NATO Major Warships - Europe Eric Grove,1990 **NATO Major Combat Aircraft** Michael Taylor,1989 **Naval Warfare of the Future** Richard Mueller,2006-01-15 Presents a brief history of naval warfare and the development of warships and describes current warships and the weapons that they carry *Planning for War at Sea* Evan Wilson,Paul M. Kennedy,2025-02-04 How have navies contemplated possible enemies How did they learn or fail to learn once operations began How does this analysis inform today s planning for future conflict These questions guide the noted historians and naval strategists who contributed to Planning for War at Sea A central theme is the regular failure of navies best laid plans Covering four centuries of naval warfare the chapters illustrate the challenges all navies faced when considering possible enemies Even during the Age of Sail ships were among the most expensive and long term national endeavors Navies therefore planned well in advance for future wars usually without knowing their adversaries or how they would fight them at sea Building a capable navy requires sustained investment in naval infrastructure long before the fighting starts In the final chapters naval strategists expand on this historical analysis to address how effectively or ineffectively today s three leading navies Russia China and the United States have configured themselves during the post Cold War era in preparing for future great power conflict This collection is an important work for strategists scholars and policymakers Dictionary of the Modern United States Military S.F. Tomajczyk,2008-02-11 Warspeak the language of the military can be for many civilians and for members of differing services an unintelligible hodgepodge of acronyms slang terms and field operation expressions Few laypersons may know that the Five F s is a derogatory expression though Army Navy Marine Air Force Coast Guard and others know or can infer that chairborn commandos are administrative and support personnel The more than 15 000 entries in this comprehensive dictionary provide an inside look at the United States military Weapons systems governmental agencies electronic warfare medical terms military infrastructure communications satellites and intelligence systems are among the topics covered in depth Also detailed are the acronyms and slang terms used by the soldiers in the field The work provides numerous cross references for ease of use along with a bibliography of over 2 200 sources NATO Major Warships Eric Grove,1990 Soviet and East European Major Combat Aircraft Michael John Haddrick Taylor,1990 In addition to those aircraft built in Eastern European nations for domestic use and export warplanes of the non aligned nations are also described and illustrated Descriptions are complimented by high quality three view drawings and large photographs assisting positive identification **The Leatherneck** ,1992 **Military History** ,1990-08 **Dictionary of the Modern United States Military** Stephen F. Tomajczyk,1996 A comprehensive dictionary that contains some 15 000 entries on inside aspects of the US military Among the topics covered in depth are weapons systems governmental agencies electronic warfare medical terms military infrastructure communications satellites and intelligence systems Also covered are the acronyms and slang terms used by soldiers in the field Includes extensive cross references as well as a bibliography of some 2 200 sources c
