## Return Of The Millenium:

The Return Elbert D. Charpie, 2014-05-09 Whether you call it the return of Christ the Second Coming or the Rapture there has been so much debate over the centuries about what the Bible teaches Many have concluded the subject of Jesus return is too complicated or too confusing to understand One reader said Reading The Return was my light bulb moment Although God s master pieces can be complicated His past present and future master plan for His creation is quite simple and easy to understand The Return grips you with an almost unbelievable and detailed story of Christ s return then shines the light on what the Bible says rather than trusting the blind to lead the blind God is not the author of confusion So why have we been so confused for so long Until now Begins with a story of how the return of Christ could happen and then explains the scriptures and compares the different views of Christ s return *The Post Millennial Return* Norman B. Willis, 2009-01-04 This study will be replaced by Revelation and the End Times It contains good research but the conclusions will change in the Revelation study **The Redeemer's Return** Arthur Walkington Pink, 1918 **The Fathers on the Future: A 2nd-Century Eschatology for the 21st-Century Church** Michael J. Svigel, 2024-11-05 Dive into the classic eschatology of Irenaeus of Lyons with The Fathers on the Future as you unpack key truths untangle misunderstandings and get a deeper understanding of this balanced and biblically sound end times framework Many today with an interest in the end times face a problem they have forgotten the past Knowing the history of eschatology is key to understanding its importance how we interpret our faith and our outlook on God and humanity So why do so many overlook it and what can we do to correct this The Fathers on the Future uses a thorough exegetical and theological analysis to defend the foundation and structure of the second century premillennial futurist eschatology of Irenaeus of Lyons and other church fathers It makes a case for a contemporary Irenaeian premillennial eschatology arguing that it is a reliable framework for a biblically defensible theologically balanced and historically informed eschatology The Fathers on the Future includes these key features Restores historical perspective Recovers the forgotten roots of early Christian eschatology emphasizing the teachings of Irenaeus of Lyons and other church fathers Biblically grounded framework Offers a well supported case for a biblically defensible premillennial eschatology balancing theology and history Clarifies and corrects Clarifies complex aspects of early eschatology strengthens key theological points and corrects missteps Fresh yet ancient approach Presents an eschatological perspective that is new to modern readers but deeply rooted in ancient Christian traditions The Fathers on the Future begins with the belief that Irenaeus and other early church fathers represented a widespread and well developed eschatology inherited from those who were close associates of the apostles It then explores some of features of that early eschatology clarifying obscure points strengthening some elements and correcting a few missteps By looking back to Irenaeus and the eschatological emphases of his age this book provides a new approach to eschatology today new to contemporary readers but ancient in its original perspective *A People Ready for the Return of Jesus* Emilio B. Knechtle, Charles J. Sohlmann, 1997

**Rightly Dividing the Bible Volume One** David E Walker,2018-01-10 An extensive yet simple and easy to read book about how to properly interpret the Bible Dr Walker has dedicated his time and effort in thorough research and answers most questions about dispensations and dispensationalism Upon reading these volumes the reader will find himself not only well informed but also with a great wealth of reference material for future use Dr David Peacock Pastor Bible Believers Baptist Jacksonville Florida GET THE BACKGROUND The excuse that there are so many interpretations of the Bible is exposed with a clear concise defining of biblical terms using the Bible itself to define those terms DISCOVER THE HISTORY Learn about the men manuscripts and movements that have shaped views of Bible interpretation Find out who really believed the Bible and those who merely used the Bible to support their opinions UNLOCK THE PROPHECIES Many prophecies are unraveled and shown how they relate to the return of Christ the church and the nation of Israel      **The Sola Scriptura Challenge**

