Doc Holliday Karen Holliday Tanner,2013-03-12 John H Holliday D D S better known as Doc Holliday has become a legendary figure in the history of the American West In Doc Holliday A Family Portrait Karen Holliday Tanner reveals the real man behind the legend Shedding light on Holliday s early years in a prominent Georgia family during the Civil War and Reconstruction she examines the elements that shaped his destiny his birth defect the death of his mother and estrangement from his father and the diagnosis of tuberculosis which led to his journey west The influence of Holliday s genteel upbringing never disappeared but it was increasingly overshadowed

by his emerging western personality Holliday himself nurtured his image as a frontier gambler and gunman Using previously undisclosed family documents and reminiscences as well as other primary sources Tanner documents the true story of Doc s friendship with the Earp brothers and his run ins with the law including the climactic shootout at the O K Corral and its aftermath This first authoritative biography of Doc Holliday should appeal both to historians of the West and to general readers who are interested in his poignant story Doc Holliday A Family Portrait will be considered the definitive Holliday biography and will supplant all previously published works on the man s life as a complete and authoritative account This book will undoubtedly take a place among the foremost books in the Western gunfighter genre Robert K DeArment author of *Alias Frank Canton* *Subject Catalog, 1982* Library of Congress, 1982 *Eighty Years' Progress of the United States*, 1867
