

Reining In

Claire Lilley

Reining In:

Reining in the State Katherine A. Scott, 2013-03-01 Presidents Lyndon Johnson and Richard Nixon dramatically expanded the federal government's domestic security apparatus to cope with social unrest that rocked their administrations. By the mid 1970s the Justice Department and Army maintained some 400 databanks containing nearly 200 million files on supposedly subversive individuals and organizations. Katherine Scott chronicles the subsequent public response to that government action: a determined citizens' movement to rein in the state. She details the efforts of a group of unheralded heroes who battled to reinvigorate judicial, legislative, and civic oversight of the executive branch in order to curtail and prevent future abuses by government agencies. Working closely with allies in Congress, they challenged state power, instituted open government policies, and protected individual privacy rights. Scott has assembled a cast of characters with compelling stories: Russ Wiggins of the Washington Post who organized a citizens campaign for government transparency; Representative John Moss who called attention to government censorship; ACLU Director Aryeh Neier who created a legal strategy for judicial oversight of executive branch security measures; Senator Sam Ervin, a civil libertarian who demanded greater oversight of the executive branch; and Morton Halperin, a former NSC staff member who called attention to the gross constitutional violations of the nation's top security agencies. Rejecting the agendas and methods of both the radical left and the antigovernment right, these progressive reformers sought to bring the American state in line with democratic practice. When Army Captain Christopher Pyle blew the whistle on the U.S. Army's domestic surveillance program, reformers had evidence of illegal domestic spying that they had long suspected but could not confirm. Scott explores how his action united liberals and conservatives to end such abuses. She also assesses how Watergate prompted broad debate in the public sphere about the problems of executive power, the need for greater transparency in domestic security policy, and greater oversight of the activities of the FBI and CIA. These reformers' efforts bore fruit with the passage of a series of major legislative reforms, including the 1974 Freedom of Information Act, revisions to the 1974 Privacy Act, the 1976 Government in Sunshine Act, and the 1978 Foreign Intelligence Surveillance Act. Now that government surveillance of citizens has returned to public consciousness in the wake of 9/11, Scott's stirring account reminds us that power still resides with the people.

Reining in Murder Leigh Hearon, 2016-03-29 When horse trainer Annie Carson rescues a beautiful thoroughbred from a roadside rollover, she knows the horse is lucky to be alive, unlike the driver. After rehabilitating the injured animal at her Carson Stables ranch, Annie delivers the horse to Hilda Colbert, the thoroughbred's neurotic and controlling owner, only to find she's been permanently put out to pasture. Two deaths in three days is unheard of in the small Olympic Peninsula county, and Annie decides to start sniffing around. She's confident she can track down a killer, but she may not know how ruthless this killer really is. Praise for Leigh Hearon: Here's a new heroine after my own heart. Plan to stay up all night with this one because this mystery is a winner right out of the gate. Fern Michaels, 1 New York Times bestselling author on *Reining in Murder*. This

strikingly polished first mystery is quite simply remarkable Reining in Murder has it all rounded characters likeable protagonist thrilling perfectly paced plot and impeccable narrative style Leigh Hearon masterfully maintains the suspense to the very finish line Mystery Scene Magazine on Reining in Murder Leigh Hearon seems destined for high marks with what is shaping up to be a delightful new series in the mystery genre Colorado Daily News on Reining in Murder This murder mystery will be enjoyed by anyone who likes chewing hay and wearing riding boots Fresh Fiction on Reining in Murder The action packed scenes are stellar as well as the descriptions of the gorgeous and dangerous Washington wilderness This third in the series presents a unique heroine one whose devotion to horses is as admirable as her wit and intelligence Kings River Life Magazine on Unbridled Murder

Reining in the Imperial Presidency United States. Congress. House. Committee on the Judiciary. Majority Staff, 2009 Documents the various abuses that occurred during the Bush Admin relating to the House Judiciary Committee s review and jurisdiction and to develop a comprehensive set of recommendations to prevent the recurrence of these or similar abuses in the future Contents Preface Deconstructing the Imperial Presidency which describes and critiques the key war power memos that gave rise to the concept of broad based unreviewable and secret presidential powers in time of war Also describes specific abuses of the Imperial Presidency relating to Judiciary Comm inquiries Includes a comprehensive set of 47 policy recommendations designed to respond to the abuses and excesses of the Bush Imperial Presidency

Reining In the Billionaire Dani Wade, 2017-02-01 An instant billionaire wants payback and more in this really amazing second chance revenge story you will want to enjoy it over and over Harlequin Junkie Mason Harrington grew up as a rough and tumble stable boy But a shocking inheritance enables him and his brother to return to their hometown and settle some scores First on the agenda take over the elite horse farm belonging to the woman who once broke Mason s heart when her daddy said he wasn t good enough Despite Mason s motives EvaMarie Hyatt has no choice but to stay on at the ranch and work for him Soon it becomes clear Mason wants more than revenge Even more surprising EvaMarie s willingness to succumb But will new misunderstandings derail their renewed passion or will this second chance lead to forever

Reining in the Competition for Capital Ann R. Markusen, 2007

Lungeing, Long-Reining and In-Hand Schooling Claire Lilley, 2017-05-31 Schooling the horse is not just about riding many problems or misunderstandings between horse and rider can and should be sorted out on the ground before attempting to ride at all This book explains how to school your horse from the ground starting with fundamental techniques and gives progressive exercises to work through It explains the importance of stretching work how to establish a correct outline and how to build strength and suppleness Remedial work is also included to improve crookedness unbalance and stiffness for example Also covered is the use of training aids where necessary and schooling over ground poles and cavaletti as well as jumping the horse on the lunge Observing your horse working without a rider gives you valuable insight as to the correctness of his paces how his muscle development can be improved and his general attitude and willingness When your horse is moving beautifully on his own there is no reason why

he cannot do the same with you in the saddle **Manual for Noncommissioned Officers and Privates of Field Artillery of the Army of the United States 1917** United States. War Department, 1917 **Manual for Noncommissioned Officers and Privates of Field Artillery of the Army of the United States** United States. War Department, 1918 *Andy Grove* Richard S. Tedlow, 2007 Brilliant brave and willing to defy conventional wisdom Andy Grove the CEO of Intel during its years of explosive growth is on the shortlist of America's most admired businesspeople Grove gave Tedlow unprecedented access to his private papers along with wide ranging interviews and access to friends and key business associates The result is not just a life story but a fascinating analysis of how Grove attacks problems Born a Hungarian Jew in 1936 Andr s Istv n Gr f survived the Nazis only to face the Soviet invasion of his country He fled to America at age twenty studied engineering and arrived in Silicon Valley just in time to become the third employee of Intel As talented as he was as an engineer Grove became an even better manager Tedlow shows us exactly how the penniless immigrant taught himself to lead a major corporation through some of the toughest challenges in the history of business From publisher description **The Digital Economy and Competition Law in Asia** Steven Van Uytsel, 2021-05-06 The digital economy broadly defined as the economy operating on the basis of interconnectivity between people and businesses has gradually spread over the world Although a global phenomenon the digital economy plays out in local economic political and regulatory contexts The problems thus created by the digital economy may be approached differently depending on the context This edited collection brings together leading scholars based in Asia to detail how their respective jurisdictions respond to the competition law problems evolving out of the deployment of the digital economy This book is timely because it will show to what extent new competition law regimes or those with a history of lax enforcement can respond to these new developments in the economy Academics in law and business strategies with an interest in competition law both in Asia and more broadly will find the insights in this edited collection invaluable Further this volume will be a key resource for scholars practitioners and students