Brian E. Barnes,2022-12-01 Before it was written there were a wide variety of views about the end of time held across different Jewish movements Historically there have been four main methods of interpretation in both Judaism and Christianity of which we see all on display in the New Testament The controversy around interpretation of prophecy existed in the days of Jesus led some to reject Christ was not resolved by the Protestant Reformers and still divides our churches today This book looks at how we got here and proposes a way we should all move forward together Using only the Scriptures the sola scriptura approach challenges us to understand what the original audience of the letter from John would have understood By identifying singularities and parallels within the book built from years of research and verse by verse exegetical study we will see how it is the fulfillment of the hopes and expectations of the Hebrew prophets and the early church      **Revelations of the End** Dr. Robert "Andy" Gowins,2025-02-05 Revelations of the End A Fresh Look at an Ancient Eschatology is not a traditional chapter and verse breakdown of the major themes of the New Testament book of Revelation It is however an eschatological commentary that utilizes the framework of the book of Revelation to revisit the traditional and orthodox end time teachings of the church for most of its history The book attempts to address the eschatological expectations of the early first century church for whom this apocalyptic and prophetic letter was originally written It seeks to explain the Old Testament eschatological expectations through the structure of New Testament eschatological revelations as expressed through the letter of Revelation This eschatological commentary is an attempt to revisit the biblical historical and orthodox teachings of the church concerning matters of the last days      **Proceedings of the ... Convention ...**

Lutheran Church--Missouri Synod. English District,1912      *Proceedings of the ... Convention of the English District of the Synod of Missouri, Ohio, and Other States* Evangelical Lutheran Synod of Missouri, Ohio, and Other States. English District,1912

*Foundations of Faith* Robert O. Wahl,Dr Robert Wahl,2006 This book builds a solid basis for understanding the heart of the Christian faith through 30 weekly sessions about establishing a foundation in Christ      **Renewal Theology** J. Rodman Williams,2011-05-03 Renewal Theology deals with the full range of Christian truth from within the charismatic tradition

Previously published as three separate volumes *Renewal Theology* represents the first exhaustive balanced articulation of charismatic theology. *Renewal Theology* discusses Book One God the World and Redemption Book Two Salvation the Holy Spirit and Christian Living Book Three The Church the Kingdom and Last Things. As theology this work is an intellectual achievement. But it is much more than that. The author urges the church to undertake its task of theology in the proper spirit: an attitude of prayer, a deepening sense of reverence, an ever increasing purity of heart, a spirit of growing love, a theological approach rooted in the glory of God. Done in such a spirit, theology becomes a faithful and powerful witness to the living God.

*Dispensational Truth, Or God's Plan and Purpose in the Ages* Clarence Larkin, 2010-07-01. The Reverend Clarence Larkin was one of the most widely influential pop theologians of the early twentieth century; his works are the source of many of the prophecies and truths end times Christians hold to even today. This stupendous 1918 book, perhaps his greatest work, is the result of more than 30 years' worth of the author's careful and patient study of the Prophetic Scriptures. Fully illustrated by charts describing God's plan for humanity, *Dispensational Truth* covers Pre-Millennialism, the Second Coming of Christ, the present evil world, the Satanic trinity, the world's seven great crises, prophetic chronology, the threefold nature of man, the Book of Revelation, five fingers pointing to Christ, the False Prophet, and much more. American Baptist pastor and author CLARENCE LARKIN (1850-1924) was born in Pennsylvania and later set up his ministry there. He wrote extensively and popularly on a wide range of Biblical and theological matters.

**Nelson's New Illustrated Bible Commentary** Thomas Nelson, 1999-05-13. A comprehensive verse-by-verse commentary for lay Bible students, fully highlighted by articles, maps, charts, and illustrations, all in one volume. Clear and Comprehensive Annotations by leading evangelical scholars don't dodge tough issues; alternative views are presented fairly, but commentators make their positions clear. Attractively Designed Graphics appeal to the sound bite generation and others who aren't traditional commentary readers. Interesting and Revealing. Hundreds of feature articles that provide additional information or new perspectives on a topic related to Bible background. Visually Appealing. Maps, drawings, and photos illuminate the commentary and visualize important information.

*A Faith of Your Own* Ronald J. Allen, 2010-01-25. A faith should be a living thing. What we believe necessarily evolves in response to insights into the Bible, to questions or doubts we face, to changes in life circumstances, or to things that happen in the larger world. Nevertheless, Christians often find it helpful to identify what they can most fully believe at a given moment. Such clarity empowers the present and leads us toward the future. Such moments can also be mile markers by which we measure our faith journey. In each chapter, the first section lists the most common ways a certain topic is understood in the Bible. The second section identifies important ways the church has interpreted that topic since the Bible's inception. The third section introduces contemporary perspectives. With that foundational knowledge, readers can make a judgment as to which viewpoints seem more or less persuasive to them personally. Finally, each chapter ends with questions for reflection for individuals or small groups.
