Relentless Pursuit The Dss And The Manhunt For The Al Qaeda Terrorists:

Relentless Pursuit Samuel M. Katz, 2003-09-13 Al Qaeda's war on America did not start on September 11 2001 Just ask the Diplomatic Security Service It was on February 6 1993 that the United States was first attacked on its own soil by foreign terrorists A zealous band of Middle Easterners holy warriors determined to punish the United States for its supposed transgressions against Islam packed over a ton of home made explosives into the back of a rented van They drove their bomb across the Hudson from New Jersey maneuvered it through downtown traffic and parked it in the underground garage at the Vista Hotel beneath the twin towers of the World Trade Center They lit a long fuse which allowed them time to get back to New Jersey to watch the results of the explosion on CNN They hoped to topple one mammoth tower into the other and kill ten thousand people or more Miraculously only six people were killed Most of the group were captured within a week but the mastermind behind the attack Ramzi Ahmed Yousef had immediately gone to JFK airport to fly to Pakistan Before leaving he phoned the Associated Press and claimed responsibility for the bombing in the name of the Arab Liberation Army a terrorist group led by Saudi exile Osama bin Laden A succession of such brazen crimes has revealed complex connections among terrorist groups with an implacable hostility toward Western civilization Outrages such as the assassination of the Jewish Defense League founder Meier Kahane a huge plot in the Philippines to plant bombs on intercontinental airlines and to assassinate the Pope the bombing of US embassies culminating in the African embassy bombings of 1998 the attack on the USS Cole in 1999 and the devastating attack on the World Trade Center in 2001 have made it clear that a worldwide network of terrorists led by Osama bin Laden is making war on the United States On the front lines combating these terrorists in 150 countries around the world have been the 1 200 agents of the US Department of State's Diplomatic Security Service A little known but highly effective branch of the government the DSS is the one arm of federal law enforcement with international powers of arrest These agents maintain close ties to local police commanders in many countries and can entice informants with bounties of up to 4 000 000 After a challenging international search it was DSS agents in Pakistan who captured Ramzi Yousef DSS agents have been in the vanguard of the War on Terrorism long before it was declared In *Relentless Pursuit* Samuel Katz review the escalating series of terrorist attacks on the United States during the last decade including those in many foreign countries and finally in New York and Washington In the process he tells the gripping story of the DSS and its agents protecting us and our representatives here and abroad Katz's detailed personal on the ground anecdotes bring home the contexts and linkages of the War on Terrorism that has been fought on our behalf by the DSS since the 1980s *Relentless Pursuit* is a stirring tribute to an unsung group of brave Americans *The DSS and the Manhunt for the Al-Qaeda Terrorists* Samuel M. Katz, 2005-06 Al Qaeda's war on America did not start on 9 11 On Feb 26 93 the U S was first attacked on its own soil by foreign terrorists A band of holy warriors packed a ton of explosives into a rented van parked it in the underground garage beneath the World Trade Center They killed 6 people wounded over 1 000 Most of the group were captured within a

week but the mastermind Ramzi Ahmed Yousef got away The U S Dept of State s Diplomatic Security Serv DSS finally captured him in Pakistan This book reviews the escalating series of terrorist attacks on the U S after that attack incl those in many foreign countries finally in the N Y at the Pentagon tells the gripping story of the DSS its agents protecting us our rep here abroad **Studies in Intelligence** ,2003 **The Enemy of My Enemy** George Michael,2006 In the violent world of radical extremists the enemy of my enemy is my friend This study reveals how that precept plays out in the unexpected bonding between militant Islam and the extreme right in America and Europe It provides an insightful and sane look at the possibilities for collaboration between these groups **Lone Wolf Terror and the Rise of Leaderless Resistance** George Michael,2021-04-30 On July 22 2011 Anders Behring Breivik detonated a car bomb in downtown Oslo Norway He didn t stop there traveling several hours from the city to ambush a youth camp while the rest of Norway was distracted by his earlier attack That s where the facts end But what motivated him Did he have help staging the attacks The evidence suggests a startling truth that this was the work of one man pursuing a mission he was convinced was just If Breivik did indeed act alone he wouldn t be the first Timothy McVeigh bombed a federal building in Oklahoma City based essentially on his own motivations Eric Robert Rudolph embarked on a campaign of terror over several years including the Centennial Park bombing at the 1996 Olympics Ted Kaczynski was revealed to be the Unabomber that same year And these are only the most notable examples As George Michael demonstrates in Lone Wolf Terror and the Rise of Leaderless Resistance they are not isolated cases Rather they represent the new way warfare will be conducted in the twenty first century Lone Wolf Terror investigates the motivations of numerous political and ideological elements such as right wing individuals ecoextremists foreign jihadists and even quasi governmental entities In all these cases those carrying out destructive acts operate as lone wolves and small cells with little or no connection to formal organizations Ultimately Michael suggests that leaderless resistance has become the most common tactical approach of political terrorists in the West and elsewhere *Detained* Daniel Livermore,2018-10-08 After the terrorist attacks of September 11 2001 Canadian agencies willingly collaborated in the War on Terror launched by the United States to destroy Al Qaeda This partnership went seriously astray however amid a series of fundamental errors by Canadian agencies and their misplaced trust in American willingness to abide by both international and US laws against torture As a result numerous Canadian citizens and residents were illicitly detained abroad and subjected to suffering and mistreatment In *Detained* Daniel Livermore analyzes the emergence of Islamic fundamentalist extremism and its Canadian implications including the erroneous investigations that targeted Canadians and led to their detentions in Syria Egypt Pakistan Libya Tunisia and Sudan Scrutinizing the most prominent cases he details the role of Canadian agencies in the imprisonments and relates how subsequent court cases brought the situations to light resulting in settlements and apologies to Ahmad Abou El Maati Abdullah Almalki and Maher Arar among others Drawing on his experience in Canada s foreign ministry Livermore explains how an essentially misguided War on Terror emerged and how
