Presidential Anecdotes:

Presidential Anecdotes Paul F. Boller, 1996-10-03 Dramatic poignant hilarious and sentimental anecdotes about our presidents are as varied as the presidents themselves This new and revised edition of *Presidential Anecdotes* recounts some of the most striking stories about America's 42 chief executives from Washington to Clinton shedding light on the presidents as human beings and on the culture that produced them *Presidential Humor: A Collection of the Funniest Anecdotes and Jokes by American Presidents* Pasquale De Marco, Laughter and politics may seem like an unlikely pairing but throughout history presidents have used humor to connect with the public defuse tensions and even achieve political goals From the witty remarks of Abraham Lincoln to the self-deprecating jokes of Ronald Reagan presidential humor has taken many forms This book is a celebration of the lighter side of the presidency a collection of the funniest anecdotes and jokes told by American presidents From laugh-out-loud one-liners to hilarious mispronunciations and off-the-cuff remarks these stories offer a glimpse into the personalities of our nation's leaders and the ways in which they have used humor to navigate the challenges of the presidency Inside you'll find Hilarious quips and zingers from presidents past and present Unforgettable gaffes and blunders that will make you laugh out loud Witty jokes and anecdotes about political opponents the campaign trail and the White House itself Presidential parodies impersonations and cartoons that poke fun at the presidency Humorous stories and anecdotes from presidential press conferences interviews and speeches Whether you're a history buff a political junkie or simply someone who enjoys a good laugh this book is sure to entertain and delight So sit back relax and prepare to see the presidency in a whole new light This book is a must-read for anyone who loves presidential history humor or both It's also the perfect gift for anyone who needs a good laugh If you like this book write a review *Speeches and presidential addresses, 1859-1865. Anecdotes and conversations of Lincoln*, by F. B. Carpenter Abraham Lincoln, 1908 **Speeches and presidential addresses 1859-1865, together with conversations and anecdotes, related by F.B. Carpenter in "Six months at the White House"** Abraham Lincoln, 1907 [Little, Brown Book of Anecdotes](#) Clifton Fadiman, 2009-10-31 Fadiman may do for the anecdote what Bartlett did for the quotation A thoroughly entertaining and useful reference source School Library Journal Along with an introduction an index of themes and a bibliography this A to Z collection includes anecdotes about over two thousand famous people from Alexander the Great to Muhammad Ali An enjoyable journey through history and popular culture it offers a blend of biographical tidbits with words of wisdom and just plain funny stories Tailor-made for speech writers in search of the right story for a special occasion or for those who enjoy browsing among quotes from our brightest wordsmiths People *Presidents as Military Officers, As Commander-in-Chief with Humor and Anecdotes* Lee McDowell, 2021-02-14 A great deal of history can be learned by reading the policies of our 44 presidents This publication 45 chapters describes the military activity prior to the presidency as well as the Commander in Chief decisions of each president Important war battles are described with photographs For each president there is humor and anecdotes Of the 44

presidents 31 had served in the military Twelve were generals The most famous were Washington Jackson Taylor Grant Hays and Eisenhower Six Union veterans became presidents as did 8 who served in World War II Thirteen presidents would be considered heroes due to their conspicuous gallantry Other presidents who did not serve in the military but were effective while serving as Commander in Chief during War

Presidential Footprints Del Hambley, 2009-03 *Presidential Footprints* presents a fast read covering the Presidents of the United States of America the major issues that they faced during their Presidency and how well they met their challenge A recurring theme is that things that seem insignificant at the time frequently have a major impact on future events As a result of this theme the author provides the reader with a unique perspective on how minor events not mentioned in a majority of history books have affected the history of our country One is left with a desire to pursue further exploration about the lives of the Presidents and their families William Buhro Retired School Principal

Presidential Wives Paul F. Boller, 1998 At once funny and poignant dramatic and illuminating this anecdotal history covers every First Lady from Martha Washington to Hillary Rodham Clinton A marvelously entertaining work Newsday

Star-Spangled Men Nathan Miller, 2008-06-30 Picking America's best presidents is easy George Washington Abraham Lincoln and Franklin D Roosevelt usually lead the list But choosing the nation's worst presidents requires more thought In *Star Spangled Men* respected presidential biographer Nathan Miller puts on display those leaders who were abject failures as chief executive With pointed humor and a deft hand he presents a rogues gallery of the men who dropped the presidential ball and sometimes their pants as well Miller includes Richard M Nixon who was forced to resign to escape impeachment Jimmy Carter who proved that the White House is not the place for on the job training and Warren G Harding who gave being in the closet new meaning as he carried on extramarital interludes in one near the Oval Office This current edition also includes a new assessment of Bill Clinton who has admitted lying to his family his aides his cabinet and the American people

Presidential Maxims Raymond Roberson, 2021-03-11 POTUS does the name give you a positive or negative reaction In a time where our country is extremely divided about the current Presidential role those reactions are mixed but it is certain that this role has shaped our past is still relevant to our day and will affect our future With his power limited by the checks and balances of the federal branches and his duty as commander in chief aside a President's influence can be felt most keenly in the attitudes his demeanor fosters among his nation's citizens it is that influence that drives this book's focus Forty five men in our history have defined this role and their contributions establish a pattern of leadership that we can benefit from now and reap rewards from their influence as individuals to bring change to our communities and ultimately to our country Leadership traits are identified herein for the first nineteen Presidents with birthdays from January to June chronologically their life experiences summarized with brevity to show learned behaviors that can foster a successful life along with quotations that reflect their personal philosophies For instance the well respected George Washington said of his personal standard I hope I shall always possess firmness and virtue enough to maintain what I consider the most enviable

title the character of an honest man Through study and personal application of the maxims like these and traits manifest in these men we can each enrich our own domain
