foreboding conscious rationality and unconscious intuition Fusing personalized folk idioms with the aesthetics of high modernism Surls's sculptures are clearly self expressive yet freighted with universal meaning This beautifully illustrated book which accompanies an exhibition of the same name at the Blaffer Gallery the Art Museum of the University of Houston captures an extraordinarily creative period in Surls's career the two decades he lived and worked in Splendor Texas During this time Surls established a home and artists colony in the East Texas pineywoods where he produced an astonishing body of work while encouraging the creativity of other visual and performing artists Magnificent color and black and white images illustrate the key sculptures and works on paper that Surls created in Splendor Accompanying the images are essays and interviews that offer fascinating insights into Surls's artistic breakthrough in Splendor Terrie Sultan introduces Surls's work and provides a concise biography of the artist Eleanor Heartney places Surls's Splendor works within the larger contexts of American and international art Artists and gallery owners John Alexander Joseph Havel The Art Guys Hiram Butler and Sharon and Gus Kopriva as well as curator Jim Harithas and architect Peter Zweig share lively memories of Splendor as an artist colony and of Surls's pivotal role as artistic mentor and arts impresario for the whole Houston area arts community James Surls and his wife Charmaine Locke add a personal signature to the book by describing how their love and their work blossomed in an atmosphere of total freedom to experiment and create This publication of James Surls's Splendor works clearly establishes that no other artist of Surls's generation has had a greater impact upon the development of Texas as a center of vibrant creativity At the same time it confirms Surls's standing within the contemporary international art world as a revolutionary who has expanded the boundaries of traditional sculpture while maintaining a high degree of aesthetic and intellectual quality

Studio John McDonald, 2007 Studio presents an extraordinary anthology of visual and verbal insights into the way paintings are made and the complex blend of motivation and inspiration that sustains the painter in his or her solitary search for meaning
