President JFK and I Prove Life After Death Frank G. Collyer, 1991-06-01 **The Kennedy Family** S. J. Fuller, 2007

America has no official royalty by design Yet there have been the Roosevelts the Adams the Bushes the wanabee Clintons and most intriguing of all the Kennedys The Kennedys have so far only reached the presidency once but the assassination of JFK and his brother Robert and the trials and tribulations of the family members and society in general continue to fascinate the world This new book presents more than 1200 citations of books and related materials arranged by family member The accompanying CD ROM offers ready access and easy searching

Honest Answers about the Murder of President John F. Kennedy Vincent Michael Palamara, 2021-03-19 Thousands of books and articles have been written about the murder of JFK many of which are large in volume and short on facts Quite often these works try to reinvent the wheel attempting to cover every single area of the assassination as well as many tangential and unessential points as well The reader is often left exhausted and confused The sheer volume of pages conflicting facts and theories leaves one unsatisfied and quite frankly not sure exactly what did happen on 11 22 63 This book seeks to separate the wheat from the chaff It is 55 plus years later it is time for real honest answers in an easy to read and understand format Proof of a conspiracy no theories to the point a perspective on the assassination for the millennial age and beyond Based on years decades of primary source research and having read countless books on the subject

The Forty-Three Presidents Nero James Pruitt, 2015-08-06 Harry Truman may have only slightly overstated the matter when he said The presidents made the highlights of American history and when you tell about them youve got it We can in fact learn a tremendous amount about the world in which we live by studying the forty three presidents including what they said to and about each other Nero James Pruitt tackles the task explaining why we should care that Sen John Quincy Adams played chess with Secretary of State James Madison in 1803 why future war heroes and presidents Gerald Ford and John F Kennedy supported the isolationist America First committee in the 1940s and why diplomats John Adams and Thomas Jefferson could bond in a way that modern diplomats cannot He also shares fascinating facts and stories such as the humorous tale of President James K Polk hanging a portrait of Andrew Jackson in his office Polk wrote to his friend The contrast between your appearance then and now is very great Gain a deeper appreciation of what makes the United States so special by studying the fascinating connections between The Forty Three Presidents

The Inheritance Christopher Fulton,Michelle Fulton,Dick Russell,2018-11-08
 Christopher Fulton s journey began with the death of Evelyn Lincoln late secretary to President John F Kennedy Through Lincoln crucial evidence ended up in Christopher s hands evidence that was going to be used to facilitate a new future for America But the U S government s position was clear that evidence had to be confiscated and classified and the truth hidden away from the public Christopher was sent to federal prison for years under a sealed warrant and indictment The Inheritance Christopher s personal narrative shares insider information from his encounters with the Russian Government President Ronald Reagan Donald Trump the Clinton White House the U S Justice Department the Secret Service and the Kennedy family themselves It reveals the true intentions of Evelyn Lincoln and her secret promise to Robert Kennedy and Christopher s secret promise to John F Kennedy Jr The Inheritance explodes with history changing information and answers the questions Americans are still asking while pulling them through a gauntlet of some of the worst prisons this country has to offer This book thrillingly exposes the reality of American power and sheds light on the dark corners of current corruption within the executive branch and the justice and prison systems

The Assassination of John F. Kennedy Alice L. George,2013 This book traces the events of Kennedy s assassination and Lyndon B Johnson s subsequent ascension to the presidency Covering both the political shifts of the time and the cultural fallout of the national tragedy this book introduces both an iconic event and the context in which that event was heralded as iconic Drawing on newspaper articles political speeches letters and diaries the author critically re examines the event of JFK s death and its persistent political and cultural legacy

The Assassination of President John F. Kennedy: The Final Analysis David W. Mantik, M.D., Ph.D.,Jerome R. Corsi, Ph.D.,Douglas P. Horne, In this decisive analysis of the JFK assassination medical expert Dr David W Mantik and New York Times bestselling author Jerome R Corsi de nitively validate the observations of the physicians at Parkland Hospital who recognized immediately that the wound in JFK s throat and the massive avulsed blow out in the back of his head both involved frontal shots What distinguishes this book from the myriad of books written on the JFK assassination is that Dr Mantik s optical density measurements of the JFK skull X rays in the National Archives leave no doubt the X rays were altered to disguise

evidence of the two frontal shots With over four decades of experience reading X rays Dr Mantik has examined the JFK assassination materials more than anyone else Mantik and Corsi present overwhelming testimonial and documentary evidence that proves the Bethesda surgeons performed pre autopsy surgery on JFK s head to remove evidence of the forehead bullet as well as to gain access to his brain and thus sanitize the crime scene by removing bullet fragments and bullet tracks in the brain tissue The world is starving for objective science This book contains objective forensic science for which the world will never be ready If the X rays were doctored the CIA the FBI and the US Secret Service have some questions to answer The public deserves the nal analysis of these issues James Lyons Weiler PhD The Institute for Pure and Applied Knowledge
