Presence Of Absence:

Presence and Absence Robert Sokolowski, 2017 *Presence and Absence* is a book of importance for all who are actively engaged in the philosophical enterprise whatever their differing persuasions. It shows philosophy to be flourishing in the midst of its own self-proclaimed signs of morbidity. *The Review of Metaphysics* A splendid provocative and profound work. This book explores the manifold ways in which the contrast of presence and absence operate to establish the possibility of human discourse and truthfulness belongs in every philosophy collection. Choice Quite simply a superb book which deserves more than one careful reading. A fresh unified treatment of a grand philosophical theme: the theme of the connections between thought, truth, and being. *Man and World* A thoughtful book about thoughtfulness and truthfulness and their ontological conditions. Simply put, this is a book that will reward its careful reader a hundredfold. For Sokolowski is a speaker who says things in ways that are provocative, exciting, and invariably insightful. *Journal of the British Society for Phenomenology* Has few peers in phenomenological literature. *International Philosophical Quarterly* Sokolowski is an original thinker of the first rank who has significantly furthered the path of phenomenological philosophy. As well as being an exciting synthesis, a thinking of the previously unthought in predecessors, and a ground-breaking movement, this work is written with a sensitivity to language and its graceful use that one would hope for from one exploring its richness and power. *Human Studies* [The presence of absence](#) Carla Cabanas, 1979-2022

The Presence of Absence Simon Van Booy, 2022 As a writer lies dying, he has one last story to tell: a tale of faith and devotion, a meditation on what lies beyond this life, and a prayer of gratitude that may lead to rebirth. This is Simon Van Booy at his visionary best. Language is a map leading to a place not on the map; announces a young writer lying in a hospital bed at the beginning of *The Presence of Absence*. As he contemplates his impending physical disappearance and the impact on his beloved wife, he realizes: Life doesn't start when you're born; it begins when you commit yourself to the eventual devastating loss that results from connecting to another person. Infused with poetic clarity and graced with humor, Simon Van Booy's innovative novella asks the reader to find beauty even in the cycle of birth and death. Stripped of artifice, *The Presence of Absence* is a meditation between the writer and the reader, an imaginative work that challenges the deceit of written words and explores our strongest emotions. Simon Van Booy is not only a master storyteller but a writer whose fiction is rich with philosophical insights into things both mapped and undiscovered. *The Presence of Absence* parts the darkness to reveal what has been just out of sight all along.

PREFACE We live in a world where the threads of history intertwine with the fabric of personal stories This novel unfolds against the backdrop of reverse migration of the Jewish community in Kochi at a time when the past and present collided creating a myriad of experiences that shaped lives in unimaginable ways Their journey stands as a testament to resilience community and the enduring power of love At the heart of the story is an eighteen year old boy navigating unexpected circumstances becoming enchanted by the beauty and serenity of a new place during a transformative year in his life Standing at a crossroads between adolescence and adulthood he experiences a heightened sense of self discovery and exploration marked by adventures and a quest for meaning as he learns to define himself and his place in the world Profoundly transformed by love and deeply influenced by the caring people around him mentors friends and a unique romantic connection these individuals become both his refuge and a catalyst for success Amid his triumphs the shadow of unfulfilled love looms large challenging his very essence for subsequent two decades and leading him to a reckoning He realizes that the most profound connections are often forged and strengthened in moments of vulnerability This story is for anyone who had pursued their goals and dreams persistently that made them those who loved deeply and passionately which ultimately defined them those who enjoyed the support comfort care and chaos of friendship that shaped them and those who have been fortunate enough to have a fresh start when things fell apart The story resonates with those who felt the ache of estrangement from people and places that had inspired them It invites readers to reflect on the relationships that had a profound impact the choices that haunted them and the relentless search for redemption that accompanied their journeys As you turn these pages I hope you find echoes of your own experiences reminders that love in all its complexities could transform us uplift us and sometimes break us Let the rhythm of love wash over you Feel the pulse of longing the harmony of connections and the resolution that comes with understanding This novel is a celebration of love friendship places and the connections that grounded us as well as the courage it takes to return to the roots of their hearts The story centered around the love and estrangement of the protagonist and his musical journey to fame Welcome to a journey that transcended time and geography harmonizing with the grand symphony of nature and music where every encounter and emotion is a step forward in understanding what it truly means to love and be loved D S KARTIKA
