

REGICIDE AND REPUBLICANISM

POLITICS AND ETHICS IN THE ENGLISH REVOLUTION, 1646–1659

Sarah Barber

Regicide And Republicanism

Willibald Steinmetz

Regicide And Republicanism:

Regicide and Republicanism Sarah Barber, 2020-03-31 This study of seventeenth century monarchy suggests that the arguments which were used to attack the potentially absolutist monarchy of Charles I were not all that different from those used against the constitutional monarchy of today The seventeenth century arguments were based on the fiction that the person who fulfilled the office could be distinguished from the office itself Personal morality and behaviour were vital factors in assessing the value of government From 1646 onwards there developed two parallel strands of thought Those who believed in government by laws developed a republican response to the crisis of the 1640s Those who believed that people made laws attacked Charles I rather than the monarchy itself supported the regicide and subsequently approved of the rule of Cromwell

Machiavelli's Liberal Republican Legacy Paul A. Rahe, 2005-11-14 The significance of Machiavelli's political thinking for the development of modern republicanism is a matter of great controversy In this volume a distinguished team of political theorists and historians reassess the evidence examining the character of Machiavelli's own republicanism and charting his influence on Marchamont Nedham James Harrington John Locke Algernon Sidney John Trenchard Thomas Gordon David Hume the Baron de Montesquieu Benjamin Franklin George Washington John Adams Thomas Jefferson James Madison and Alexander Hamilton This work argues that while Machiavelli himself was not liberal he did set the stage for the emergence of liberal republicanism in England By the exponents of commercial society he provided the foundations for a moderation of commonwealth ideology and exercised considerable if circumscribed influence on the statesmen who founded the American Republic Machiavelli's Liberal Republican Legacy will be of great interest to political theorists early modern historians and students of the American political tradition

The Regicides and the Execution of Charles 1 J. Peacey, 2001-10-02 The events surrounding the trial of Charles I have been remarkably understudied by historians despite a wealth of information regarding both the proceedings and personalities involved and contemporary responses and reactions These essays submit one of the most momentous events in English history to rigorous scholarship contextualise it in the light of recent historiography not least regarding relations between the three kingdoms of Britain

Republicanism and Anticlerical Nationalism in Spain E. Sanabria, 2009-03-30 This book analyzes attempts by radical Spanish republicans to construct an anticlerical nationalist vision of Spain focusing in particular on the mass production by the anticlerical industry of newspapers novels poems cartoons posters postcards and plays put out by republican muckrakers journalists and politicians

Republicanism Rachel Hammersley, 2020-09-22 Republicanism is a centuries old political tradition yet its precise meaning has long been contested The term has been used to refer to government in the public interest to regimes administered by a collective body or an elected president and even just to systems embodying the values of liberty and civic virtue But what do we really mean when we talk about republicanism In this new book leading scholar Rachel Hammersley expertly and accessibly introduces this complex but important topic Beginning in the ancient

world she traces the history of republican government in theory and practice across the centuries in Europe and North America concluding with an analysis of republicanism in our contemporary politics She argues that republicanism is a dynamic political language with each new generation of thinkers building on the ideas of their predecessors and adapting them in response to their own circumstances concerns and crises This compelling account of the origins history and potential future of one of the world's most enduring political ideas will be essential reading for anyone with an interest in republicanism from historians and political theorists to politicians and ordinary citizens

European Contexts for English Republicanism Gaby Mahlberg, Dirk Wiemann, 2016-04-22 *European Contexts for English Republicanism* offers new perspectives on early modern English republicanism through its focus on the Continental reception of and engagement with seventeenth century English thinkers and political events Looking both at political ideas and at the people that shaped them the collection examines English republican thought in its wider European context during the later seventeenth and eighteenth century In a number of case studies the contributors assess the different ways in which English republican ideas were not only shaped by the thought of the ancients but also by contemporary authors from all over Europe such as Hugo Grotius or Christoph Besold They demonstrate that English republican thinkers did not only act in dialogue with Continental authors and scholars their ideas in turn also left a long lasting legacy in Europe as they were received transformed and put to new uses by thinkers in France Italy the Netherlands Germany and Poland Far from being an exclusively transatlantic affair as much of the established scholarship suggests English republican thought also left its legacy on the European Continent finding its way into wider debates about the rights and wrongs of the English Civil War and the nature of government while later translations of English republican works also influenced the key thinkers of the French Revolution and the liberals of the nineteenth century Bringing together a range of fresh and original essays by British and European scholars in the field of early modern intellectual history and English studies this collection of essays revises a one sided approach to English republicanism and widens the scope of study beyond linguistic and national boundaries by looking at English republicans and their continental networks and legacy

Republicanism: Volume 1, Republicanism and Constitutionalism in Early Modern Europe Martin van Gelderen, Quentin Skinner, 2002-11-21 These volumes are the fruits of a major European Science Foundation project and offer the first comprehensive study of republicanism as a shared European heritage Whilst previous research has mainly focused on Atlantic traditions of republicanism Professors Skinner and van Gelderen have assembled an internationally distinguished set of contributors whose studies highlight the richness and diversity of European traditions Volume I focuses on the importance of anti monarchism in Europe and analyses the relationship between citizenship and civic humanism concluding with studies of the relationship between constitutionalism and republicanism in the period between 1500 and 1800 Volume II first published in 2002 is devoted to the study of key republican values such as liberty virtue politeness and toleration This volume also addresses the role of women in European republican traditions and contains

a number of in depth studies of the relationship between republicanism and the rise of a commercial society in early modern Europe

The Force of Comparison Willibald Steinmetz, 2019-09-01 In an era defined by daily polls institutional rankings and other forms of social quantification it can be easy to forget that comparison has a long historical lineage Presenting a range of multidisciplinary perspectives this volume investigates the concepts and practices of comparison from the early modern period to the present Each chapter demonstrates how comparison has helped to drive the seemingly irresistible dynamism of the modern world exploring how comparatively minded assessors determine their units of analysis the criteria they select or ignore and just who it is that makes use of these comparisons and to what ends *Selling Cromwell's Wars*

Nicole Greenspan, 2015-10-06 Greenspan examines a selection of Cromwell's conflicts policies and imperial ventures to explore the ways in which the media was instrumental in developing promoting and legitimizing government actions The Political Bible in Early Modern England

Kevin Killeen, 2017 This book explores the Bible as a political document in seventeenth century England revealing how it provided a key language of political debate

While this might not be the Regicide And Republicanism full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Regicide And Republicanism eBooks, including some popular titles.

FAQs About Regicide And Republicanism Books

What is a Regicide And Republicanism PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Regicide And Republicanism PDF?** There are several ways to create a PDF: Use software

like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Regicide And Republicanism PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Regicide And Republicanism PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Regicide And Republicanism PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
