Who Cares About Parents? Kim Price-Glynn, 2025-11-11 Who cares for parental caregivers The short answer is parenting groups do Who Cares for Parents examines how parenting groups collectively build and contribute significant resources to form a broader care infrastructure for adult family caregivers with children This book looks at the content of care parenting groups provide for parents through comparative research including mothers fathers and nonbinary parents Cases include some of the most recognizable parenting groups in the United States some with vast networks of parent members numbering in the thousands or even millions like the Parent Teacher Association La Leche League and MOMS Club International The book also examines newer and perhaps less well known groups like the City Dads Group the Upper East Side UES Mommas as well as smaller sets of local dads groups and a babysitting co op Can parents in the contemporary United States secure some of the necessary resources to provide care not only for their children but also for themselves through parenting groups The evidence from this research suggests they can Parenting groups have a long history of organizing membership meetings education material resources and advocacy to provide for parents needs Parenting groups ideologies and practices often seek broad goals and sometimes include far reaching advocacy innovative solutions and possibilities for what Price Glynn calls strategic parenting and social change Alongside their successes however parenting groups also face challenges of producing narrow and temporary alliances exclusion and exacerbating inequalities Despite their many challenges Price Glynn remains hopeful about the possibilities for non familial and collective care infrastructure like that performed by parent groups

Parents and Schools William W. Cutler, 2015-05-01 Who holds ultimate authority for the education of America s children teachers or parents Although the relationship between home and school has changed dramatically over the decades William Cutler s fascinating history argues that it has always been a political one and his book uncovers for the first time how and why the balance of power has shifted over time Starting with parental dominance in the mid nineteenth century Cutler chronicles how schools growing bureaucratization and professionalization allowed educators to gain increasing control over the schooling and lives of the children they taught Central to his story is the role of parent teacher associations which helped transform an adversarial relationship into a collaborative one Yet parents have also been controlled by educators through PTAs leading to the perception that they are company unions Cutler shows how in the 1920s and 1930s schools expanded their responsibility for children s well being outside the classroom These efforts sowed the seeds for later conflict as schools came to be held accountable for solving society s problems Finally he brings the reader into recent decades in which a breakdown of trust racial tension and parents rights have taken the story full circle with parents and schools once again at odds Cutler s book is
