BY KRIS LEONHARDT
SENIOR EDITOR

GREEN BAY – Sam Schwartz is a Green Bay area native, graduating from Pulaski High School in 2012.

Schwartz furthered his education at UW-La Crosse, obtaining a bachelor's in exercise science and a doctorate in physical therapy.

"Since that time I have been practicing in outpatient orthopedics and sports medicine as a physical therapist. After moving to Southern Colorado for some time after school, my wife and I decided to relocate back to Green Bay to raise our family."

Schwartz specializes in orthopedics and sports medicine with "a special interest in runners and other endurance athletes."

Since moving back to Green Bay, he has been working at Paramount Physical Therapy & Training as lead physical therapist and director of operations.

"About 15 years ago, I was in physical therapy (PT) myself for two significant knee surgeries that ended my high school sports career. During those two years of PT, I had the opportunity of working with a PT that inspired me to follow this career path. Her name was Linda Plummer. I doubt she knows the impact she had on me, but this is my opportunity to share

Village sewer and water utility connection back in front of Howard board

BY KRIS LEONHARDT
SENIOR EDITOR

HOWARD – In a matter that Howard Trustee District 4 John Muranski said the village needed to remain consistent with, the board directed staff to return with new recommendations, considering the ordinances and policies requiring property owners to connect to the sewer and water utility.

Recommended action brought forward by Howard Director of Public Works Geoffrey S. Farr included directing staff to draft ordinance amendments specifying the time allowed to connect to utilities and other related conditions of connection.

Staff recommended a motion "to direct staff to draft

ordinance amendments allowing property owners 18 months to connect to utilities from the date of the village's written notice to connect, having both sewer and water, except buildings that exceed 400 feet from the road right of way, unless otherwise approved by the village board."

Trustee District 8 Craig McAllister also requested that the board consider repealing

the village's utility connection ordinances that require "existing" buildings to connect to sewer and water mains/services when they are extended and installed.

"One of the problems that we're having right now is kind of just a management issue, where the current ordinances for water and sanitary state very short time periods," explained Farr.

"Well, one doesn't say anything the other one says 30 days. And of course, connection in 30 days is just not realistic, and so we're asking the village board, 'What is an appropriate time to connect?' And we've recently had a few property owners on

GREEN BAY – After graduating from Xavier High School in Appleton, Tiffany Woelfel went to the University of Minnesota for business, where she double majored in international business and public and nonprofit management.

"I also double majored in German and leadership studies. After graduation, I joined Teach for America and moved to Minneapolis. I spent two years teaching sixth grade math at Holly Springs Intermediate School. While I loved working with kids, I realized that I wasn't passionate about teaching. I also realized that I wanted to be back in the Midwest to build whatever future career I had," Woelfel recalled.

"At that point, I decided to try law school. Participating in mock trial during high school had sparked an interest in the law, but, candidly, I didn't really understand what being a lawyer was like. While I got into a variety of law schools, I knew how crippling law school debt was becoming and I worried about leaving law school with six figures of debt.

"Luckily for me, I was still eligible for in-state tuition and the UW-Madison offered me a very competitive scholarship. Despite the fact that law
