

THE PRESIDENCY AND THE POLITICS OF RACIAL INEQUALITY

NATION-KEEPING FROM 1831 TO 1965

RUSSELL L. RILEY

Presidency And The Politics Of Racial Inequality Nation Keeping From 1831 To 1965

Thomas Preston

Presidency And The Politics Of Racial Inequality Nation Keeping From 1831 To 1965:

The Presidency and the Politics of Racial Inequality Russell Lowell Riley, 1999 French rule in Syria and Lebanon coincided with the rise of colonial resistance around the world and with profound social trauma after World War I In this tightly argued study Elizabeth Thompson shows how Syrians and Lebanese mobilized like other colonized peoples to claim the terms of citizenship enjoyed in the European metropole The negotiations between the French and citizens of the Mandate set the terms of politics for decades after Syria and Lebanon achieved independence in 1946 Colonial Citizens highlights gender as a central battlefield upon which the relative rights and obligations of states and citizens were established The participants in this struggle included not only elite nationalists and French rulers but also new mass movements of women workers youth and Islamic populists The author examines the gendered battles fought over France's paternalistic policies in health education labor and the press Two important and enduring political structures issued from these conflicts First a colonial welfare state emerged by World War II that recognized social rights of citizens to health education and labor protection Second tacit gender pacts were forged first by the French and then reaffirmed by the nationalist rulers of the independent states These gender pacts represented a compromise among male political rivals who agreed to exclude and marginalize female citizens in public life This study provides a major contribution to the social construction of gender in nationalist and postcolonial discourse Returning workers low ranking religious figures and most of all women to the narrative history of the region figures usually omitted Colonial Citizens enhances our understanding of the interwar period in the Middle East providing needed context for a better understanding of statebuilding nationalism Islam and gender since World War II

The Presidency and the Politics of Racial Inequality Russell Lowell Riley, Russell Lynn Riley, 1999 The U S occupation of Japan transformed a brutal war charged with overt racism into an amicable peace in which the issue of race seemed to have disappeared During the Occupation the problem of racial relations between Americans and Japanese was suppressed and the mutual racism transformed into something of a taboo so that the two former enemies could collaborate in creating democracy in postwar Japan In the 1980s however when Japan increased its investment in the American market the world witnessed a revival of the rhetoric of U S Japanese racial confrontation Koshiro argues that this perceived economic aggression awoke the dormant racism that lay beneath the deceptively smooth cooperation between the two cultures This pathbreaking study is the first to explore the issue of racism in U S Japanese relations With access to unexplored sources in both Japanese and English Koshiro is able to create a truly international and cross cultural study of history and international relations

Racism Albert J. Wheeler, 2000 Of all mankind's vices racism is one of the most pervasive and stubborn Success in overcoming racism has been achieved from time to time but victories have been limited thus far because mankind has focused on personal economic gain or power grabs ignoring generosity of the soul This bibliography brings together the literature providing access by subject groupings as well as author and subject indexes Contents Racial Attitudes Racism and

Poverty Hate Groups Racial Justice Racism and Politics Race Discrimination Racial Identity Racism Around the World

War, the American State, and Politics since 1898 Robert P. Saldin, 2010-11-01 This book examines major foreign conflicts from the Spanish American War through Vietnam arguing that international conflicts have strong effects on American political parties elections state development and policymaking First major wars expose and highlight problems requiring governmental solutions or necessitating emergency action Second despite well known curtailments of civil liberties wars often enhance democracy by drawing attention to the contributions of previously marginalized groups and facilitating the extension of fuller citizenship rights to them Finally wars affect the party system Foreign conflicts create crises many of which are unanticipated that require immediate attention supplant prior issues on the policy agenda and engender shifts in party ideology These new issues and redefinitions of party ideology frequently influence elections by shaping both elite and mass behavior

Backlash Presidents Julia R. Azari, 2025-09-23 How most presidents avoid upsetting the racial status quo and why those who do pave the way for lawless norm violating successors When Barack Obama won the White House in 2008 becoming the nation's first Black president the stage was set for Donald Trump's eventual rise to power Backlash Presidents shows how throughout American history administrations that challenge the country's racial status quo are followed by presidents who deal in racially charged politics and presidential lawlessness culminating in impeachment crises In this incisive book Julia Azari traces the connections between racially transformative presidents and their successors examining the presidencies of Abraham Lincoln and Andrew Johnson Lyndon Johnson and Richard Nixon and Obama and Trump When he signed long awaited civil rights legislation in 1964 Lyndon Johnson unleashed a perfect political storm that swept Nixon into the White House Azari demonstrates how Nixon's rhetoric relationship to Congress and attitudes about executive power exhibit striking parallels with Andrew Johnson and Trump She discusses how their actions are linked to race and racialized institutions the Department of War during Reconstruction the FBI during the Nixon years and elections today and looks at what happens after impeachment describing how the rush to establish a new order perpetuates many of the same problems as the old Challenging the conventional wisdom about the role of norms in American democracy Backlash Presidents reveals how normal presidential politics upholds unsustainable racial hierarchy that in turn gives rise to intense periods of instability

