giraffe Acquired his Long Neck* from East Africa, *Why Hippopotamus Lives in the Water* from Nigeria, and *Monkey the Musician* from South Africa. There are tales from the San, Zulu, Zambia, Congo, and West Africa, et al. Each section is devoted to a type of animal and concludes with some facts about the animal in question, adding educational value to the stories. Proverbs from various cultures provide additional insight. Throughout, Kathy Pienaar's beautiful illustrations show great attention to detail.

The Guineafowl's Spots and Other African Bird Tales Dianne Stewart, 2018-02-01 The rich folklore culture of Africa has been passed down by word of mouth through countless generations. Dianne Stewart has a passion for collecting and retelling these stories, making them accessible to a whole new audience. In *The Guineafowl's Spots and Other African Bird Tales* she has created a unique collection of African folktales exclusively about birds. Drawn from across the continent, these tales often draw on human characteristics and are followed by African proverbs that illustrate various moral lessons. This fascinating collection includes classic tales such as *Why Flamingo Stands on One Leg* from Nigeria, *The Laughing Dove* from North Africa, and the Xhosa tale *The Bird That Could Make Milk Beautiful*. Illustrations by Richard Mackintosh bring to life the magic of the stories and the beauty of the birds themselves. Many of the tales include additional facts on the featured birds.
