Prevention And Intervention Practice In Post Apartheid South Africa

Mechthild Hart, Miriam Ben-Yoseph

Prevention And Intervention Practice In Post Apartheid South Africa:

Prevention and Intervention Practice in Post-apartheid South Africa Vijé Franchi, 2003 Meet the challenge posed by South African society for community psychology Prevention and Intervention Practice in Post Apartheid South Africa presents theoretical methodological and training frameworks for violence prevention and interventions in oppressed South African communities following the end of apartheid Researchers and practitioners examine psychological practices that empower these communities historically marginalized and lacking in resources to define and transform the sociopolitical and economic conditions that perpetuate the problems risk factors and needs associated with injustice and inequality The book addresses violence prevention in low income communities injury prevention reform non traditional leadership alternatives training procedures and the use of schools as settings for community based prevention Prevention and Intervention Practice in Post Apartheid South Africa strives to extend effective mental health services to all South African citizens broadening the definition and scope of intervention for practitioners who respond to public health needs The book challenges traditional psychological paradigms putting prevention before curative interventions Topics covered include violence prevention in low income communities using case studies to influence injury prevention reform training women for leadership using school as a setting for community based prevention using rapid assessment procedures in training practitioners and much more Prevention and Intervention Practice in Post Apartheid South Africa is an essential resource for health care and helping professionals working to advance new methods of service delivery and new models of mental health practice within the community

Prevention and Intervention Practice in Post-apartheid South Africa Vijé Franchi, Norman Duncan (Professor of psychology), 2003 Table of contents

Community Psychology Anthony Naidoo, Jace Pillay, Brett Bowman, 2007 Book CD Community Psychology contains a rich diversity of insights and critical debates on the key theoretical analytic teaching learning and action approaches in community psychology The book offers an incisive examination of a range of contextual factors that influence the practice of community psychology in South Africa

Prevention and Intervention Practice in Post-apartheid South Africa Vijé Franchi, 2003

Leadership and Organization for Community Prevention and Intervention in Venezuela Maritza Montero, 2013-04-03 Improve decision making skills for community organizations and their leaders from a participatory perspective This book will show you how and why participatory communities come into being and what they can accomplish regardless of the current political climate It also examines leadership and the skills community leaders need to develop to be most effective You ll find ethnographic and psychosocial perspectives on the relationship between families and community organizations leadership interventions designed to facilitate more effective decision making and more all from organizations making a very real difference in a country that has had a strong community work tradition since the 1960s This book presents an essential overview of the dynamics of urban low income communities in Venezuela With examples drawn from organizations designed to help a population that has been

neglected by its government Leadership and Organization for Community Prevention and Intervention in Venezuela is a unique source of inspiration and practical know how The intensive training workshops and restructuring projects documented in this book have proven to be positive and effective tools strengthening Venezuelan communities despite the political unrest that has plagued the country In Leadership and Organization for Community Prevention and Intervention in Venezuela you ll learn how community organizations are providing shelter for people displaced by natural disasters providing essential services when the government can t or won t establishing community leadership roles and helping community leaders to work more effectively transforming the perspectives of community leaders from narcissistic to altruistic and much more With this book you ll examine the interaction between community organization and leadership using the liberating dialogic reflective and conscientization approach developed by Latin American community psychology The book s approach is grounded and realistic It highlights the outcomes of the authors participatory research and action in urban Venezuelan communities focusing on organization participation modes of leadership decision making and meta decision making the moral development and moral dilemmas of community leaders and the interrelationship between family systems and community in Venezuela

Traumatic Stress and Its Aftermath Sandra Lee, 2013-09-13 Explore the aftermath of traumatic stress as it affects various populations including therapists themselves This book will educate you about the aftermath of traumatic stress as it impacts people in a variety of settings It explores the factors that lead to increased or reduced vulnerability to the effects of traumatic stress emphasizing the impact of cumulative multiple trauma rather than the effects of a single traumatic incident to help you design and implement effective prevention and intervention programs The specific populations and groups addressed in this important book include adolescent girls involved in armed conflict in Colombia s guerilla war urban African American youth a theoretical model for risk and resiliency people with strong spiritual religious beliefs how spirituality can affect a person s reaction to traumatic stress women in recovery in a community aftercare shelter female trauma therapists factors affecting vicarious traumatization of helping professionals college students with histories of abuse Providing a framework for understanding traumatic stress related issues based on a variety of methodologies and measures Traumatic Stress and Its Aftermath addresses important questions such as What is the relationship between the experiences of trauma or other stressful life events and subsequent traumatic stress What are the protective factors that can buffer or ameliorate the development of traumatic stress in the face of adverse life experiences trauma or other stressful events How do these questions evolve in different cultural or community contexts and with different populations What are the implications for interventions for community institutions and mental health workers What roles do self esteem and spirituality play in a person s reaction to traumatic stress How do reactions to traumatic stress differ between women who have been sexually abused as children and women who have not From editor Sandra S Lee Contemporary developments in the study of traumatic stress are shifting This book reflects an emphasis on the study of

traumatic stress in normal community cultural or college student populations and groups while other literature has focused on individuals specifically diagnosed with PTSD In addition Traumatic Stress and Its Aftermath Cultural Community and Professional Contexts emphasizes the search for risk and protective factors and factors that can buffer the relationship between trauma exposure and subsequent distress

