Jill Shalvis

Natural Blond Instincts:

Natural Blond Instincts Jill Shalvis, 2010-07-01 Kenna Mallory is giving up making it on her own aka poodle groomer and accounts payable clerk jobs that haven't used all her natural abilities to join the family biz and prove she's got what it takes to be VP of the newest Mallory Hotel. Okay so maybe she has way more hair and cleavage than it takes but that should be an asset around co VP Weston Roth. Wrong. Wes is hot as Ivy League as the hotel's elite guests and isn't buying the blond routine. Time to change tactics and start working the numbers. Good thing math is Kenna's other natural asset. And when it comes to getting the guy if it isn't hair that grabs him it's uh figures.

Instinct Ben Kay, 2010-12-09 Hidden in a remote corner of the South American jungle is a clandestine research facility known simply as MEROS. Here working in laboratories buried a thousand feet underground military scientists have developed the most astonishing and deadly weapon known to man. Meanwhile on the other side of the globe a Chinook helicopter lands a highly trained squad of special forces soldiers deep in hostile territory their mission to clean up a black ops killzone. As they enter the cave they hear the faint buzz of the weapon like the beating of a thousand pairs of insect wings.

Instinct Rebecca Heiss, 2021-04-27 Evolutionary biologist Rebecca Heiss reveals the science behind our self-sabotaging behaviors that undermine our productivity, success and happiness: instincts developed hundreds of thousands of years ago that are devastatingly mismatched to our current environments and offers simple actionable techniques to redirect those instincts to work for us rather than against us. A REVOLUTIONARY APPROACH TO UNLOCKING YOUR INNATE ABILITY TO ACHIEVE SUCCESS IN BUSINESS AND IN LIFE. Why do we constantly feel overwhelmed by stress, dissatisfied in our careers and relationships and lacking in real purpose? Why do we seem to sabotage ourselves, hampering our productivity and success? The answer lies in our instincts. In every area of life from business to relationships to health we act on outdated instincts that were built to help us survive a world ruled by scarcity and danger. But in today's world those same instincts stop us from succeeding in the environment in which we actually live: a diverse world of abundant choices and almost limitless connections. Now evolutionary biologist Dr. Rebecca Heiss offers a new approach that harnesses the power of our instincts and redirects them to work for us rather than against us. Dr. Heiss reveals the science behind our self-sabotaging behaviors then provides simple actionable techniques that can rebuild our instinctive minds. Both practical and inspiring, *Instinct* is a roadmap that anyone can use to finally stop living on autopilot, improve productivity and happiness and consciously craft a better life. Praise for *Instinct*: A read for all Spartans and leaders looking to break out of the ruts of their ancestral brain pathways and charge through the discomfort to success. Joe De Sena, Founder, CEO of Spartan Race and New York Times bestselling author of *Spartan Up*. Finally, leaders have a way to better understand the biological reasons why they get stuck when trying to develop and improve certain leadership competencies related to Emotional Intelligence. This book is a missing piece for all leaders dedicated to the pursuit of increasing their performance and enhancing their lives. Heather Anderson, International Speaker, Trainer and Coach, Emotional Intelligence. A

practical manual for the inquisitive learner who is evaluating ways to improve outcomes in relationships and increase productivity in business Harold Hughes Founder CEO of Bandwagon In Instinct Dr Heiss brings a biologist s perspective to understanding human behaviors that psychologists have studied for years Her novel approach shines a unique new light on learning how to lead more productive and fulfilling lives Dorothy W Cantor PsyD Former President American Psychological Association Adding Up to You Jill Shalvis,2016-08-15 All s fair in love and war and business in this reader favorite novel by New York Times bestselling author Jill Shalvis Kenna Mallory is loath to give up her hard won independence but when her father asks her to take over as VP of one of the family s latest hotel acquisitions Kenna can t resist the opportunity to prove herself The catch She has to be the co VP along with Weston Roth With a name like that Kenna is sure Weston must be old and doddering Wes is neither And after years of working hard to get where he is he doesn t appreciate Kenna s sudden arrival on the scene Yet he can t deny that she s determined smart good with numbers and nearly impossible to resist Can he mix business with pleasure without losing everything he s worked for Originally published as Natural Blond Instincts in 2003
