Let Right Be Done Hamar Foster, Heather Raven, Jeremy Webber, 2011-11-01 In the early 1970s many questioned whether Aboriginal title existed in Canada and rejected the notion that Aboriginal peoples should have rights different from those of other citizens But in 1973 the Supreme Court of Canada issued a landmark decision in the Calder case confirming that Aboriginal title constituted a right within Canadian law Let Right Be Done examines the doctrine of Aboriginal title thirty years later and puts the Calder case in its legal historical and political context both nationally and internationally With its innovative blend of scholarly analysis and

input from many of those intimately involved in the case this book should be essential reading for anyone interested in Aboriginal law treaty negotiations and the history of the BC Indian land question Popular Justice and Community Regeneration Kayleen M. Hazlehurst, 1995-06-13 Formal justice systems have not served the human rights of native and aboriginal groups well and have led to growing natural and international pressure for equal treatment and increased political and legal autonomy Indigenous activities in areas of community healing have created a fervor of interest as native peoples have shared experiences with programs that reduce addiction family violence child abuse and sociocultural disintegration of traditional communities Through ethnographic and indigenous contributions this volume penetrates the psychosocial aspects of the indigenous movement in the United States Canada Australia and New Zealand It analyzes community based reforms and shows how years of experience in adversity peacemaking and community preservation have equipped native peoples with skills they now wish to share for spiritual world healing The American Empire and the Fourth World Anthony J.
