National Strategy For Homeland Secu

George W. Bush

National Strategy For Homeland Secu:

National Strategy for Homeland Security United States. Office of Homeland Security, 2002 National Strategy for Homeland Security , 2002 This document is the first National Strategy for Homeland Security The purpose of the Strategy is to mobilize and organize our **National Strategy for Homeland Security** , 2002 **National Strategy for Homeland Security** Executive Office of the United States, Homeland Council, 2012-12-11 America is at war with terrorist enemies who are intent on attacking our Homeland and destroying our way of life The lives and livelihoods of the American people also remain at risk from natural catastrophes including naturally occurring infectious diseases and hazards such as hurricanes and earthquakes and man made accidents Our National Strategy for Homeland Security recognizes that while we must continue to focus on the persistent and evolving terrorist threat we also must address the full range of potential catastrophic events including man made and natural disasters due to their implications for homeland security The purpose of our Strategy is to guide organize and unify our Nation s homeland security efforts It provides a common framework by which our entire Nation should focus its efforts on the following four goals Prevent and disrupt terrorist attacks Protect the American people our critical infrastructure and key resources Respond to and recover from incidents that do occur and Continue to strengthen the foundation to ensure our long term success While the first three goals help to organize our national efforts the last goal entails creating and transforming our homeland security principles systems structures and institutions This includes applying a comprehensive approach to risk management building a culture of preparedness developing a comprehensive Homeland Security Management System improving incident management better utilizing science and technology and leveraging all instruments of national power and influence Homeland security requires a truly national effort with shared goals and responsibilities for protecting and defending the Homeland Our Strategy leverages the unique strengths and capabilities of all levels of government the private and non profit sectors communities and individual citizens Mindful that many of the threats we face do not recognize geographic boundaries we also will continue to work closely with our international partners throughout the world This updated Strategy which builds directly from the first National Strategy for Homeland Security issued in July 2002 reflects our increased understanding of the terrorist threats confronting the United States today incorporates lessons learned from exercises and real world catastrophes including Hurricane Katrina and proposes new initiatives and approaches that will enable the Nation to achieve our homeland security objectives This Strategy also complements both the National Security Strategy issued in March 2006 and the National Strategy for Combating Terrorism issued in September 2006 Our first and most solemn obligation is to protect the American people The National Strategy for Homeland Security will guide our Nation as we honor this commitment and achieve a more secure Homeland that sustains our way of life as a free prosperous and welcoming America **National Strategy for Homeland Security** , *National Strategy for Homeland Security* George W. Bush, 2009-04 Since the turn of the millennium our Nation has endured history s

deadliest attack of international terrorism and the most destructive natural disaster to strike American soil In the face of these challenges America has responded courageously with focus and clarity of purpose and today we are safer stronger and better prepared to address the full range of catastrophic events including man made accidents and natural disasters that threaten us Our work however is far from over We remain resolute in our commitment to prevent and disrupt terrorist attacks in the Homeland protect the American people and the Nation s critical infrastructure and key resources and effectively respond to and recover from those incidents that do occur Working together our Nation will secure the Homeland in order to sustain our way of life now and for generations to come

National Strategy for Homeland Security George W. Bush,2005

Homeland Security Norman J. Rabkin (au),2005-09
