Presidential Secrecy And Deception Beyond The Power To Persuade:

Presidential Secrecy and Deception John Orman, 1980-07-21 *The Institutional Effects of Executive Scandals* Brandon Rottinghaus, 2015-04-30 Watergate Iran Contra Lewinsky Enron Bridgegate according to the popular media executive scandals are ubiquitous Although individual scandals persist in the public memory and as the subject of academic study how do we understand the impacts of executive indiscretion or malfeasance as a whole What effect if any do scandals have on political polarization governance and most importantly democratic accountability Recognizing the important and enduring role of scandals in American government this book proposes a common intellectual framework for understanding their nature and political effects Brandon Rottinghaus takes a systematic look the dynamics of the duration of scandals the way they affect presidents and governors capacity to govern and the strategic choices executives make in confronting scandal at both the state and national levels His findings reveal much about not only scandal but the operation of American politics *High Crimes and Misdemeanors* Frank O. Bowman III, 2023-11-30 A complete historical and constitutional analysis of impeachment by a leading scholar who participated in both Trump impeachments **The Secrets of the Kingdom** Hugh B. Urban, 2007-03-14 The Secrets of the Kingdom is the first book to critically examine the complex relationship between faith and concealment in the Bush White House **Presidential Policies and the Road to the Second Iraq War** John Davis, 2016-03-23 By virtually any means of measurement postwar Iraq has become a more bloodied and embattled settlement than ever envisaged But were the seeds of these problems sown long before military force had been committed This lucid and detailed examination of US foreign policy evaluates the continuity and divergence in the strategies of the Bush Clinton and Bush Jr administrations and their efforts to respond to the Iraqi threat and how those strategies have bequeathed a legacy of problems to those trying to rebuild a postwar Iraq Offering the most comprehensive analysis of the dynamics that paved the way for renewed conflict in Iraq the book provides a descriptive account of attempts to confront a host of political pressures from the need for international cooperation in postwar Iraq to dealing with the influx of foreign fighters and their quest to force American withdrawal This essential volume provides analysts observers and policy makers with guidelines and prescriptions about the future of postwar Iraq and detailed analysis of lessons learned both during and after the military and reconstruction phases **A Companion to Gerald R. Ford and Jimmy Carter** Scott Kaufman, 2015-10-21 With 30 historiographical essays by established and rising scholars this Companion is a comprehensive picture of the presidencies and legacies of Gerald Ford and Jimmy Carter Examines important national and international events during the 1970s as well as presidential initiatives crises and legislation Discusses the biography of each man before entering the White House his legacy and work after leaving office and the lives of Betty Ford Rosalynn Carter and their families Covers key themes and issues including Watergate and the pardon of Richard Nixon the Vietnam War neoconservatism and the rise of the New Right and the Iran hostage crisis Incorporates presidential diplomatic military economic social and cultural history Uses the most

recent research and newly released documents from the two Presidential Libraries and the State Department

Controversial Issues in Presidential Selection Gary L. Rose, 1991-01-01 This book presents an examination of ten major and controversial issues directly affecting the American presidential selection process These issues are addressed in a point counterpoint format to promote lively discussion and scholarly debate The Introduction argues that the modern process of presidential selection has evolved to a point of crisis and that collapse appears imminent while the Conclusion endorses a proposal that may serve as the first step toward improving the process The entire process of presidential selection is included here the nominating phase the convention phase and the general election phase **Political Self-Deception** Anna

Elisabetta Galeotti, 2018-09-13 Explores self deception and its consequences for political decision making **American Studies** Jack Salzman, American Studies Association, 1986-08-29 A major three volume bibliography including an additional supplement of an annotated listing of American Studies monographs published between 1900 and 1988 Personal Versus Private Peter H.
