Return to Bull Run John J. Hennessy, 2014-10-30 This comprehensively researched well written book represents the definitive account of Robert E Lee's triumph over Union leader John Pope in the summer of 1862 Lee's strategic skills and the capabilities of his principal subordinates James Longstreet and Stonewall Jackson brought the Confederates onto the field of Second Manassas at the right places and times against a Union army that knew how to fight but not yet how to win Publishers Weekly

The Second Manassas Campaign Caroline E. Janney, Kathryn J. Shively, 2025-04-01 Waged from June 26 to September 1 1862 the Second Manassas campaign pitted the US Armies of Virginia and the Potomac against the Confederate Army of Northern Virginia and its new commander Robert E Lee The campaign unfolded against a backdrop of momentous US political decisions regarding confiscation emancipation and Confederate civilians These decisions dismayed and energized Confederates sparking the debut of Lee's offensive strategy Weeks of strategic movements were punctuated by savage fighting that culminated in a climactic battle on August 28-30 Second Manassas destroyed the careers of US army commander John Pope and corps commander Fitz John Porter Despite the dramatic impact of the campaign it is often forgotten in the larger history of the Civil War and sorely understudied The essays in this volume provide valuable attention to strategy tactics and logistics the performances of key commanders on each side the campaign's political dimensions the connections between home front and battlefield and the memory of the campaign's aftermath Contributors include Keith S Bohannon Gary W Gallagher John J Hennessy Peter C Luebke James Marten William Marvel and Cecily Zander

John Pope - Failure At Second Battle Of Bull Run LCDR Daniel B. Morio USN, 2015-11-06 Was the failure of the Army of Virginia at the Second Battle of Bull Run a result of General John Pope being a failure as a leader or were there other circumstances that helped him in his loss General Pope had a long career in the Army that to the Second Battle of Bull Run had gone well Pope had distinguished himself in the Mexican American War and had done well early on in the western theater of operations during the Civil War With his assumption of command in northern Virginia Pope entered a realm in which he was unfamiliar not welcomed by the troops he led and out of his league with regards to the Confederate leaders arrayed against him Pope's paranoia regarding commanders who had come from General George McClellan's Army of the Potomac resulted in a lack of trust in first hand accounts from senior officers as well as intelligence presented This lack of trust resulted in his disregarding the fact that General Lee and Longstreet had moved 25 000 Confederate soldiers through Thoroughfare Gap and combined forces with General Jackson and deployed them along the right flank of Jackson's forces and perpendicular to

Pope's force This force then proceeded to assail the Union flank to nearly disastrous proportions The fog of war has clouded the judgment of many generals throughout history and Pope was no exception The fog of war negatively affected his imagination and ability to think critically throughout the battle *Crossroads of Freedom* James M. McPherson, 2004

Carman, Thomas Clemens, 2017-02-15 The Battle of Shepherdstown and the End of the Campaign is the third and final volume of Ezra Carman's magisterial The Maryland Campaign of September 1862 As bloody and horrific as the battle of Antietam was historian Ezra Carman who penned a 1 800 page manuscript on the Maryland campaign did not believe it was the decisive battle of the campaign Generals Robert E Lee and George B McClellan intended to continue fighting after Sharpsburg but the battle of Shepherdstown Ford September 19 and 20 forced them to abandon their goals and end the campaign Carman was one of the few who gave this smaller engagement its due importance detailing the disaster that befell the 118th Pennsylvania Infantry and Maj Gen A P Hill's success in repulsing the Union advance and the often overlooked foray of Jeb Stuart's cavalry to seize the Potomac River ford at Williamsport Carman also added a statistical study of the casualties in the various battles of the entire Maryland Campaign and covered Lincoln's decision to relieve McClellan of command on November 7 He also explored the relations between President Lincoln and General McClellan before and after the Maryland Campaign which he appended to his original manuscript The before section a thorough examination of the controversy about McClellan's role in the aftermath of Second Manassas campaign will surprise some and discomfort others and includes an interesting narrative about McClellan's reluctance to commit General Franklin's corps to aid Maj Gen John Pope's army at Manassas Carman concludes with an executive summary of the entire campaign Dr Clemens concludes Carman's invaluable narrative with a bibliographical dictionary and genealogical goldmine of the soldiers politicians and diplomats who had an impact on shaping Carman's manuscript While many names will be familiar to readers others upon whom Carman relied for creating his campaign narrative are as obscure to us today as they were during the war The Maryland Campaign of September 1862 Vol III The Battle of Shepherdstown and the End of the Campaign concludes the most comprehensive and detailed account of the campaign ever produced Jammed with firsthand accounts personal anecdotes detailed footnotes maps and photos this long awaited study will be appreciated as Civil War history at its finest

conviction can be more important than the conviction itself and he practiced a politics of expedience espousing popular beliefs but never defining beliefs of his own A leader in the new Republican party he developed a reputation as a compelling orator and a politician with a bright future At the onset of the Civil War Lincoln appointed Banks a major general and as Hollandsworth shows the same pretext of conviction that served Banks so well in politics proved disastrous on the battlefield He suffered resounding defeats in the 1862 Shenandoah Valley Campaign the Battle of Cedar Mountain and the Red River Campaign Illuminating the personal characteristics that stalled the promise of Banks s early political career and contributed to his dismal record as a commanding officer Hollandsworth demonstrates how Banks s obsessive pretense of glory prevented him from achieving its reality American Civil War Spencer C. Steven E Woodworth tells the story of what many regard as the defining event in United States history While covering all theaters of war he emphasizes the importance of action in the region between the Appalachians and the Mississippi River in determining its outcome Woodworth argues that the Civil War had a distinct purpose that was understood by most of its participants it was primarily a conflict over the issue of slavery The soldiers who filled the ranks of the armies on both sides knew what they were fighting for The outcome of the war after its beginnings at Fort Sumter to the Confederate surrender four years later was the result of the actions and decisions made by those soldiers and millions of other Americans Written in clear and compelling fashion This Great Struggle is their story and ours *A Handbook of American Military History* Jerry K.
