Presidential Follies Those Who Would Be President And Those Who Should Think Again:

Presidential Follies Ralph Z. Hallow, Bradley S. O'Leary, 1995 Who are the political front runners destined to shape America's future And what are their commitments to the values Americans hold dear Two of the nation's top political writers probe for answers in *Presidential Follies* This is a no holds barred preview of the 1996 race to the White House *Reagan's Revolution* Craig Shirley, 2010-02-22 Today's political scene looks nothing like it did thirty years ago and that is due mostly to Reagan's monumental reshaping of the Republican party What few people realize however is that Reagan's revolution did not begin when he took office in 1980 but in his failed presidential challenge to Gerald Ford in 1975 1976 This is the remarkable story of that historic campaign one that as Reagan put it turned a party of pale pastels into a national party of bold colors Featuring interviews with a myriad of politicians journalists insiders and observers Craig Shirley relays intriguing never before told anecdotes about Reagan his staff the campaign the media and the national parties and shows how Reagan instead of following the lead of the ever weakening Republican party brought the party to him and almost single handedly revived it

Contours of African American Politics Georgia A. Persons, 2017-07-05 *Contours of African American Politics* chronicles the systematic study of African American politics and its subsequent recognition as an established field of scholarly inquiry African American politics emanates from the demands of the prolonged struggle for black liberation and empowerment Hence the study of African American politics has sought to track codify and analyse the struggle that has been mounted and to understand the historic and changing political status of African Americans within American society This two volume set presents a selection of scholarship on African American politics as it appeared in *The National Political Science Review* from its initial launch in 1989 to the spring of 2009 Represented are contributions from some of the leading scholars of African American politics who have helped to establish and sustain the field The volumes are organised around themes that derive from the unfolding real life drama of African American politics and its subsequent scholarly treatment The result is a window into the political efforts that meld the historically disparate strands of black political expressions into a reconstructed and strategically nimble electoral based mass mobilisation necessary for optimising the impact of the African American vote Sections in the volumes also chronicle the evolution of the National Conference of Black Political Scientists as a professional organisation The two volumes illuminate a pivotal epoch in black political empowerment and provide a context for the future of black politics *The Changing Politics of Gun Control* John M. Bruce, Clyde Wilcox, 1998-05-14 In recent years political discourse about gun control and the Second Amendment has become increasingly volatile and this collection of original essays by top scholars illuminates the various reasons why Gun lobbies such as the National Rifle Association are more organized and aggressive and their issue agenda has evolved as new and more powerful weapons and militia appear On the other side of the debate the critical wounding of James Brady gave gun control advocates a visible martyr with strong ties to Republican conservatives In sum gun control and the right to bear arms have become hotly disputed issues where political

alignments are constantly shifting The contributors chart these changes and explore how Congress the courts the President and individual states are currently addressing the issue of gun control This book which includes profiles and examinations of relevant interest groups the gun control coalition recent Supreme Court decisions and public opinion surveys will be of great interest to classes in political science American government law and sociology Top 200 Reasons Not to Vote for Bill Clinton Ralph Z. Hallow,Bradley S. O'Leary,1996 Political insiders Bradley S O Leary and Ralph Z Hallow team up for a look at 300 reasons not to vote for Bill Clinton What they reveal will change the way many Americans view Bill Clinton Just in time for the presidential election it will provide readers with amazingly astute observations on why the First Family should be the Former Family *Presidential Follies* Ralph Z. Hallow,Bradley S. O'Leary,1995 Who are the political front runners destined to shape America's future And what are their commitments to the values Americans hold dear Two of the nation's top political writers probe for answers in *Presidential Follies* This is a no holds barred preview of the 1996 race to the White House **American Politics and the African American Quest for Universal Freedom** Hanes Walton (Jr.),Robert Charles Smith,2003 This dynamic and comprehensive text from two nationally renowned scholars has been completely updated and demonstrates the profound influence African Americans have had on American politics Through the use of two interrelated themes the idea of universal freedom and the concept of minority majority coalitions the text demonstrates the profound influence African Americans have had on American government and politics The authors show how the presence of Africans in the United States affected the founding of the Republic and its political institutions and processes from the colonial era to the present In the quest for their own freedom in the United States African Americans have universalized or expanded the freedoms for all Americans in numerous coalitions with whites minority inspired majority coalitions This is an accessible text for all students *American Promotion of Democracy in Africa, 1988-2000* Eric Edwin Otenyo,2009 This book examines the relationships between U S strategic security trade interests and democratic enlargement in Africa *Are You a Conservative Or a Liberal?* Victor Kamber,Bradley S.
