Servant Leadership Models for Your Parish Dan R. Ebener, 2010 *Servant Leadership Models for Your Parish* explores the practice of servant leadership in a church context. It presents seven behaviors practiced by leaders and members in high performing parishes and provides real life examples of these practices. The unique contribution of this work to the national discussion about parish life and leadership is its description of servant leadership and its explanation of how it works in a parish. This work suggests that parish life can be viewed in light of business principles such as the organizational behaviors of leaders and members in a Christian parish and religious teaching particularly the message of Jesus who taught leaders to be servants and members to be disciples. Intended for pastors and parish leaders, pastoral associates and deacons, parish staff and lay members of parishes who are interested in leadership, it is sure to be indispensable reading for anyone who is interested in changing or improving the leadership, the activities and the culture of their parish.

Thomas Merton John Eudes Bamberger, 2020-02-21 Like Bernard of Clairvaux whose last act was to leave his cloister to mediate successfully between two nobles and prevent bloodshed, Thomas Merton found in the monastic life of prayer a source of strength, empathy and understanding. To understand Merton, one must first know him as a Prophet of Monastic renewal. John Eudes Bamberger entered Gethsemani Abbey in 1950, having earned an MD from the University of Cincinnati the previous year and done his internship at Georgetown University Hospital. A student of Thomas Merton from 1952-1955, he worked with Merton after his ordination in 1956 in screening applicants to the abbey. He served as abbot of the Abbey of the Genesee in New York state from 1971 until 2001. Since returning from a term as superior in the Philippines, he lives in a hermitage at Genesee.
