Preston Manning And The Reform Party:

Preston Manning Peter Gzowski, Preston Manning, Bowden's Information Services, 1990 **Preston Manning and the Reform Party** Murray Dobbin, 1992-01-01 Acknowledgements Preface 1 Out of the Wilderness 2 Preston Manning Charts His Father's Course 3 Serving the World of Private Enterprise 4 Waiting for the Moment 5 Connections 6 Managing the Membership 7 Reform Party Policy Tories in a Hurry 8 Quebec and Constitutional Reform 9 The Reform Party's Democratic Reforms 10 Where Would Preston Manning Take Us Notes Index [Our Scandalous Senate](#) J. Patrick Boyer, 2014-05-31 Rocked by extremely public scandals at the highest levels of power the Canadian Senate is an institution on the defensive As the upper chamber starts to look more and more like a comfortable private club for has been the real scandal is that the Senate exists at all *The Rise of the New West* John F. Conway, 2014-05-30 This one volume history chronicles a 150 year history of dramatic changes in fortune and attitudes in western Canada From the Riel Rebellions and the Winnipeg General Strike to the founding of the CCF Social Credit and Reform parties Canada's West has always been a hotbed of political social and economic change In the early twentieth century those calls for change emanated from the left as farmers and workers fought for social and economic justice In the past two decades the protests and calls for change emanated from the right as the region gained a new role for itself in Canada This history chronicles the rise and fall of such figures as Grant Devine Bill Vander Zalm Glen Clark Roy Romanow Stockwell Day and Lorne Calvert and the emergence of Stephen Harper and the federal Conservatives It describes how the West the political wellspring of progressive changes over the years has been transformed into the bastion of the right culminating in the virtual annihilation of the NDP in Saskatchewan the cradle of social democracy in Canada This is the updated fourth edition of John Conway's classic book originally published under the title *The West* **Rebuilding Canadian Party Politics** R. Kenneth Carty, William Cross, Lisa Young, 2007-11-01 Canadian party politics collapsed in the early 1990s This book is about that collapse about the end of a party system with a unique pattern of party organization and competition that had governed Canada's national politics for several decades and about the ongoing struggle to build its successor Rebuilding Canadian Party Politics discusses the breakdown of the old party system the emergence of the Reform Party and the Bloc Qu'becois and the fate of the Conservative and New Democratic Parties It focuses on the internal workings of parties in this new era examining the role of professionals new technologies and local activists To understand the ambiguities of our current party system the authors attended local and national party meetings nomination and leadership meetings and campaign kick off rallies They visited local campaign offices to observe the parties grassroots operations and conducted interviews with senior party officials pollsters media and advertising specialists and leader tour directors Written in a lively and accessible style this book will interest students of party politics and Canadian political history as well as general readers eager to make sense of the changes reshaping national politics today *Canada: the State of the Federation 1994* Douglas M. Brown, Janet L. Hiebert, 1994-04 *The Blueprint* J.P. Lewis, Joanna

Everitt,2017-01-01 In this collection J P Lewis and Joanna Everitt bring together a group of up and coming political scientists as well as senior scholars to explore the recent history of the Conservative Party of Canada covering the pre merger period 1993 2003 and both the minority and majority governments under Prime Minister Stephen Harper The contributors provide nuanced accounts about the experience of conservatives in Canada which reflect the contemporary evolution of Canadian politics in both policy and practice They challenge the assumption that Harper s government was built upon traditional Toryism and reveal the extent to which the agenda of the CPC was shaped by its roots to the Reform and Canadian Alliance Parties Organized thematically the volume delves into such topics as interest advocacy ethno cultural minorities gender the media foreign policy and more The Blueprint showcases the renewed vigour in political studies in Canada while revealing the contradictory story of the modern Conservative Party **In the Long Run We're All Dead** Timothy Lewis,2007-10-01

Canadian politics in the 1990s were characterized by an unwavering focus on the deficit At the beginning of the decade it seemed that fiscal deficits were intractable a fait accompli of Canadian politics yet by the end of the decade Ottawa had taken remarkable actions to eliminate its budgetary shortfalls and had successfully eradicated its deficits How such a radical change of political course came to pass is still not well understood In *The Long Run We're All Dead* The Canadian Turn to Fiscal Restraint offers the first comprehensive scholarly account of this vital public policy issue Lewis deftly analyzes the history of deficit finance from before Confederation through Canada s postwar Keynesianism to the retrenchment of the Mulroney and Chr tian years In doing so he illuminates how the political conditions for Ottawa s deficit elimination in the 1990s materialized after over 20 consecutive years in the red and how the decline of Canadian Keynesianism has made way for the emergence of politics organized around balanced budgets This important book provides scholars and students of Canadian politics with a new framework by which to understand the adoption of government policy the economic and fiscal legacy of the Mulroney administrations and the emergence of the new politics of the surplus It will be of great interest to those engaged with Canadian politics political economy and public policy as well as to participants in policy processes and the informed public **Populism in Europe and the Americas** Cas Mudde,Cristóbal Rovira Kaltwasser,2012-05-28

Although populism has become something of a buzzword in discussions about politics it tends to be studied by country or region This is the first book to offer a genuine cross regional perspective on populism and its impact on democracy By analyzing current experiences of populism in Europe and the Americas this edited volume convincingly demonstrates that populism can be both a threat and a corrective to democracy The contributors also demonstrate the interesting similarities between right wing and left wing populism both types of populism are prone to defend a political model that is not against democracy per se but rather at odds with liberal democracy *Populism in Europe and the Americas* offers new insights into the current state of democracy from both a theoretical and an empirical point of view *Handbook on Think Tanks in Public Policy* Donald E. Abelson,Christopher J. Rastrick,2021-03-26 This important Handbook is a comprehensive guide to the role

function and perceived impact of policy research oriented institutions in North America Europe and beyond Over 20 international scholars explore the diverse and eclectic world of think tanks to reveal their structure governance and unique position in occupying a critical space on the public policy landscape
