Rehabilitation Issues Problems And Prospects In Boot Camp:

Rehabilitation Issues, Problems, and Prospects in Boot Camp Brent Benda, Nathaniel J. Pallone, 2013-04-03 Boot camps what are their effects on criminal behavior Public and political support for boot camps as alternative correctional facilities has rarely faltered since their inception decades ago though their efficacy remains uncertain Rehabilitation Issues Problems and Prospects in Boot Camp explores all facets of the controversial issue from the attitudes and perceptions of the public to the political motivations in maintaining them on to the latest research on the camps and their graduates Respected authorities discuss boot camps effectiveness on diverse groups according to age gender race and correctional facility Cost factors between boot camps and other correctional institutions are compared along with the latest criminal recidivism data Boot camps provide inmates with an uncomfortable paramilitary style environment with an eye toward shorter incarceration time lower costs and more positive effects on criminal behavior Does this correctional model work as anticipated Rehabilitation Issues Problems and Prospects in Boot Camp gives you the facts revealing the public and political arguments for and against boot camps as well as the research on the theoretical predictors of criminal recidivism and the differing attitudes of attendees toward the facilities according to gender and race Critical policy issues are identified and discussed in depth with particular emphasis given to the positive and negative aspects of rehabilitation possibilities of boot camps Helpful tables clearly illustrate statistics while extensive references provide opportunities for further insight Rehabilitation Issues Problems and Prospects in Boot Camp explores questions such as criminal recidivism what are the theoretical predictors what effect does gender have on criminal recidivism what is the effect of this hypermasculine paramilitary prison environment have on males and females what are the differences between Native American and non Native American perceptions of boot camp is the perceived severity of boot camp different for gender what is the process for policymaking in creating and maintaining boot camps what role does politics play in the continuation of boot camps what corrections to boot camp facilities should be made based upon evidence and research Rehabilitation Issues Problems and Prospects in Boot Camp is a thorough examination of the social and political issues about boot camps that makes essential reading for educators students sociologists criminologists psychologists counselors and criminal justice professionals **Rehabilitation Issues, Problems, and Prospects in Boot Camp** ,2011 **Routledge Handbook of Corrections in the United States** O. Hayden Griffin III, Vanessa H. Woodward, 2017-09-01 The Routledge Handbook of Corrections in the United States brings together original contributions from leading scholars in criminology and criminal justice that provide an in depth state of the art look at the most important topics in corrections The book discusses the foundations of corrections in the United States philosophical issues that have guided historical movements in corrections different types of punishment and supervision trends in incarceration issues affecting race ethnicity and special populations in corrections and a variety of other emerging issues This book scrutinizes innovative community programs as well as more traditional sanctions and exposes the key issues

and debates surrounding the correctional process in the United States Among other important topics selections address the inherent discrimination within the system special issues surrounding certain populations and the utilization of the death penalty as the ultimate punishment This book serves as an essential reference for academicians and practitioners working in corrections and related agencies as well as for students taking courses in criminal justice criminology and related subjects

The Punitive Turn in American Life Michael S. Sherry,2020-10-29 In 1965 President Lyndon Johnson insisted that the policeman is the frontline soldier in our war against crime and police forces arms makers policy makers and crime experts heeded this call to arms bringing weapons and practices from the arena of war back home The Punitive Turn in American Life offers a political and cultural history of the ways in which punishment and surveillance have moved to the center of American life and become imbued with militarized language and policies Michael S Sherry argues that by the 1990s the war on crime had been successfully broadcast to millions of Americans at an enormous cost to those arrested imprisoned or killed and to the social fabric of the nation and that the currents of vengeance that ran through the punitive turn underwriting torture at home and abroad found a new voice with the election of Donald J Trump By 2020 the connections between war fighting and crime fighting remained powerful evident in campaigns against undocumented immigrants and the militarized police response to the nationwide uprisings after George Floyd s murder Stoked by forever war the punitive turn endured even as it met fiercer resistance From the racist system of mass incarceration and the militarization of criminal justice to gated communities public schools patrolled by police and armies of private security Sherry chronicles the United States slide into becoming a meaner punishment obsessed nation

