How can we preach persuasively without huckstering manipulating or coercing people Sadly we are seeing the fall of many
pastors not for reasons of sexual immorality but the pursuit of pride and power The skillful use of marketing methods creates
celebrity pastors who become significant influencers in the evangelical church The lure of success is seductive turning
pastors into hucksters and Christians into consumers We need to heed the warnings of the New Testament about the pride of
rhetoric and the pursuit of power David Christensen carefully analyzes the biblical warnings of Paul about the temptations of
rhetorical sophistry in the first century church and applies them to pastoral ministry today God calls preachers to be ethical
and effective persuaders David develops an ethical grid for pastoral persuasion using principles drawn from the Bible and
social science along with practical illustrations from his years of ministry He calls preachers to be ethical and effective
persuaders by emphasizing the centrality of the word of God while depending on the power of the Spirit of God Military
