Packed with shocking twists, frightening monsters, and dark magic, this is a page-turning fantasy adventure for middle-grade fans of Holly Black and Tamora Pierce. Twelve-year-old Octavia grew up believing the town of Vittoria was the only one left in the world. The sole survivors of a deadly magical war, and plague the people of Vittoria know there's no one alive outside the town walls except the terrible monsters that prowl the forest. But then the impossible happens. Octavia meets another girl beyond the walls, someone who isn't Vittorian. Everything she's ever believed is thrown into question, and there's no going back. In her quest for the truth, Octavia discovers a world full of lies, monsters, and magic. She'll have to use every scrap of her skill, wits, and courage to uncover what's real about Vittoria and the rest of the world.

A Lifetime Without You Stephanie Nicole Norris, 2024-07-10. It was the season that brought families together for trick-or-treating and Thanksgiving dinners. But for Octavia Davenport, this season symbolized an era in her life when she lost everything. For years, Octavia was alone, living a moderately single life, but then she met the owner of Rose Security Group, and suddenly things began to change. A blossoming friendship evolved, and with it came an unrestrained indulgence to connect with him on every level. Desire had never stirred her until him, and Octavia didn't want to deny herself what she so hungrily craved. As the head honcho of the Midwest's preeminent security firm, Jonathon Alexander Rose is known for his commanding persona. Although his reputation precedes him, Jonathon would rather live his days absent from the limelight with his sexy, audacious best friend, Octavia. His fiery passion for her has been Jonathon's secret until he can no longer stand to be on the sidelines. When he decides to go after what he wants, nothing will stand in his way. *The Falling* for a Rose series follows each member of the Rose family as they explore this thing called love. However, each book is just as enjoyable if read as a standalone as it is if read in the series order.

Flavian Rome Anthony Boyle, William J. Dominik, 2002-10-31. The politics, literature, and culture of ancient Rome during the Flavian principate (69-96 CE) have recently been the subject of intense investigation. In this volume of new specially commissioned studies, twenty-five scholars from five countries have combined to produce a critical survey of the period which underscores and re-evaluates its foundational importance. Most of the authors are established international figures, but a feature of the volume is the presence of young, emerging scholars at the cutting edge of the discipline. The studies attend to a diversity of topics, including the new political settlement, the role of the army, change and continuity in Rome's social structures, cultural festivals, architecture, sculpture, religion, coinage, imperial discourse, epistemology, and political control, rhetoric, philosophy, Greek intellectual life, drama, poetry, patronage.
