Blessed Are the Poor in Spirit Evangelist John Henry Manigo,2015-08-21 One book or three books My main interesting

is to help deaf hard of hearing hearing people understand the Word of God and to apply to their own life with God's help. It also gives us as well to the hearing people who need encouragement help and inspire in the Word of God and that the Word of God is for them to receive His Word by faith. My main reason of writing the Trinity is to show the example of God Jesus and the Holy Spirit as one and believe that God is One. I also write Trinity for various reasons and put down Bible verses to help match the Old Testament and New Testament that speak the same thing to show them the Bible in fact is real. God's Word is very real. I write the main points because I have heard in the past about their belief their teaching their faith in God and I am willing to write down what they say and that the Bible has all the answer to our need and purpose. I have studied the Bible for forty five years seeking answers and be able to explain better from God's teaching from God's Word. Whenever I hear people talk about their faith in God I write down Bible verses to help inspire their life positive. It would help all of us to grow in grace through our Lord Jesus Christ. He has the answer to all of our problem. My main points is to help them know that they can be saved through Jesus Christ by faith in Him alone. Only Him shall we be saved.
