Toolbars
 Contain buttons and drop-down lists for performing common tasks, such as saving a file (F), checking your spelling and grammar (S), and inserting a hyperlink (H). To display or hide a toolbar, right-click any toolbar and choose the name of the desired toolbar. To add or delete commands from a toolbar, right-click it and choose **Customize**.

Rulers
 You can use the horizontal and vertical rulers to set and view paragraph indents, tab stops, page margins, and column widths.

Task panes
 Provide shortcuts and links for performing common tasks. To switch to a different task pane, such as **New Document**, **Search**, **Mail Merge**, or **Style** and **Formatting**, click the down arrow in the upper-right corner. Each task pane provides navigation buttons for moving forward and back, and for returning to the default Home pane.

View buttons
 Located to the left of the horizontal scroll bar, these buttons are used to change the view of the current document to **Normal**, **Web Layout**, **Print Layout**, or **Outline**.

Status bar
 Provides information about the active document, including the current page/section and the total page count (Page 1 of 1). This bar also shows the position of the insertion point in three ways: its distance from the top of the page, its line number, and its column number (how many characters it is from the left margin). Use these buttons to activate other features, such as the **Insert** and **Track Changes**.
