Release the Angel from Within Mari C. Hill,2002-10-01      *A Message for the Soul of Man* John D. Powers,2010-07 One of the most unanswered questions in the world today is why Why did God create this universe and everything in it Why did God create the angels and every soul Why does God want each soul to join him in heaven In *A Message for the Soul of Man* author John D Powers answers these and other questions relating to our souls our creation and our life s purpose After receiving a message from God many years ago Powers researched Bible scripture to validate this important communication Now Powers shares the full message he received and the implications it carries for the souls of mankind God wants a personal relationship with us and he wants every soul to be saved Through thought provoking discussion and testimony *A Message for the Soul of Man* refreshes our knowledge about God ourselves and the world it helps assess where we are in relation to the world and its development Powers describes how we are called to examine ourselves learn about our soul and discover our purpose in life We have the power and the choice to determine what will happen to our immortal soul after death This title received a Finalist Award in the 2011 International Book Awards      **Prophecy the Missing Dimension of Healing, the Healing Power of Angels Karma of the Nations** Elizabeth Clare Prophet,1988-03      **Holy Graduel** Christine J. Haven,2007-04-01

*Graduel* is a French word meaning gradual To seek the Holy Graduel is to seek for self discovery a symbol for self improvement for enlightenment and spiritual power The perfection and development on ones human spirit and is a great challenge for anyone to find This is the true life story of David A Haven and his quest to find God      An Angel's Heart Raven Gregory,2020-08-07 Home and hearth were not the life Rhea dreamed of She longed for adventure and sights beyond her little village where everything stayed the same Enlisted as a healer and light bearer by the goddess herself Rhea said goodbye to all she had ever known and set off to find her place in the world When a dark and dangerous force threatens to bring down all that Rhea holds dear she must rise above and fight Magic matters of the heart and a little help from a vampire that struggles to hold on to his humanity will be the foundation Rhea needs to face the world s greatest evil Before she can take on the demon king that threatens her very existence she must first face the demons she keeps locked deep down inside herself she must unleash her inner power and learn to trust her heart Love will conquer all if she can only find it within herself to let go of the past and learn to be loved for who she really is      *New-York Observer* ,1908      **Scribner's**

**Monthly, an Illustrated Magazine for the People** ,1916      **Angels, Mysteries, and Miracles** Bruce G Epperly,2017-08-14 There is a tendency among modern Christians to avoid comment on the idea of miracles or mysterious events that might indicate the direct intervention of God There is an even more pronounced belief that modern liberal or progressive Christians will avoid these ideas A God who is distant the source of everything is acceptable but the idea of supernatural activity is embarrassing at best There is virtually no room for theological discussions of angels demons and paranormal experiences Bruce Epperly is a process theologian and a leading thinker in progressive Christian theology and he

believes we need to take another look at God and God's involvement in the universe in which we live. Rather than finding ways to defend the intrusive interventions of a distant supernatural God in the traditional sense of the word miracle, Bruce sees God as closer so close in fact that God is part of all events. God providentially acts in all things, not in terms of outside intervention but through ongoing natural interactions that change our lives and the world. Join Dr. Bruce Epperly as he explores a world of wonders in which God is uncomfortably and comfortingly subtly and actively present. *Gods and Mortals: Nine Urban Fantasy & Paranormal Romance Novels Featuring Thor, Loki, Greek Gods, Native American Spirits, Vampires, Werewolves, & More*.
