Williams,1981-01-01 Damned by Logic Jeffrey Ashford,2013-07-01 On board the MV Helios cruising around the Mediterranean copywriter David Ansell is seeking inspiration to write a glowing account of his voyage for the ship's owner Rex Cruising Company His inspiration comes in the form of the blonde and beautiful Melanie Caine and they are inseparable for the rest of the cruise Back home in suburbia with his wife Ansell is pining for Melanie so is delighted to get a call from her summoning him to meet her along with the toy monkey she asked him to take through customs for her When she doesn't turn up he assumes she's got cold feet and no longer wants to pursue their relationship However when reports of a woman's body being found horrifically tortured are aired on the news and Ansell's home is broken into with tragic consequences it seems there's something that Ansell may have that someone will do anything to find **Such Pretty Confusion** Peter N. Dudar,2023-08-18 What does a damaged mind dream about Does it imagine everyday horrors we're all familiar with with morbid notions of pain and suffering and loss Or does it dig a little deeper into those psychological spaces where we hide our darkest secrets and existential dreads Or is it a darkened void waiting to trap unsuspecting readers and steal their souls leaving their minds twisted with SUCH PRETTY CONFUSION This collection of dark fiction spans over two decades of nightmares from Maine author Peter N Dudar The stories selected are his personal favorites including several new unpublished pieces with razor sharp edges So please consider yourself invited to come play for awhile inside his damaged mind and discover what nightmares await you As you enter the world of Peter N Dudar you're in for a treat And some moments that will make you uncomfortable But this is horror fiction after all except for that one story that takes place in the future and we in the world of horror gladly take the uncomfortable along with the grandiose the good with the bad the highest highs and the dirtiest lows We enjoy all the flavors at the feast from the introduction by L L Soares
