Returning Home to Your Catholic Faith Sally Mews, 2003 *Returning Home to Your Catholic Faith* addresses with honesty and compassion the fears, hurts and guilt that many inactive Catholics feel when they first consider returning to the Church. A brief to the point presentation of issues always stress God's mercy. Most people who leave and later return do so as part of the process of maturing. Practical tips on how to reconnect with the Church are included. The section on what the Church is like today is a reassuring overview of the opportunities available in a parish. View sample pages. Paperback *When They Come Home* Melanie Rigney, Anna M. LaNave, 2009-12 Here the authors offer practical how to advice on building parish programs that will attract inactive Catholics and keep them engaged once they've returned. They honor existing programs such as Landings and Coming Home but also offer ways to adapt and personalize these programs. They also emphasize the importance for parish teams of being authentic shepherds for Christ, gathering up and feeding his sheep. Returnees they say will be richer for rekindling their relationship with Christ and the parish will be richer for sharing their journey.

**Catholics Can Come Home Again!** Carrie Kemp, 2001 A handbook for welcoming inactive Catholics back to membership or participation in a parish community. **Catholics Come Home** Thomas B. Peterson, 2013-02-19 With a Foreword by Scott Hahn bestselling author of *The Lamb's Supper* God has something extraordinary planned for your life. In our fast paced highly technological world this statement might sound a bit lofty but the lives of millions of souls who have come before us attest to this simple truth: God has a wonderful plan in store for you. With these words Tom Peterson founder and president of Catholics Come Home a nonprofit multimedia organization dedicated to promoting Catholic evangelization offers inspiration for believers from all walks of life whether lapsed or practicing to deepen their faith and draw them closer to Jesus and His Church. In a series of moving stories and personal anecdotes Tom relates how after rediscovering his faith he experienced God's unfailing love and soon found his true purpose in life. You can too. Drawing from scripture his own struggles and discoveries and the lives of the saints as well as ordinary individuals the author offers seven ways to enter into a more deeply personal relationship with Jesus. These are pearls that you can share with others to illuminate the importance of the Catholic faith and open wide the door to a homecoming celebration. From the Hardcover edition. **American Book Publishing Record**, 2004. **Woman's Home Missions of the Methodist Episcopal Church**, 1926. **Not Your Grandmother's Book of Revelation** Charyl Craddock, 2020-10-21 Unlike most other commentaries on the Book of Revelation *Not Your Grandmother's Book of Revelation* presents Scripture to dispel the many misinterpretations that have been perpetuated for the last one hundred years. Many of those misinterpretations have a foundation from the book *Dispensational Truths* by Baptist Pastor and Biblical scholar Charles Larkin which was published in 1918. In addition to the influence of Mr Larkin's book many misinterpretations result from the false belief that the Book of Revelation is written in chronological order and that all of the events shown to John will occur during the final seven years of Daniel's seventieth week.

In this book Scripture is presented that positively establishes that the Revelation of Christ as recorded by John is written in the order that the events were shown to John not chronologically that the events of the vision the events that shall be hereafter Revelation 1 19 began occurring during the second and third century after the death and resurrection of Jesus Christ that the first three and a half years after the signing of the peace agreement between Israel and many will be a peaceful time during which Israel will build the third Temple the final three and a half years the Great Tribulation is the pouring out of the wrath of Satan not the wrath of God and that Jesus told the apostles that the First Resurrection the Rapture does not occur until immediately after the tribulation Matthew 24 29 It will be shown that America is in the Book of Revelation A detailed description of the Antichrist False Prophet one world government Beast and mark of the Beast are presented as is a synopsis of all chapters and the prophecies of Daniel Finally a timeline of the events of the vision is presented

Lost in the Middle? Wesley J. Wildman,Stephen Chapin Garner,2009-11-24 There exists a deep and broad population of Christians who feel the labels of liberal and evangelical both describe their faith and limit their expression of it By working to reclaim the traditional historical meanings of these terms and showing how they complement rather than oppose each other Wesley Wildman and Stephen Chapin Garner stake a claim for the moderate Christian voice in today s polarized society Lost in the Middle guides readers through a process of diagnosis and articulation offering complementary perspectives on the phenomenon problem and promise of Christians with both liberal and evangelical instincts The authors show how individuals and institutions alike can reclaim and celebrate the highest virtues of both liberal and evangelical Christianity and how doing so can lead to the creation of authentic and vibrant communities of faith Pastors congregational leaders seminarians and all thoughtful Christians will learn how truly moderate Christianity can unite the compassionate openness and social activism of liberal Christianity with the magnetism and spiritual fervor of evangelical Christianity You may feel lost in the middle but you are not alone there The middle may be the place where you find yourself living most authentically
