time for green time Particularly inspiring for people who want to get started but don't know how the book shows how any family can enjoy time together outdoors Activities are grouped into themes Woodland Water Close to Home Hills and Mountains Exploring By the Sea Extreme Weather Within each section is a range in difficulty from making a rope swing to scrambling up a stream from spending a day without electricity to going on a charity bike ride from exploring a rockpool to camping on an uninhabited island Packed with inspiring photos sensible but enthusiastic instructions from parents Tim and Kerry combine with remarks and advice and jokes from children Amy and Ella Because I Can Tim Bradshaw, 2022-04-18 From special duties selection to an earthquake on the side of Mount Everest from a gunfight in Afghanistan to a year of endurance challenges Tim Bradshaw has had to develop a robust toolkit and mindset to enable him to overcome serious challenges in hostile circumstances What's remarkable is that he achieved these feats in the face of imposter syndrome and depression Tim's mantra is Because I can because whatever you're facing you can do so much more than you think This is a toolkit to help you take on any challenge Whether you're making an attempt on Everest or taking the next big career step this toolkit will make you more effective Tim attended the Royal Military Academy Sandhurst aged just 19 His first job was to lead 37 soldiers Since then he has served as a surveillance and target acquisition patrol soldier and covert human intelligence officer In 2015 he attempted to climb Mount Everest to persuade mental health sufferers to ask for help After a year of physical endurance challenges he is now a Director of Sandstone Communications an international leadership and team building consultancy A climb too far Geoffrey Peyton, 2015-11-12 A journey around Snowdonia forms the basis for another short travel story from my jaunts around the British mainland so enjoy or be annoyed This is a memoir so don't expect a full history lesson but do expect a short one Also I visit the North East of the Isle of Anglesey and the famous Puffin Island

Moving Mountains Thomas Nisbett, 2025-01-28 Environmental stewardship and wilderness protection are core values in outdoor programs and require a participant to tell why natural resources are important to them and to the future of our country Today environmental curriculum and nature based lessons are taught in elementary and secondary schools Beyond the intellectual learning in classrooms experience in the wilderness and field research in nature is essential The mountains particularly have much to teach us Mountains are sacred places to people of all races cultures religions throughout the world Mountains and glaciers are also a barometer of climate change and a bellwether of environmental trends Mountains resemble leading indicators in the economic and political battle over climate change Altering our destructive trajectory will be like moving mountains and it will save them