Women Who Perpetrate Relationship Violence Frederick Buttell,Michelle Mohr Carney,2014-06-03 Find out what drives women to violence in their intimate relationshipsand how to prevent it Women Who Perpetrate Relationship Violence examines the causes and consequences of violence initiated by women against their partners This unique book fills the void of available literature on domestically violent women taking a frank look at the issues surrounding female batterers who are the primary aggressors in their intimate relationships Contributors write candidly about the similarities and differences between violent women and violent men how to develop effective interventions existing theories on the development of abusive behavior in women and society s response to violent women The counseling and psychological community has responded to the problem of domestic abuse and violence against women But very little has been done to address the issues of domestic abuse and violence committed by women Women Who Perpetrate Relationship Violence presents innovative original research that focuses specifically on women as offenders rather than simply adapting programs created for male batterers to women The book includes epidemiological studies secondary analyses personality profiles and a study of women entering a 16 week court mandated batterer intervention program BIP Women Who Perpetrate Relationship Violence examines predictors of intimate violence including antisocial criminal records alcohol abuse and personality disorders associations between interpersonal dependency and violence elevated histrionic narcissistic and compulsive personality traits personality disorders lethal domestic assaults recidivism differences in demographic and psychological variables between women who complete treatment programs and those who drop out and much more Women Who Perpetrate Relationship Violence is an invaluable professional resource for psychologists social workers and counselors

Encyclopedia of Social Problems Vincent N. Parrillo,2008-05-22 Social problems affect everyone Because so many actual and potential problems confront us it is often difficult to decide which ones affect us most severely Is it the threat of death or injury during a terrorist attack Is it the threat caused by industrial pollution that may poison us or destroy our physical environment Or does quiet but viciously damaging gender age class racial or ethnic discrimination have the most far reaching effect Do the problems of cities affect us if we live in the suburbs Do poorer nations problems with overpopulation affect our quality of life The

Encyclopedia of Social Problems offers an interdisciplinary perspective into many social issues that are a continuing concern in our lives whether we confront them on a personal local regional national or global level With more than 600 entries these two volumes cover all of the major theories approaches and contemporary issues in social problems and also provide insight into how social conditions get defined as social problems and the ways different people and organizations view and try to solve them Key Features Provides as comprehensive an approach as possible to this multifaceted field by using experts and scholars from 19 disciplines anthropology biology business chemistry communications criminal justice demography economics education environmental studies geography health history languages political science psychology social work sociology and women s studies Presents a truly international effort with contributors from 17 countries Argentina Australia Canada England France Germany Greece Hong Kong India Ireland Italy Kenya New Zealand Romania Scotland Turkey and the United States Addresses social problems that are fairly new such as computer crimes and identity theft and others that are centuries old such as poverty and prostitution Examines social problems differently from place to place and from one era to another Explains the perspectives and foundations of various social theories and offers different lenses to view the same reality Key Themes Aging and the Life Course Community Culture and Change Crime and Deviance Economics and Work Education Family Gender Inequality and Sexual Orientation Health Housing and Urbanization Politics Power and War Population and Environment Poverty and Social Class Race and Ethnic Relations Social Movements Social Theory Substance Abuse Readers investigating virtually any social problem will find a rich treasure of information and insights in this reference work making it a must have resource for any academic library Imprisoning Communities Todd R. Clear,2009-03-27 In the first detailed empirical exploration of the effects of mass incarceration on poor places Imprisoning Communities demonstrates that in high doses incarceration contributes to the very social problems it is intended to solve it breaks up family and social networks deprives siblings spouses and parents of emotional and financial support and threatens the economic and political infrastructure of already struggling neighborhoods Especially at risk are children who research shows are more likely to commit a crime if a father or brother has been to prison Clear makes the counterintuitive point that when incarceration concentrates at high levels crime rates will go up Removal in other words has exactly the opposite of its intended effect it destabilizes the community thus further reducing public safety **Program Evaluation** Emil J. Posavac,2015-07-22 Comprehensive yet accessible this text provides a practical introduction to the skills attitudes and methods required to assess the worth and value of human services offered in public and private organizations in a wide range of fields Students are introduced to the need for such activities the methods for carrying out evaluations and the essential steps in organizing findings into reports The text focuses on the work of people who are closely associated with the service to be evaluated and is designed to help program planners developers and evaluators to work with program staff members who might be threatened by program evaluation
