Religion A Humanist Interpretation:

Religion: A Humanist Interpretation Raymond Firth, 2013-04-15 Treats religion as a human art capable of great intellectual and artistic achievements

Religion and Politics in America Frank J. Smith, 2016-07-11 There has always been an intricate relationship between religion and politics This encyclopedia provides a comprehensive overview of the interrelation of religion and politics from colonial days to the present Can a judge display the Ten Commandments outside of the courthouse Can a town set up a nativity scene on the village green during Christmas Should U S currency bear the In God We Trust motto Should public school students be allowed to form bible study groups Controversies about the separation of church and state the proper use of religious imagery in public space and the role of religious beliefs in public education are constantly debated This work offers insights into contemporary controversies regarding the uneasy intersections of religion and politics in America Organized alphabetically the entries place each topic in its proper historical context to help readers fully grasp how religious beliefs have always existed side by side and often clashed with political ideals in the United States from the time of the colonies The information is presented in an unbiased manner that favors no particular religious background or political inclination This work shows that politics and religion have always had an impact on one another and have done so in many ways that will likely surprise modern students

Understand Philosophy Of Religion: Teach Yourself (McGraw-Hill Edition) Mel Thompson, 2010-05-28 This book is for anyone wanting to understand what religion is really about Exploring all the key principles upon which religion is based and setting out the arguments for and against belief in a clear accessible style it examines religion against current issues such as terrorism evolution and our multi cultural society NOT GOT MUCH TIME One five and ten minute introductions to key principles to get you started AUTHOR INSIGHTS Lots of instant help with common problems and quick tips for success based on the author s many years of experience TEST YOURSELF Tests in the book and online to keep track of your progress EXTEND YOUR KNOWLEDGE Extra online articles at www.teachyourself.com to give you a richer understanding of psychology FIVE THINGS TO REMEMBER Quick refreshers to help you remember the key facts TRY THIS Innovative exercises illustrate what you ve learnt and how to use it

The Study of Religion and its Meaning J.E. Barnhart, 2011-11-21 Since its founding by Jacques Waardenburg in 1971 Religion and Reason has been a leading forum for contributions on theories theoretical issues and agendas related to the phenomenon and the study of religion Topics include among others category formation comparison ethnophilosophy hermeneutics methodology myth phenomenology philosophy of science scientific atheism structuralism and theories of religion From time to time the series publishes volumes that map the state of the art and the history of the discipline The Korean Tradition of Religion, Society, and Ethics Chai-sik Chung, 2016-11-10 By making Korea a central part of comparative history of East Asian religion and society this book traces the evolution of Korean religion from the oldest representation to that of the current day by utilizing wide ranging interdisciplinary and comparative resources This book presents a holistic

view of the enduring religious tradition of Korea and its cultural and social significance within the wider horizons of modern and globalizing changes Reflecting nearly five decades of the author's work on the subject it presents an understanding of the main current in Korean religion and social thought throughout history It then goes on to examine discourses on values and morality involving the relationship between religion and society in particular the human meaning of economy and society which is one of the most central and practical problems in the contemporary world with global relevance beyond Korea and Asia Addressing the overview of the Korean religious tradition in the context of its impact on the making of modern society and economy this book will appeal to students and scholars of Religious Studies Korean Studies and Asian Studies **The Insider/Outsider Problem in the Study of Religion** Russell T. McCutcheon, 1999-01-07 Thirty classic and contemporary readings from such writers as Kant Hume Schleiermacher and Otto to Ninian Smart Mircea Eliade Karen McCarthy Brown and Wendy Doniger **Religion in the Media: A Linguistic Analysis** Salman Al-Azami, 2016-08-30 This ground breaking book takes an interdisciplinary approach to language religion and media using an audience response study In this book the author investigates how the three Abrahamic faiths Christianity Judaism and Islam are represented in mainstream British media and analyses how members of each religious group and those with no religion receive those representations Employing Critical Discourse Analysis Al Azami considers the way the media use their power of language to influence the audience's perceptions of the three religions through newspaper articles television documentaries and television dramas Chapter 3 presents the results of an original investigation into the responses of members of the three religious groups and those with no religion when exposed to those same media materials The author applies the encoding decoding model and also considers people's views in face to face interactions compared to comments on online newspapers Comprehensive in its analysis this book will be of interest to students of Linguistics Media Studies Religious Studies and Journalism **The Praeger Handbook of Religion and Education in the United States** James C. Carper, Thomas C. Hunt, 2009-03-05 Ten Commandments displays prayer at football games Bible in the curriculum vouchers for tuition at religious schools Pledge of Allegiance wall of separation between church and state among other hot button issues at the intersection of religion and education generate a great deal of heat but often light is sorely lacking The Praeger Handbook of Religion and Education in the United States provides a unique source of light to educators religious leaders journalists policy makers parents and the general public as well as a useful resource for scholars interested in the impact of religion on the origins development and current shape of the American educational landscape Following an introductory essay that surveys the relationship of religion to elementary and secondary education from the 1600s to the present this set offers 175 entries written by more than 40 scholars with national reputations that cover a wide range of topics related to religion and education both in the past and the present These jargon free entries are cross referenced and provide suggestions for further reading Readers who want to know what is behind the heat in current debates will find entries on United States Supreme Court decisions on

religion and education current controversies regarding religion in the public schools religious legal and educational associations involved in these controversies religion and the curriculum religious schools individuals and movements that have affected the role of religion in education and religion and education developments in the eighteenth and nineteenth centuries This one of a kind set also includes a convenient table summarizing all of the religious liberty decisions of the Supreme Court from 1815 to the present The Politics of Religion and the Religion of Politics Ira Sharkansky,2000-01-01 Prominent political theorist Ira Sharkansky looks at the intersection of religion and politics using the case of Israel where a chief rabbi officiates along with a prime minister to examine how the two inform each other Focusing more on similarities than differences Sharkansky demonstrates that both religion and politics can justify their position on the moral high ground Both are involved in shaping our values and standard of living however neither religion nor politics can claim a monopoly of virtue Political demagogues have their religious equivalents in self serving prophets and false messiahs and politicians and religious leaders both may violate the morality that they preach Sharkansky examines the place of intellectual certainty doubt charisma and passion in both realms He argues that Israel among other Western democracies where politics and religion intersect supports a successful fusion of the two Marxism, Religion and Ideology David Bates,Iain MacKenzie,Sean Sayers,2015-10-05 As austerity measures are put into place the world over and global restructuring is acknowledged by all as an attempt to bolster the economic system that lead to the crash there is a great need to come to grips with the economic political and philosophical legacy of Marx Of particular interest are Marx s analyses of alienation and the cycles of boom and bust thought to be integral to the functioning of capitalism Moreover as the Cold War drifts into the history books it is possible to reconsider the lasting impact of Marx s analyses without the shadows cast by the Soviet version of communism Equally though scholars are increasingly turning to Marx for insight into the rise of religion and the corresponding demise of political ideologies that seems to mark the contemporary age Are we witnessing the return of Marx Few scholars have done as much to tease out the intricacies of Marx ideology and religion and their overlapping concerns as the eminent writer and Marx biographer Professor David McLellan This book brings together a group of internationally renowned academics to reflect upon develop and criticise McLellan s analyses of these three themes with a view to contributing more broadly to scholarly debates in these fields This exciting and timely analysis will be of interest to scholars of political theory the history of political thought including historical methodology Marx and Marxism sociology of knowledge particularly in relation to discussions of ideology religion and theology more widely