The Political Roots of Racial Tracking in American Criminal Justice Nina M. Moore, 2015-01-26 The race problem in the American criminal justice system persists because we enable it The tendency of liberals to point a finger at law enforcement racial conservatives the War on Drugs is misguided Black as well as white voters Democrat as much as Republican lawmakers President Obama as much as Reagan both Congress and the Supreme Court alike all are implicated We all are The Man Whether the problem is defined in terms of blacks overrepresentation in prisons or in terms of the disproportional use of deadly police force against blacks not enough of us demand that something be done The Political Roots of Racial Tracking in American Criminal Justice is the story of how the race problem in criminal justice is continually enabled in the

national crime policy process and why *The President and His Inner Circle* Thomas Preston, 2001-02-14 Few would argue that presidential policies and performance would have been the same whether John F Kennedy or Richard Nixon became president in 1960 or if Jimmy Carter instead of Ronald Reagan had won the White House in 1980 Indeed in recent elections the character prior policy experience or personalities of candidates have played an increasing role in our assessments of their fit for the Oval Office Further these same characteristics are often used to explain an administration's success or failure in policy making Obviously who the president is and what he is like matters This book a new approach to the study of the personal presidency links the characteristics of six modern American presidents their personalities and their prior policy making experience to their leadership styles advisory arrangements and decision making in the White House Thomas Preston uses M G Hermann's Personality Assessment at a Distance PAD profiling technique as well as exhaustive archival research and interviews with former advisors to develop a leadership style typology He then compares his model's expectations against the actual policy record of six past presidents using foreign policy episodes Korea 1950 for Truman Dien Bien Phu 1954 for Eisenhower Cuba 1962 for Kennedy Vietnam 1967-68 for Johnson the Gulf War 1990-91 for Bush and North Korea Haiti Bosnia 1994-95 for Clinton **You, the People** Vanessa B. Beasley, 2011-11-07 New in paperback As we ask anew in these troubled times what it means to be an American *You the People* provides perspective by casting its eye over the answers given by past U S presidents in their addresses to the public Who is an American and who is not And yet as Vanessa Beasley demonstrates in this eloquent exploration of a century of presidential speeches the questions are not new Since the Founders first identified the nation as we the people the faces and accents of U S citizens have changed dramatically due to immigration and other constitutive changes U S presidents have often spoken as if there were one monolithic American people Here Beasley traces rhetorical constructions of American national identity in presidents' inaugural addresses and state of the union messages from 1885 through 2000 She argues convincingly that while the demographics of the voting citizenry changed rapidly during this period presidential definitions of American national identity did not Chief executives have consistently employed a rhetoric of American nationalism that is simultaneously inclusive and exclusive Beasley examines both the genius and the limitations of this language *The Presidency* Michael Nelson, Barbara A. Perry, 2021-04-29 Following the election of Donald Trump the office of the U S president has come under scrutiny like never before Featuring penetrating insights from high profile presidential scholars *The Presidency* provides the deep historical and constitutional context needed to put the Trump era into its proper perspective Identifying key points at which the constitutional presidency could have evolved in different ways from the nation's founding days to the present these scholars examine presidential decisions that determined the direction of the nation and the world Contributors Bradley R DeWees U S Air Force Richard J Ellis Willamette University Stefanie Georgakis Abbott University of Virginia Joel K Goldstein Saint Louis University Jennifer Lawless University of Virginia Sidney M Milkis University of Virginia Sairkrishna Bangalore Prakash University of Virginia

Russell L Riley University of Virginia Andrew Rudalevige Bowdoin College Sean Theriault University of Texas at Austin

41 Michael Nelson, Barbara A. Perry, 2014-03-04 Although it lasted only a single term the presidency of George H W Bush was an unusually eventful one encompassing the fall of the Berlin Wall and the reunification of Germany the dissolution of the Soviet Union the invasion of Panama the Persian Gulf War and contentious confirmation hearings over Clarence Thomas and John Tower Bush has said that to understand the history of his presidency while the documentary record is vital interviews with members of his administration add the human side that those papers can never capture This book draws on interviews with senior White House and Cabinet officials conducted under the auspices of the Bush Oral History Project a cooperative effort of the University of Virginia's Miller Center and the George Bush Presidential Library Foundation to provide a multidimensional portrait of the first President Bush and his administration Typically interviews explored officials' memories of their service with President Bush and their careers prior to joining the administration Interviewees also offered political and leadership lessons they had gleaned as eyewitnesses to and shapers of history The contributors to 41 all seasoned observers of American politics foreign policy and government institutions examine how George H W Bush organized and staffed his administration operated on the international stage followed his own brand of Republican conservatism handled legislative affairs and made judicial appointments A scrupulously objective analysis of oral history primary documents and previous studies 41 deepens the historical record of the forty first president and offers fresh insights into the rise of the new world order and its challenges

Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Presidency And The Politics Of Racial Inequality Nation Keeping From 1831 To 1965 eBooks, including some popular titles.

FAQs About Presidency And The Politics Of Racial Inequality Nation Keeping From 1831 To 1965 Books

What is a Presidency And The Politics Of Racial Inequality Nation Keeping From 1831 To 1965 PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Presidency And The Politics Of Racial Inequality Nation Keeping From 1831 To 1965 PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Presidency And The Politics Of Racial Inequality Nation Keeping From 1831 To 1965 PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Presidency And The Politics Of Racial Inequality Nation Keeping From 1831 To 1965 PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobat's export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Presidency And The Politics Of Racial Inequality Nation Keeping From 1831 To 1965 PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are

many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
