Reinventing The Cuban Sugar Agroindustry:

Reinventing the Cuban Sugar Agroindustry Jorge F. Pérez-López, Jose Alvarez, 2005-01-01 The demise of the international socialist community led to a loss in preferential markets for Cuban sugar industry In response to the current crisis this volume gathers over a dozen recognized world experts on Cuban agroindustry to analyze specific topics and make recommendations that would reinvent the industry for effective transition to a free market environment **Reinventing the**

Cuban Sugar Agroindustry Jorge F. Pérez-López, Jose Alvarez, 2005 One of the key issues that faces Cuban policymakers today and will continue to face them is what steps to take in order to ensure the future of the sugar industry In 2002 nearly one half of the country s cultivated land was occupied by the 156 fully functional sugar mills more than a dozen plants and refineries and the complex transportation infrastructure brought about by the commerce The loss of preferential markets for Cuban sugar that arose from the demise of the international socialist community constitutes a crisis that the Cuban government has only begun to address with a radical restructuring plan that would foresee the reduction of sugar land and the elimination of about 100 000 jobs for increased economic emphasis on tourism The radical premise of this volume is that there is a future in the twenty first century for a reinvented Cuban sugar agroindustry responsive to market signals organized around smaller and more agile production units producing raw sugar as well as high value added outputs and using some of the facilities to produce ethanol and generate electricity The editors have asked over a dozen recognized world experts on Cuban agroindustry to analyze specific topics and make recommendations that would not only reinvent an industry for effective transition to a free market environment but that has the potential to reinvigorate the Cuban economy providing employment opportunities and generating wealth for generations of Cubans to come **Reinventing the Cuban**

Sugar Agroindustry Jorge F. Pérez-López, Jose Alvarez, 2005 The editors have gathered more than a dozen recognized world experts on the Cuban agroindustry to analyze specific topics and make recommendations which not only reinvent an industry for effective transition to a free market environment but also may reinvigorate the Cuban economy providing employment opportunities and generating wealth for generations of Cubans to come BOOK JACKET **Cuba** Jorge

Salazar-Carrillo, 2017-09-29 This book is a study of Cuba s economic development under communism over the last fifty five years The authors find that Cuba s socioeconomic development has gone backward since the Cuban Revolution in 1959 The authors conclude that Fidel Castro s revolution has been an economic disaster for Cuba The book first outlines Cuba s economic position prior to the revolution It reviews Cuba s rankings with respect to Gross Domestic Product GDP per capita in the 1950s and examines the strength of pre Castro Cuba s foreign reserves and the health of its monetary system It also presents pre Castro Cuba s investments in health care and education and documents the island s development potential in the 1950s The last few chapters describe the precipitous decline in all of these areas of Cuba s economy under Castro Despite the socioeconomic catastrophe of the Castro years the authors envision a post Castro Cuba where this book can

provide a benchmark to measure the developmental success that the Cuban work ethic and entrepreneurial spirit can generate in a free market system *Cuban Studies* 37 Louis A. Pérez, 2006-10-17 *Cuban Studies* has been published annually by the University of Pittsburgh Press since 1985 Founded in 1970 it is the preeminent journal for scholarly work on Cuba Each volume includes articles in both English and Spanish a large book review section and an exhaustive compilation of recent works in the field Widely praised for its interdisciplinary approach and trenchant analysis of an array of topics each volume features the best scholarship in the humanities and social sciences *Cuban Studies* 37 includes articles on environmental law economics African influence in music irreverent humor in postrevolutionary fiction international education flow between the United States and Cuba and poetry among others Beginning with volume 34 2003 the publication is available electronically through Project MUSE an award winning online database of full text scholarly journals More information can be found at http://muse.jhu.edu/publishers/pitt_press *Cuba's Energy Future* Jonathan Benjamin-Alvarado, 2010-11-01 Approaching an uncertain future without Fidel Castro and still reeling from a downturn at the end of the cold war Cuba must act decisively to improve its economy and living conditions One of the major challenges facing the impoverished island nation is securing access to energy resources that are sufficient to meet the needs of its revitalization and development goals What steps can Cuba take to achieve both short and long term energy sustainability and self sufficiency In this timely analysis Jonathan Benjamin Alvarado and his colleagues answer that question *Cuba's Energy Future* sets the geostrategic context within which Cuba is operating The book provides an overview of the evolving relations among Caribbean states and explains why Cuba and its longtime nemesis the United States should look for ways to cooperate on developing energy resources The possible role of oil companies is explored as is Cuba's energy relationship with Hugo Chavez's Venezuela The second section of *Cuba's Energy Future* features economic and technical appraisals economic projections and trends affecting Cuba's energy needs including oil and natural gas potential the country's antiquated electric power sector and the role of biofuels such as sugarcane ethanol The concluding section focuses on the conditions necessary for and the mutual benefits of greater cooperative engagement with the United States Contributors Juan A B Belt Chemonics International formerly USAID Jonathan Benjamin Alvarado University of Nebraska Omaha and University of Georgia Amy Myers Jaffe Rice University Jorge R Piñ Florida International University Ronald Soligo Rice University *Handbook of Contemporary Cuba* Mauricio A. presents economic models and forecasts as well as analyses of the recent pivotal Sixth Congress of the Communist Party of Cuba For students scholars and experts in government it is a vital addition to any collection on Latin American studies or global politics

That Infernal Little Cuban Republic Lars Schoultz,2011-02-01 Lars Schoultz offers a comprehensive chronicle of U S policy toward the Cuban Revolution Using a rich array of documents and firsthand interviews with U S and Cuban officials he tells the story of the attempts and failures of ten U S administrations to end the Cuban Revolution He concludes that despite the overwhelming advantage in size and power that the United States enjoys over its neighbor the Cubans historical insistence on their right to self determination has been a constant thorn in the side of American administrations influenced both U S domestic politics and foreign policy on a much larger stage and resulted in a freeze in diplomatic relations of unprecedented longevity

Embedding Agricultural Commodities Willem van Schendel,2016-06-17 Over the past 500 years westerners have turned into avid consumers of colonial products and various production systems in the Americas Africa and Asia have adapted to serve the new markets that opened up in the wake of the European encounter The effects of these transformations for the long term development of these societies are fiercely contested How can we use historical source material to pinpoint this social change This volume presents six different examples from countries in which commodities were embedded in existing production systems tobacco coffee sugar and indigo in Indonesia India and Cuba to shed light on this key process in human history To demonstrate the effectiveness of using different types of source material each contributor presents a micro study based on a different type of historical source a diary a petition a mail report a review a scientific study and a survey As a result the volume offers insights into how historians use their source material to construct narratives about the past and offers introductions to trajectories of agricultural commodity production as well as much new information about the social struggles surrounding them

Itineraries of Expertise Andra B. Chastain,Timothy W. Lorek,2020-03-10 Itineraries of Expertise contends that experts and expertise played fundamental roles in the Latin American Cold War While traditional Cold War histories of the region have examined diplomatic intelligence and military operations and more recent studies have probed the cultural dimensions of the conflict the experts who constitute the focus of this volume escaped these categories Although they often portrayed themselves as removed from politics their work contributed to the key geopolitical agendas of the day The paths traveled by the experts in this volume not only traversed Latin America and connected Latin America to the Global North they also stretch traditional chronologies of the Latin American Cold War to show how local experts in the early twentieth century laid the foundation for post World War II development projects and how Cold War knowledge of science technology and the environment continues to impact our world today These essays unite environmental history and the history of science and technology to argue for the importance of expertise in the Latin American Cold War
