Native America Collected The Culture Of An Art World:

Native America Collected Margaret Denise Dubin, 2001 I argue for a history of Native American art that is politically informed Margaret Dubin writes and for a criticism of contemporary Native American fine arts that is historically founded Integrating ethnography discourse analysis and social theory in a careful mapping of the Native American art world this insightful new study explores the landscape of intercultural spaces the physical and philosophical arenas in which art collectors anthropologists artists historians curators and critics struggle to control the movement and meaning of art objects created by Native Americans Dubin examines the ideas and interactions involved in contemporary collecting in particular to understand how marketplace demands have homogenised Western perceptions of authentic Native American art In doing so she reveals the power relations of an art world in which Native American artists work within and against a larger system that seeks to control people by manipulating objects

The National Museum of the American Indian Amy Lonetree, Amanda J. Cobb, 2008-11-01 The first American national museum designed and run by indigenous peoples the Smithsonian Institution's National Museum of the American Indian in Washington DC opened in 2004 It represents both the United States as a singular nation and the myriad indigenous nations within its borders Constructed with materials closely connected to Native communities across the continent the museum contains more than 800 000 objects and three permanent galleries and routinely holds workshops and seminar series This first comprehensive look at the National Museum of the American Indian encompasses a variety of perspectives including those of Natives and non Natives museum employees and outside scholars across disciplines such as cultural studies and criticism art history history museum studies anthropology ethnic studies and Native American studies The contributors engage in critical dialogues about key aspects of the museum's origin exhibits significance and the relationship between Native Americans and other related museums

The Tapestry of Culture Abraham Rosman, professor emeritus, Barnard College, Columbia University, Paula G. Rubel, professor emerita, Barnard College, Columbia University, Maxine Weisgrau, Barnard College, Columbia University, 2009-06-16 The most exciting thing about anthropology is that it enables the student

to become acquainted with people of different cultures The Tapestry of Culture provides the student with the basic concepts necessary to understand these different cultures while showing that cultural variations occur within certain limits Though the forces of globalization have caused cultures of the world around us to become increasingly similar the book shows that people nevertheless cling to ethnic identities and their cultural distinctiveness

A Handbook of Cultural Economics Ruth Towse,2003-01-01 Ruth Towse is to be congratulated on assembling such a high quality range of writers on cultural economics and on orchestrating their contributions so expertly From anthropology and auctions through copyright and superstars to visual arts and welfare economics scholars and general readers alike will discover in this Handbook an absorbing compendium of entries covering the main themes of a fascinating sub discipline Martin Ricketts University of Buckingham UK The best collection on cultural economics definitive An invaluable original and important addition to the field Ruth Towse is the perfect person to put such a book together Unlikely to be surpassed anytime soon Tyler Cowen George Mason University Mercatus Center and James Buchanan Center for Political Economy US A Handbook of Cultural Economics includes over 60 eminently readable and concise articles by 50 expert contributors This unique Handbook is both highly informative and readable it covers a wide area of cultural economics and its closely related subjects While being accessible to any reader with a basic knowledge of economics it presents a comprehensive study at the fore front of the field Of the many subjects discussed chapters include Art including auctions markets prices anthropology artists labour markets arts management and corporate sponsorship globalization the internet media economics museums non profit organisations opera performance indicators performing arts publishing regulation tax expenditures value of culture and welfare economics

Creative Reckonings Jessica Winegar,2006 Ethnographic study of cultural politics in the contemporary Egyptian art world examining how art making is a crucial aspect of the transformation from socialism to neoliberalism in postcolonial countries **Archaeologies of Materiality** Lynn Meskell,2008-04-15 Drawing on social theory and offering numerous case studies Archaeologies of Materiality is one of the first books to explore materiality across time and space Demonstrates the saliency of materiality by linking it to concepts of landscape technology embodiment ritual and heritage Offers archaeological case studies ranging from prehistoric to contemporary contexts from Neo Assyria South Africa Argentina Panama and the United States Explores the idea of a material universe that is socially conceived and constructed but that also shapes human experience in daily practice

The Tapestry of Culture Abraham Rosman,Paula G. Rubel,Maxine Weisgrau,2017-01-12 The most exciting thing about anthropology is that it enables the student to become acquainted with people of different cultures The Tapestry of Culture provides the student with the basic concepts necessary to understand these different cultures while showing that cultural variations occur within certain limits Though the forces of globalization have caused cultures of the world around us to become increasingly similar the book shows that people nevertheless cling to ethnic identities and their cultural distinctiveness The tenth edition of this popular textbook incorporates new material throughout

such as ethnographic examples in every chapter strengthened discussions of gender transnationalism and globalization and more To enhance the experience of both instructors and students the tenth edition is accompanied by a learning package that includes an instructor s manual with outlines key terms discussion questions lists of films and other resources and more a test bank and a companion website

Made in Mexico W. Warner Wood,2008 The story behind the international trade in Oaxacan textiles

Art of Native America Gaylord Torrence,Ned Blackhawk,Sylvia Yount,2018-10-01 This landmark publication reevaluates historical Native American art as a crucial but under examined component of American art history The Charles and Valerie Diker Collection a transformative promised gift to The Metropolitan Museum of Art includes masterworks from more than fifty cultures across North America The works highlighted in this volume span centuries from before contact with European settlers to the early twentieth century In this beautifully illustrated volume featuring all new photography the innovative visions of known and unknown makers are presented in a wide variety of forms from painting sculpture and drawing to regalia ceramics and baskets The book provides key insights into the art culture and daily life of culturally distinct Indigenous peoples along with critical and popular perceptions over time revealing that to engage Native art is to reconsider the very meaning of America
