Implement proven integrative treatments for various diseases thanks to an evidence based therapeutic approach. Weigh the likely effectiveness of various treatments vs their potential harm with helpful icons based on the SORT Strength of Recommendation Taxonomy method. Validate potential interventions through the latest research in genomics and advanced imaging technologies such as MRI. *Heal Thyself* Pieter De Wet, 2010-06-29 With our health care system at its breaking point it is incumbent upon each of us to learn how to better take care of ourselves. Is it conceivable that disease is a blessing not a curse a biological solution to internal imbalances created by unresolved inner conflicts lifestyle environmental toxins and infectious agents. Author and doctor Pieter J De Wet sheds new light on why and how you get sick and guides you through the most critical steps on how to gain your health back in *Heal Thyself Transform Your Life Transform Your Health*. Every patient should read this book in order to gain optimum health. *Heal Thyself* helps even the novice patient understand how most illnesses actually develop and how the patient can take responsibility for their own recovery using safe effective noninvasive techniques. William Lee Cowden MD MD H By understanding the purpose of disease and its root causes the solutions become readily apparent. Follow Dr De Wet's twelve week plan and let *Heal Thyself* empower you to embrace these solutions and no longer feel that you are at the mercy of unpredictable and devastating scourges. [The Faceless Goddess](#) Brenda L. Aranda Martinez, 2016-12-15 Within everyone's personal story is the presence of the Divine making Itself known. In *The Faceless Goddess Dreams Fantasies and Visions of a Feminine Nature* the author tells the story of her own life experiences which is really a personal journey in

search for the Divine in her own life As a child and an adolescent the author is not aware that the journey is taking place As an adult though she begins to realize that something extraordinary is taking place when she begins to ask questions such as Who am I and What purpose and meaning does life hold for me Over time and with much introspection through dreams fantasies and visions as well as with her work with the archetypes the author begins to realize that her search for the Divine is really a search for her True Self She also discovers that by finding her True Self she will also find the purpose and meaning to the life she is living Eventually she comes to the conclusion that life itself is an expression of the Divine in the living world And that humans experiences are a living testimony that the Sacred and the Divine are ever present in the world around them and within their very being
