Rehearsals For Armageddon Number 1:

15 Minutes L. Douglas Keeney, 2011-02-01 Packed with startling revelations this inside look at the secret side of the Cold War exposes just how close America came to total annihilation During the Cold War a flight crew had 15 minutes to get their nuke laden plane in the air from the moment Soviet bombers were detected 15 minutes between the earliest warning of an incoming nuclear strike and the first flash of an enemy warhead This is the chilling true story of the incredibly risky steps our military took to protect us from that scenario including Over two thousand loaded bombers that crossed American skies They sometimes crashed and at least nine times resulted in nuclear weapons being accidentally dropped A system that would use timers and rockets to launch missiles even after everyone was dead Disastrous atmospheric nuclear testing including the horrific runaway bomb that fooled scientists and put thousands of men in uniform in the center of a cloud of hot fallout A plan to use dry lake beds to rebuild and launch a fighting force in the aftermath of nuclear war Based on formerly classified documents military records press accounts interviews and over 10 years of research 15 Minutes is one of the most important works on the atom bomb ever written

ARMAGEDDON's SONG 1 'STAND - TO' ANDY FARMAN, 2014-07-03 Volume 1 of a 5 Volume story the best selling Armageddon s Song series now with map illustrations Did the Cold War really end No matter it is about to get hot anyway Espionage subterfuge corruption in high places and a nuclear plot are uncovered by a beautiful spy more used to shedding her clothes to discover secrets than she is of keeping them Will duty bind her to silence or will conscience win her over Stand To is the first book in the Armageddon s Song series and it puts you in the seat of a Sea Harrier dog fighting over the Pacific in the control room of a submarine during a torpedo attack in the Atlantic looking down the sights of a sniper rifle on the north German Plain and at the side of a Russian paratrooper General who leads from the front Encompassing not just a story from a US point of view but also through the eyes and deeds of the other combatants on both sides of the conflict

A Colossal Failure of Common Sense Lawrence G. McDonald, Patrick Robinson, 2010-10-12 One of the biggest questions of the financial crisis has not been answered until now What happened at Lehman Brothers and why was it allowed to fail with aftershocks that rocked the global economy In this news making often astonishing book a former Lehman Brothers Vice President gives us the straight answers right from the belly of the beast In A Colossal Failure of Common Sense Larry McDonald a Wall Street insider reveals the culture and unspoken rules of the game like no book has ever done The book is couched in the very human story of Larry McDonald s Horatio Alger like rise from a Massachusetts gateway to nowhere housing project to the New York headquarters of Lehman Brothers home of one of the world s toughest trading floors We get a close up view of the participants in the Lehman collapse especially those who saw it coming with a helpless angry certainty We meet the Brahmins at the top whose reckless pedal to the floor addiction to growth finally demolished the nation s oldest investment bank The Wall Street we encounter here is a ruthless place where brilliance arrogance ambition greed capacity for relentless toil and other human traits combine in a potent mix that sometimes fuels

prosperity but occasionally destroys it The full significance of the dissolution of Lehman Brothers remains to be measured But this much is certain it was a devastating blow to America s and the world s financial system And it need not have happened This is the story of why it did **The Life of Field Marshal Lord Roberts** Rodney Atwood,2014-11-20 This biography of Field Marshal Lord Roberts charts a remarkable life that spanned the apogee of the British Empire During a diverse career Roberts won the Victoria Cross planned the strategic defence of India turned the tide of war in South Africa introduced army reform and campaigned for National Service before 1914 Rodney Atwood explores his military career in particular his role as a tactician and strategist in Afghanistan Burma the North West frontier South Africa and Europe but also looks at Roberts as a symbol of Empire and explores his celebration in British culture *Books in Print Supplement* ,1984 *Books in Print* ,1982 **Once Human** Steve Tomasula,2013 A stunning new collection of stories by a master fictionist Once Human shows the ways to go beyond standard maps of simple understanding A manga artist who is afraid that she herself is slipping into a cartoon version of life a lab technician who makes art with the cloning technology she uses at work a sociologist hunting for the gene that makes some people want to take risks these are some of the characters that populate the stories in Once Human Exploring the spaces where life is shaped by science and the technologies we bring into being Steve Tomasula s characters often find that the harder they look at the world the less they can say The map that emerges from these stories charts the territory of human longing and the failure of poetry science and technology to explain the why of the world if not its how **Dramatics** ,2003 Not Normal, Illinois Michael Martone,2009-08-26 Do Midwesterners have a peculiar way of looking at the world Is there something not quite right about the way they see things For such a normal place the heartland has produced some writers who take a most individual approach to storytelling And the result to the delight of readers everywhere has been stories that reveal the mystery joy and enchantment in the most ordinary and incidental moments of life These 33 exceptional tales showcase the peculiarly wonderful vision of some of the region s best known or soon to be celebrated writers Each invites its readers to see the world through different eyes and see it anew **Secondary School Theatre Journal** ,1976
