**National Health Insurance** United States. Congress. House. Committee on Ways and Means. Subcommittee on Health,1976      **Why the United States Does Not Have a National Health Program** Vicente Navarro,2019-05-23 This book shows how the insurance industry and the medical industrial complex are the major influences in the health policy of the United States They and not the people are those who determine the policies of the U S government The volume shows how the United States could indeed provide comprehensive and universal health benefits coverage to the majority of the U S population at lower costs than the current health care nonsystem      **Cultural Strategies of Agenda Denial** Roger W. Cobb,Marc Howard Ross,1997 This is the first book devoted to examining why some issues proposed by aggrieved individuals or groups are denied access to policy agendas The book contains case studies that look at the policy process from the perspective of the strategies opponents often use to ensure agenda denial strategies usually motivated by perceived threats to widely held world views and identities      Conflicting Goals and Policy Choices ,      **Conflicts of Interest and the Future of Medicine** Marc A. Rodwin,2013-10-03 In this book Marc Rodwin examines the development of conflicts of interest in the health care systems of the US France and Japan He shows that national differences in the organization of medical practice and the interplay of organized medicine the market and the state give rise to variations in the type and prevalence of such conflicts and then analyzes the strategies that each nation employs to cope with them Drawing on the experiences of these three nations Conflicts of Interest and the Future of Medicine demonstrates that we can mitigate these problems with carefully planned reform and regulation      **Health Politics** Ellen M. Immergut,1992-08-28 A comparative analysis of the politics of national health insurance in Sweden France and Switzerland showing how the Swedes have developed the most socialized health system in Western Europe the Swiss the most privatized and the French a conflict ridden compromise between the two      *Health Manpower Policy Under National Health Insurance* Ruth Roemer,Milton Irwin Roemer,1977