Empowerment and Participatory Evaluation of Community Interventions Yolanda Suarez-Balcazar, Gary Harper, 2014-01-02 Program evaluations are more relevant when conducted by the people directly involved in the programs and members of the communities they serve Learn how empowerment and participatory evaluation can help community programs deliver more effective services With this book you ll examine theoretical models empirical investigations and case studies that highlight important aspects of empowerment and participatory evaluation in community programs The first half of the book presents frameworks and tools for empowerment and participatory evaluation with an emphasis on transferring skills and building capacity The remaining chapters examine specific efforts to implement empowerment and participatory evaluation with a range of stakeholders highlighting the ways in which community members collaborated with evaluators and were actively engaged in the evaluation process Covering various types of evaluations across a range of urgent social issues this book offers practical steps for implementing evaluations and presents theoretical models as well as applied examples The issues that Empowerment and Participatory Evaluation of Community Interventions addresses include challenges faced by community based organizations in conducting evaluations of their initiatives and solutions to those challenges including the creation and implementation of an appropriate outcomes model ways to build capacity for participatory evaluation within community initiatives ways to promote the success and accountability of community programs how collaborative process evaluation can improve HIV prevention services evaluation techniques that illustrate the benefits of a collaborative approach with a case study of the Conflict Resolution in Schools Programs a pilot study in which empowerment evaluation principles are used to evaluate the American Red Cross of Greater Chicago s Youth Leadership Training Series a program designed to train youth volunteers Presenting important information on program evaluation community based interventions and community empowerment empowerment participatory evaluation community psychology collaborative partnerships program improvement utilization focused evaluation consultation and more Empowerment and Participatory Evaluation of Community Interventions is a resource that everyone involved in community psychology should have

Psychological, Political, and Cultural Meanings of Home Mechthild Hart, Miriam Ben-Yoseph, 2014-07-16 Discover different dimensions of the meaning of home across political cultural and geographic boundaries Psychological Political and Cultural Meanings of Home brings a unique multidisciplinary multicultural approach to address the interconnection of diverse experiences with the meaning of home Filled with useful insights from respected authorities this book shows you that the meaning of home can be incredibly varied especially when viewed in the context of community psychology and social work Explore the multiple facets of the meaning of home and

discover how our personal professional cultural and political background contributes to how we envision or experience home From physical dwellings such as a convent or a prison through political frameworks that confirm or challenge the status quo on through the related meanings of home that cross cultural and geographical boundaries Psychological Political and Cultural Meanings of Home presents an added dimension of what home truly can be You will learn that home is a volatile mix of yearning and loss of being at home or searching for it and that this very mix is the framework that reflects each differing belief With Psychological Political and Cultural Meanings of Home you ll explore the changing meanings of home for Taiwanese employers of foreign domestics under globalization the opportunities and critical success factors for work and career in the home the complexities and restrictions of convent life as home how women detainees in a large urban county jail form altered definitions of home how novelists can give a powerful voice to the homeless by creating an inner image that contains all essential elements of home the cultural constructions surrounding the ambiguous lyrics of Sweet Home Chicago the role of childhood immigration in the construction of self identity the relationship between country of origin and the ability to create a sense of home in other countries and cultures the recreation of home in diverse places by the nomad who carries home as an essential psychological belonging within Psychological Political and Cultural Meanings of Home is a fascinating eye opening book for those in community studies psychology sociology culture studies literature and women s studies **Six Community Psychologists Tell Their Stories** James G Kelly, Anna Song, 2014-07-16 Six Community Psychologists Tell Their Stories History Contexts and Narrative presents the unique opportunity to examine how culture and social norms have combined with chance coincidence and serendipity to form the professional identities of men and women who were among the first generation trained to work in the field of community psychology The book s contributors disciples of those who founded the sub field provide insights into the factors social status family history education social environment cultural events important ideas that furthered their professional development in an emerging field Their stories still works in progress go far beyond facts figures dates and details to document what they ve done with their lives and why Six esteemed community psychologists three men who began their careers as the field was established in the mid 1960s and three women who took part in the increased opportunities available in the 1970s recall how important events and social movements affected them as they fulfilled their personal and professional goals They discuss the effects of family values and styles class ethnic status gender racism anti-Semitism the power of social settings supportive education and work settings and the impact of post World War II government programs on their education including the G I Bill and the establishment of United States Public Health Service fellowships Their stories touch on many common themes including social marginality and sex discrimination making personal discoveries in response to educational experiences the significance of fate and the experience of gaining a new or renewed sense of self through meaningful events occasions and people These Six Community Psychologists Tell Their Stories Dr Jean Ann Linney University of South Carolina whose experiences involve a combination of

idealism supportive contexts and good fortune Dr Julian Rappaport University of Illinois at Urbana Champaign who views himself as an insider outsider whose personal and professional identity crosses traditional boundaries Dr N Dickon Reppucci University of Virginia who became a community psychologist by accident an outgrowth of his involvement with social protest in the 1960s Dr Marybeth Shinn New York University whose story reflects her interest in the social contexts of neighborhoods and community settings Dr Edison J Trickett University of Illinois at Chicago who writes of the life experiences that have influenced both his work and his longtime involvement in folk music Dr Rhona S Weinstein University of California at Berkeley whose work in the dynamics of self fulfilling prophecies in educational settings developed early in her career Insightful commentary on their recollections is provided by two distinguished scholars Henrika Kuklick Science Historian at the University of Pennsylvania and Dan McAdams Professor of Psychology at Northwestern University Six Community Psychologists Tell Their Stories History Contexts and Narrative is a unique resource for community psychologists autobiographical researchers and anyone interested in the history of psychology
