A Weekend to Change Your Life Joan Anderson,2006-04-04 New York Times bestselling author Joan Anderson gives women practical advice and inspiration for building creative independent and fulfilling lives through discovering who they truly are and who they can be Like Julia Cameron's The Artist's Way Joan Anderson's bestselling A Year by the Sea revealed a far larger than expected constituency in the form of thousands of women struggling to realize their full potential After years

of focusing on the needs of others as a wife and mother Anderson devoted a year to rediscovering herself and reinvigorating her dreams The questions she asked herself and the insights she gained became the core of the popular weekend workshops Anderson developed to help women figure out how after being all things to all people they can finally become what they need to be for themselves A Weekend to Change Your Life brings Anderson s techniques to women everywhere providing a step by step path readers can follow at their own pace Drawing on her own life and on the experiences of the women she meets at her workshops Anderson shows women how to move beyond the roles they play in relationship to others and reclaim their individuality Through illustrations and gentle instruction she illuminates the rewards of nurturing long neglected talents revitalizing plans sacrificed to the demands of family life and redefining oneself by embracing new possibilities Wake Up Sister It s Your Turn A full life requires cultivation The minute we take our hands off the plow fail to reseed forget to fertilize we ve lost our crop And yet most women I know while in the service of some greater good have let their very lives wilt on the vine Having been taught the fine art of accommodation most of us have developed a knack for selfless behavior We ve dulled our personal lives while propping up everyone else s and we re no longer able even to imagine having any sort of adventure romance meaning or purpose for ourselves In short we ve gotten way off track and taken the wrong road to self satisfaction foolishly thinking that after all of the doing giving trying and overworking someone will offer us a reward But Prince Charming was a bad joke and all the fairy godmothers are dead Instead of happy ever after most of us end up with the ache We wake up each day with an inner gnawing a hunger for more a craving for an overhaul but we are too listless tired or depressed to do anything about it We have spent the greater part of our lives pouring ourselves out like a pitcher No wonder we feel so empty But we lack the necessary energy a helpful roadmap and any type of guidance and support Well it s time to change all of that From A Weekend to Change Your Life
