Release Your Inner Bitch, 1998* **New Books on Women and Feminism**, 2005 *The Little Inspiration Book*
Deb, 2002 The Little Inspiration Book is filled with practical and doable suggestions to help women make the most of each moment and each day Kristine Carlson author of Don't Sweat the Small Stuff for Women *The Creation of Anne Boleyn*
Susan Bordo, 2013-04-09 This illuminating history examines the life and many legends of the 16th century Queen who was executed by her husband King Henry VIII Part biography part cultural history The Creation of Anne Boleyn is a fascinating reconstruction of Anne's life and a revealing look at her afterlife in the popular imagination Why is her story so compelling Why has she inspired such extreme reactions Was she the flaxen haired martyr of Romantic paintings or the raven haired seductress of twenty first century portrayals Answer neither But the most provocative question of all concerns Anne's death How could Henry order the execution of a once beloved wife Drawing on scholarship and critical analysis Bordo probes the complexities of one of history's most infamous relationships She then demonstrates how generations of polemicists biographers novelists and filmmakers have imagined and re imagined Anne whose martyr cautionary tale proto mean girl feminist icon and everything in between In The Creation of Anne Boleyn Bordo steps off the well trodden paths of Tudoriana to tease out the human being behind the competing mythologies paintings and on screen portrayals *Beauty Bites Beast*
Ellen Snortland, 1998 Looks at how family religion history news and entertainment keep women thinking they are defenseless Snortland contends that women are capable of defending themselves and their loved ones if they learn how She argues that is not the female's size it is her culturally induced ignorance that makes her think she is helpless Snortland offers a clarion call to all women to wake up and take charge of their own self defense both verbal and physical and celebrates women and kids who fought back Adapted from publisher description **Release Your Inner Bitch** Rose Stadler, 2004-11-01 This book was written in an effort to show how to identify faults in defensive alignment and with the use of audibles the means to attack those weaknesses instantaneously Using the veer offense as a basis it illustrates a simple progression system that any quarterback can follow and any teammate can understand This revolutionary system gives an intelligent advantage to offensive play calling It offers an offensive scheme that has been cultivated over time and invites cognitive involvement by each team member When players walk to the line they approach it with a certain intellectual awareness and the confidence in knowing that whatever play is called it will have a great opportunity for success It gives players ownership keeps them mentally aware and most importantly it makes the game fun It was a lot of fun exploiting the defense T Reads was a great weapon because the defense really never knew what we were doing Greg Aylsworth All State Quarterback It's an amazing system for high school athletes It was so nice to have the decision making process in the hands of the players It was awesome Brian Maurer All State Quarterback Calling the play after the defense is set is a huge advantage It's like being able to see in the future It was so much fun Tom Hollenbeck All State Quarterback **Woman Up!** Aimee Cohen, 2018-10-01 For women
