

Presidents And Protesters

Eric J. Bailey

Presidents And Protesters:

The Presidency and the Rhetoric of Foreign Crisis Denise M. Bostdorff, 1994 *The Presidency and the Rhetoric of Foreign Crisis* examines presidential crisis management or the way U S presidents portray foreign crises to the American public as a potent tool for the accumulation and at times the forfeiture of political power Arguing that it is largely through presidential communication that foreign crises become real for American citizens Bostdorff does not claim that presidents fabricate crises but rather that they vigorously advance their version of the crisis to the American public in order to rally support for their foreign policies Bostdorff contends that presidential language can heighten the significance of events that otherwise would attract little public attention such as a coup on the tiny Caribbean island of Grenada and thereby persuade citizens to support U S military intervention and to view the commander in chief as a decisive victorious leader To prove her assertions Bostdorff presents case studies from six successive administrations Beginning with Kennedy and the Cuban missile crisis of 1962 she examines Johnson and the Gulf of Tonkin Nixon and Cambodia Ford and the Mayaguez Carter and Iran and Reagan and Grenada Concluding with an evaluation of Bush and Panama Bostdorff identifies the recurring themes that defined crisis rhetoric explains how that rhetoric encourages particular public reactions and raises disturbing questions about the implications for the American polity

A President's Daily Brief: Year 4 Micah Fisher-Kirshner, What was daily life under the Trump presidency really like An accessible ebook with short thematic entries showing the corruption of the Trump presidency *A President's Daily Brief Year 4 The Day by Day Lurch of Trump's Norm Breaking Presidency* is the fourth in Micah Fisher Kirshner's series representing the fourth and final year of Trump's time in power and the subversion that occurred More than a compiled list of significant events that portray Trump as the most corrupt American president this digestible and scannable read of in the moment posts pulled from news outlets and credible sources provides an intimate look at how the administration went about breaking the presidential norms on a daily basis Readers also will have access to citations to fact check claims This quick read on a Trump presidency that started off with outrage and graduated to righteous indignation is a must have for those who enjoy history politics and government or simply want to read about the most notorious presidency in history

Retirement Tumultuous Events & Why US Presidents Are Impeached Cyrus Tahernia, MD, FAAP, FACC, 2020-12-16 *Retirement Tumultuous Events Why US Presidents Are Impeached* By Cyrus Tahernia MD FAAP FACC *Retirement Tumultuous Events Why US Presidents Are Impeached* details adventures and exotic places that author Cyrus Tahernia MD FAAP FACC has been throughout his retirement while also providing commentary on global events that have occurred Through detailed reports Tahernia provides an in depth look into domestic and foreign politics and expands our world view through his travels abroad

, *The Cult of the Presidency* Gene Healy, 2024-09-10 The modern presidency has become the central fault line of polarization in America because the president increasingly has the power to reshape vast swaths of American life In *The Cult of the Presidency* Gene Healy argues that We the People are to blame

Americans on each side of the red blue divide demand a president who can create jobs teach our children well tend to the national soul and vanquish their culture war enemies Our political culture has invested the office with preposterously vast responsibilities and as a result the officeholder wields powers that no human being ought to have In a new preface to the 2024 edition Healy argues that the rise of partisan hatred lends new urgency to the cause of re limiting executive power In the years since *Cult* was first published politics has gone feral with polls showing that substantial majorities of Democrats and Republicans view members of the other party as a serious threat to the United States and its people At the same time the most powerful office in the world has grown even more so That s raised the stakes of our political differences dramatically the issues that divide us most are now increasingly settled by whichever party manages to seize the office In our partisan myopia we ve laid down the infrastructure for autocratic rule and sectarian warfare making the presidency powerful enough to tear the country apart Interweaving historical scholarship legal analysis and trenchant cultural commentary *The Cult of the Presidency* traces America s decades long drift from the Framers vision for the presidency a constitutionally constrained chief magistrate charged with faithful execution of the laws Restoring that vision will require a Congress and a Court willing to check executive power but Healy emphasizes that there is no simple legislative or judicial fix Unless Americans change what we ask of the office no longer demanding what we should not want and cannot have we ll get what in a sense we deserve

The Press, Presidents, and Crises Brigitte Lebens Nacos,1990 *From Protest to President* George A Pruitt,2022-12-09 *From Protest to President* describes an inspirational odyssey of a young Black activist coming of age in Mississippi and Chicago in the tumultuous 1960s and 70s culminating in a notable thirty five year presidency at Thomas Edison State University From barbershop encounters with Malcolm X to death threats at Illinois State University and gunfire at Towson State Pruitt provides a powerful narrative poised at the intersection of social justice higher education and politics He recounts leadership experiences at HBCUs and public universities across the country as he advocated for autonomy at Morgan State and fought to preserve Tennessee State University His steadfast activism integrity and courage led to groundbreaking work in providing access to higher education for working adults and the military From his days as a student protester in high school and college to his appearances on Capitol Hill Pruitt has earned the reputation as a candid and influential leader in higher education

Hatred of America's Presidents Lori Cox Han,2018-06-15 This work examines expressions of personal hostility and animosity toward presidents even beloved ones throughout American history and their impact on policymaking politics and culture People involved or simply interested in politics often ask whether today s political environment is more toxic than ever before *Hatred of America s Presidents* *Personal Attacks on the White House* from Washington to Trump presents an impartial and authoritative history of invective toward the White House so readers can determine the answer for themselves The book focuses on the most representative and commonplace attacks of a vitriolic and personal nature detailing who instigated and trafficked in the attacks and how presidents administrations and political

parties defended themselves It also illustrates how honest disagreements about policy such as FDR s New Deal Ronald Reagan s Central America policies George W Bush s invasion of Iraq and Barack Obama s Affordable Care Act fueled expressions of hatred and condemnation Finally the book includes perspectives from both the right and the left on the legitimacy of these attacks and the victims defenses as well as their impact on American politics and policy

African Americans and the Presidents F. Erik Brooks, Glenn L. Starks, 2019-04-18 The president is arguably the most recognized and powerful individual in the United States This reference work explores the American presidency in relation to issues of race concerning the African American community This work provides a contemporary and refreshing examination of the American presidency through the prism of race and race relations in America revealing a long and complicated relationship between the U S presidency and the African American community The book evaluates each of the forty five American presidents policies cabinet appointments and handling of race matters in the United States Following an extensive timeline chronological chapters take an incisive look at each American president s life and career as well as the policies enacted during his presidency that affected the African American community The presidents personal writings memoirs autobiographies and biographies frame their views on the issue of race and how they dealt with it before during and after their presidency

Race and Ethnic Relations on Campus Eric J. Bailey, 2018-09-07 Can college students confront race relations issues directly and make positive changes Yes they can This book provides a fresh practical approach to addressing these issues individually and collectively to ignite a positive revolution in race and ethnic relations As racial and ethnic incidents continue to occur at college campuses across the nation an esteemed African American professor who teaches in the heart of a region that has seen some of the most volatile racial incidents in American history breaks the uneasy silence to respond to growing concerns from undergraduate students In Race and Ethnic Relations on Campus Understanding Empowerment and Solutions for College Students Eric J Bailey presents a new approach to addressing and better understanding the major controversial issues associated with race and ethnic relations for today s college students This book confronts commonplace race relations issues directly and sets forth a completely different way of addressing these problems that empowers today s college students to take charge and start to effect change to do something about racially charged conflict rather than to simply talk about it The chapters describe how race and ethnic relations issues typically arise on college campuses share insight into how national incidents affect college students reactions to incidents on their own campus and identify the negative consequences of poor race relations as well as describe the positive effects of good race relations
