

RETURN TO MURMANSK

HENRY SWAIN

With a foreword by
Admiral Sir John Woodward

Return To Murmansk

K Payea

Return To Murmansk:

Return to Murmansk Henry Swain, 1995-12-15 In 1990 Henry Swain sailed his 34 foot yacht Callisto to Murmansk He had been there once before 45 years earlier on a Royal Navy warship escorting American merchant vessels supplying vital aid to the Soviets U boats lay in wait off the Russian coast and the Luftwaffe threatened attacks from bases in Norway The Arctic offered another hazard ice

Pulling Back from the Nuclear Brink Barry R. Schneider, William L. Dowdy, 1998 The contributors to this book including policymakers diplomats scientists regionalists and academic specialists have joined in an effort to survey nuclear arms control successes ongoing initiatives and future prospects for reducing and countering nuclear proliferation

From Northeast Passage to Northern Sea Route, 2022-09-12 The notion of a waterway north of Eurasia conceived in the first half of the sixteenth century remained only a dream for centuries due to ice unmapped coastlines and a lack of geographical knowledge This volume is the first comprehensive scholarly account in English of the slow but steady exploration and commercial exploitation of the Siberian coastal waters and it proves that this was a truly international endeavour However in the end the Northern Sea Route as a through traverse route came to be used primarily by the Soviet Union for which it became a crucial vehicle for the geopolitical and economic integration of its vast territories As an international trade route the Northern Sea Route is only today about to win its way essentially as a result of global warming This being the case should we rejoice or despair

The Northern Sea Route: Its Development and Evolving State of Operations in the 1990s, 1996 The summer of 1991 marked the first time in recent history that Russia offered to escort ships of other countries across the Northern Sea Route NSR For moving cargo between the North Pacific region and Northern European ports the NSR along Russia's northern coastline is between 35 and 60% shorter than the traditionally used routes through the Suez and Panama Canals In addition to its shorter distance there already exists an extensive ports and shipping infrastructure a current cargo base and the potential for developing new markets in Russia and other northern areas These incentives are attracting considerable attention from the international shipping community including that portion servicing Alaskan and northwestern U S ports This report is a general compilation of the historical usage recent trade developments the current regulatory climate the physical environment the ports and navigational infrastructure cost factors and practical considerations that may shape future U S interests in the route

The Hidden Thread Irina Filatova, 2013-06-28 The Hidden Thread is a journey of revelation about the relationship between Soviet Russia and South Africa hidden for most of its length The story is told with insight and depth by Irina Filatova and Apollon Davidson who have had a decades long association researching and writing on Russian and South African politics and history This insightful work follows the often surprising twists and turns of the history of South Africa's relationship with Russia and its people which started in the eighteenth century and is still very much alive today The story evolves from the Russian volunteers who fought alongside the Boers in the Anglo Boer War to South Africans who participated in the Russian revolution and civil war

from the Russian Jewish immigration to South Africa to the close involvement of the South African communists in the Communist International from the Soviet consulates in South Africa and the activities of South Africa's Friends of the Soviet Union Society during the Second World War to the vicissitudes of the Cold War and the hot war in Angola from the SACP and ANC's relations with the USSR to the volte face of perestroika and South Africa's transition and to today's business political cultural and sometimes criminal connections between Russians and South Africans

The Coming Storm Nigel

McCrery, 2017-07-30 The outbreak of the Second World War came towards the closing stages of the 1939 cricket season Hitler permitted us almost to complete an exceptionally interesting season Sir Home Gordon wrote in the Cricketer magazine When shall we see the stumps pitched again As the West Indies touring team canceled their last five matches and sailed home before the U boat threat developed the treasures at Lords including the Ashes were sent to a secret location for safekeeping The Marylebone Cricket Club cancelled its tour to India England played under the MCC banner then During the ensuing conflict twelve test cricketers five English two South Africans one Australian and one New Zealander perished together with 130 first class players In this superbly researched sequel to Final Wicket covering cricketing fatalities during The Great War this book reveals each man's career details including cricketing statistics and the circumstances of death There is also a brief history of the game during the War Arguably the period between the two world wars was the golden age of cricket and this book honors those who made it so only to die serving their countries in a different way

Hollow Owen

Egerton, 2017-07-14 An NPR Best Book of the Year Hollow is the story of a professor whose life is unended after an unspeakable tragedy When Oliver Bonds a revered religious studies professor at the University of Texas loses his toddler son and undergoes intense legal scrutiny over his involvement grief engulfs him completely His life as he knows it is over Oliver loses his wife home and faith Three years after his son's death Oliver lives in a shack without electricity and frequents the soup kitchen where he used to volunteer It's only when befriended by Lyle a con artist with a passion for theories of Hollow Earth that Oliver begins to reengage with the world Oliver too becomes convinced that the inside of the planet might contain a different realm Desperate to find a place where he can escape his past Oliver chases after the most unlikely of miracles With unforgettable characters wild imagery and dark humor Hollow explores the depths of doubt and hope stretching past grief and into the space where we truly begin to heal With the kind of grace not usually seen in accessible modern fiction Egerton also invokes many other things with this central metaphor Ollie's voice is one of the most believable I've encountered this year sustained by honesty realism and compassion In his exile Ollie has taken stock His reckoning with the past creates the story's exquisite tension and makes the final scene bloom with tenderness The core of Hollow is anything but NPR

Soviet-American Relations, 1917-1920, Volume II George Frost Kennan, 2021-07-13 In 1918 the U S

government decided to involve itself with the Russian Revolution by sending troops to Siberia This book re-creates that unhappily memorable story the arrival of British marines at Murmansk the diplomatic maneuvering the growing Russian

hostility the uprising of Czechoslovak troops in central Siberia which threatened to overturn the Bolsheviks the acquisitive ambitions of the Japanese in Manchuria and finally the decision by President Wilson to intervene with American troops Of this period Kennan writes Never surely in the history of American diplomacy has so much been paid for so little **Lapland** James Proctor,2011 A new edition of the only English language guide to Lapland one of Europe s best kept secrets offering everything from swimming with orcas and visits to Santa Claus to husky safaris and wilderness hiking Churchill's Crusade Clifford Kinvig,2007-11-23 The first complete account of a unique military operation and of why it ended in failure
The Decision to Intervene George Frost Kennan,1989-11-21 In 1918 the U S government decided to involve itself with the Russian Revolution by sending troops to Siberia This book re creates that unhappily memorable storythe arrival of British marines at Murmansk the diplomatic maneuvering the growing Russian hostility the uprising of Czechoslovak troops in central Siberia which threatened to overturn the Bolsheviks the acquisitive ambitions of the Japanese in Manchuria and finally the decision by President Wilson to intervene with American troops Of this period Kennan writes Never surely in the history of American diplomacy has so much been paid for so little The Communist Review ,1921 **Soviet Antireligious Campaigns and Persecutions** Dimitry V Pospelovsky,1988-01-19 Parliamentary Debates; Official Report[s] Great Britain.
