Talking Sideways Reg Dodd, Malcolm McKinnon, 2019-03-04 Reg Dodd grew up at Finnis Springs on striking desert country bordering South Australia's Lake Eyre. For the Arabunna and for many other Aboriginal people Finnis Springs has been a homeland and a refuge. It has also been a cattle station, an Aboriginal mission, a battlefield, a place of learning and a living museum. With his long time friend and filmmaker Malcolm McKinnon, Dodd reflects on his upbringing in a cross cultural environment that defied social conventions of the time. They also write candidly about the tensions surrounding power, authority and Indigenous knowledge that have defined the recent decades of this resource rich area. **Talking Sideways** is part history, part memoir and part cultural road map. Together Dodd and McKinnon reveal the unique history of this extraordinary place and share their concerns and their hopes for its future.

Wild Science Helen P. Waudby, 2024-11 What is it like to study polar bears in the wild? How do you raise children among large carnivores? And how do you find a frog that no one has seen for 40 years? From deserts to rainforests and even the polar Arctic, scientists venture into the field to collect, observe and study the world's organisms and the environments they live in. But even with the best planning, unexpected weather, unpredictable animals and unforeseen encounters can occur. **Wild Science: Unexpected Encounters When Working in Nature** explores the precarious, hilarious and thought provoking stories behind the science. It shows the value of these experiences even when things don't go right and the importance of fieldwork for understanding our own place in the world.

Return to Me Fiona White, 2018-11-12 For four years, Kate Adler has lived in the city, working in places she doesn't belong with people she hardly knows. It's how she keeps her broken past where it belongs: in the past. Life is simpler that way. But when one ill-advised choice leads to a terrifying situation, she is forced to go to a safe place where she can heal and forget. Linc Thomson is looking forward to a break and with three weeks of holidays ahead of him, he wants lazy days at his coastal home, doing whatever the hell he pleases. That is, until late one night, the woman he thought he'd never see again arrives next door. He should stay away, but even after five long years of separation, he's still drawn to the woman, and he can't help but wonder why. Has Kate returned to the town he knows she hates? And why is she battered and bruised? Linc recognises a chance at redemption when he sees one, and this time he won't be walking away. But when the truth is stripped bare, is taking a chance on old love really a good idea? And can the mistakes of the past, once forgiven, truly be forgotten?

Return to Roxby Downs John Showers, 1999-01 Showers first went to Roxby Downs when it was an isolated sheep station, a long day's drive on rough bush tracks from Port Augusta and civilisation. 30 years later, he returned and was intimately involved in establishing the infrastructure for the development of the Olympic Dam uranium mine. This book covers his participation in both these periods.
