DRIVEN TO DISTRACTION Judith Duncan,2011-07-15 ROMANTIC TRADITIONS A younger man A WALK ON THE WILD SIDE Passing your fortieth birthday didn t mean you had to go off the deep end did it But there was no other explanation for the fact that usually sane single mother Maggie Burrows couldn t keep her thoughts or her hands off a man who was nearly ten years younger than she was Of course Tony Parnelli was drop dead gorgeous with a body that could melt the most sedate woman right down to her sensible shoes But he was black leather and motorcycles and she was mortgage payments and nine to five Still the tension between them could light up the sky if only Maggie dared to believe in Tony and herself *MURPHY'S CHILD* Judith Duncan,2011-07-15 FAMILIES ARE FOREVER MORNING NOON AND NIGHT Murphy Munroe was shocked to realize that he wanted to be with his tiny precious son around the clock Bedtime stories midnight feedings Murphy couldn t bear to miss a single moment with his child or its mother That was the problem Murphy desperately longed to take care of Jordan Kennedy and the baby forever But they couldn t make their relationship work before parenthood complicated things How could they even think about marriage now Then again how could they not Happily ever after with kids *Who's the Boss?* Linda Turner,1996 *Who s The Boss* by Linda Turner released on May 25 1995 is available now for purchase **Tears of the Shaman** Rebecca Daniels,1995-05-25 *Tears Of The Shaman* by Rebecca Daniels released on May 25 1995 is available now for purchase **Marriage of Agreement** Judith Duncan,2000 *Marriage Of Agreement* by Judith Duncan released on Nov 24 1999 is available now for purchase **For Mercy's Sake** Nancy Gideon,1995-04-24 *For Mercy s Sake* by Nancy Gideon released on Apr 24 1995 is available now for purchase **So Little Time** Doreen Roberts,1995 *So Little Time* by Doreen Roberts released on May 25 1995 is available now for purchase Fire

Senate From October 1, 2007 to March 31, 2008, Part 1, 110-2 Senate Document 110-15 ,2008 Sisters, Mothers,
Daughters: Pentecostal Perspectives on Violence against Women ,2022-06-13 This volume explores issues and themes related
to violence against women It is distinctive in two ways First the editors have convened an international cohort of contributing
scholars whose assessment of the pervasiveness and urgency of the problems and their proposals for solutions derives from
their pneumatology their theology of the Holy Spirit Second this book represents quite simply the first sustained effort to
bring together in one volume Pentecostal voices from a variety of academic disciplines ecclesial traditions and cultural
situations to address the urgent issues associated with violence toward women *Flying Boat* Ivan Spring,1995 **Across**
the Great Divide Rhys Davies,Christopher Townsend,Alexandra Trott,2014-10-21 There's nothing pure about modernism
For all the later critical emphasis upon medium specificity modernist artists in their own times revel in the exchange of
motifs and tropes from one kind of art to another they revel in staging events where different media play crucial roles
alongside each other where different media interfere with each other to spark new and surprising experiences for their
audiences This intermediality and multi media activity is the subject of this important collection of essays The authoritative
contributions cover the full historical span of modernism from its emergence in the early twentieth century to its after shocks
in the 1960s Studies include Futurism's struggle to create an art of noise for the modern age the radical experiments with
poetry painting and ballet staged in Paris in the early 1920s the relationship of poetry to painting in the work of a neglected
Catalan artist in the 1930s the importance of architecture to new conceptions of performance in 1960s Happenings and the
complex exchange between film music and sadomasochism that characterises Andy Warhol's Exploding Plastic Inevitable
Landscapes of Conflict William G. Robbins,2009-11-23 Post World War II Oregon was a place of optimism and growth a
spectacular natural region from ocean to high desert that seemingly provided opportunity in abundance With the passing of
time however Oregon's citizens rural and urban would find themselves entangled in issues that they had little experience in
resolving The same trees that provided income to timber corporations small mill owners loggers and many small towns in
Oregon also provided a dramatic landscape and a home to creatures at risk The rivers whose harnessing created power for

industries that helped sustain Oregon's growth and were dumping grounds for municipal and industrial wastes also provided passageways to spawning grounds for fish domestic water sources and recreational space for everyday Oregonians The story of Oregon's accommodation to these divergent interests is a divisive story between those interested in economic growth and perceived stability and citizens concerned with exercising good stewardship towards the state's natural resources and preserving the state's livability In his second volume of Oregon's environmental history William Robbins addresses efforts by individuals and groups within and outside the state to resolve these conflicts Among the people who have had roles in this process journalists and politicians Richard Neuberger and Tom McCall left substantial legacies and demonstrated the ambiguities inherent in the issues they confronted **Australian National Bibliography** ,1996-12
