Pre-Raphaelite Paintings and Graphics Martin Harrison,1971 **Pre-Raphaelite Paintings and Graphics** Martin Harrison (art critic.),1970 [Pre-Raphaelite Paintings and Graphics](#) Susan Miller,1973 **The Art of the Pre-Raphaelites** Elizabeth Prettejohn,2000 When the Pre Raphaelite Brotherhood met in 1848 they were to produce a statement of ideas that would revolutionize artistic practice in pre Victorian England This book examines why these ideas still retain the power to fascinate and shock 150 years later [Reading the Pre-Raphaelites](#) Tim Barringer,T. J. Barringer,1999-01-01 This illustrated book focuses on the Pre Raphaelite artists and their radical departure from artistic conventions Barringer explores the meanings encoded in Pre Raphaelite paintings and analyses key pictures and their significance within the complex social and cultural matrix of 19th century Britain *Pre-Raphaelite Sisters* Jan Marsh,Peter Funnell,Charlotte Gere,Pamela Gerrish Nunn,Alison Smith,2019 For far too long the male protagonists of the Pre Raphaelite movement have dominated accounts of this revolution in British art This book aims to redress the balance in showing just how engaged and central women were to the endeavour as the subjects of the images themselves certainly but also in their production When the Pre Raphaelite Brotherhood the PRB exhibited their first works in 1849 it heralded a revolution in British art Styling themselves the Young Painters of England this group of young men aimed to overturn stale Victorian artistic conventions and challenge the previous generation with their startling colours and compositions Think of the images created by William Holman Hunt John Everett Millais Dante Gabriel Rossetti and others in their circle however and it is not men but pale faced young women with lustrous tumbling locks that spring to mind gazing soulfully from the picture frame or in dramatic scenes painted in glowing colours Who were these women What is known of their lives and their roles in a movement that in successive phases spanned over half a century Some were models plucked from obscurity to pose for figures in Pre Raphaelite paintings while others were sisters wives daughters and friends of the artists Several were artists themselves with aspirations to match those of the men sharing the same artistic and social networks yet condemned by their gender to occupy a separate sphere Others inhabited and sustained a male dominated art world as partners in production maintaining households and studios and socialising with patrons Some were skilled in the arts of interior decoration dressmaking embroidery jewellery making the fine crafts that formed a supportive tier for the higher arts of painting and sculpture And although their backgrounds and life experiences certainly varied widely all were engaged in creating Pre Raphaelite art [Pre-Raphaelite Paintings and Graphics](#) Rev. by Susan Miller Martin Harrison,Susan Miller,1973 *The Pre-Raphaelite Illustrators* Gregory R. Suriano,2000 Pre Raphaelite images are among the most popular in Western art This comprehensive volume consists of biographical essays on 42 artists and their work with a catalogue of the complete illustrative output of each artist arranged by book periodical title and artwork title **Writing the Pre-Raphaelites** Tim Barringer,2017-07-05 This vibrant collection of essays claims that a complex network of texts by critics biographers and

diarists established the credibility and influence of the Pre Raphaelite movement Throughout the twentieth century Modernist taste failed to acknowledge the achievement of oppositional groupings such as the Pre Raphaelites The essays collected here however reveal that the British group anticipated later avant gardes by using the written word to configure for itself a radical artistic identity Public and critics alike were scandalized by the radicalism of Pre Raphaelite painting its unflinching portrayal of historical figures and of contemporary life and its irreverent attitude to artistic convention Pre Raphaelitism s innovations were not confined to style new forms of artistic identity and behaviour were explored As the contributors interrogate the texts through which Pre Raphaelitism was constructed they demonstrate that the movement s wide influence as a cultural phenomenon derived from the interplay between exhibited works and critical discourse Applying a range of sophisticated methodologies from the fields of literary studies art history and cultural studies these interdisciplinary essays uncover the neglected role of texts in the success of the Pre Raphaelite rebellion and argue in favor of a new centrality for this movement in the history of nineteenth century European culture

Poetry, Pictures, and Popular Publishing Lorraine Janzen Kooistra, 2014-10-07 In Poetry Pictures and Popular Publishing eminent Rossetti scholar Lorraine Janzen Kooistra demonstrates the cultural centrality of a neglected artifact the Victorian illustrated gift book Turning a critical lens on drawing room books as both material objects and historical events Kooistra reveals how the gift book s visual verbal form mediated high and popular art as well as book and periodical publication A composite text produced by many makers the poetic gift book was designed for domestic space and a female audience its mode of publication marks a significant moment in the history of authorship reading and publishing With rigorous attention to the gift book s aesthetic and ideological features Kooistra analyzes the contributions of poets artists engravers publishers and readers and shows how its material form moved poetry into popular culture Drawing on archival and periodical research she offers new readings of Eliza Cook Adelaide Procter and Jean Ingelow and shows the transatlantic reach of their verses Boldly resituating Tennyson s works within the gift book economy he dominated Kooistra demonstrates how the conditions of corporate authorship shaped the production and reception of the laureate s verses at the peak of his popularity Poetry Pictures and Popular Publishing changes the map of poetry s place in all its senses in Victorian everyday life and consumer culture
