Reunion In Vienna Studies In Austrian Literature Culture And Thought Translation Series:

Reunion in Vienna Edith Foster,1991 The Legacy of Kafka in Contemporary Austrian Literature Frank Pilipp,1997

The Wild Woman and Other Plays Felix Mitterer,1995 This second volume of Felix Mitterer's plays in English translation offers further evidence of this dramatist's powerful artistry A mythological Wild Woman changes the lives of five wood cutters exposing their loneliness and desperation Home reiterates the dictum that you can't go home again especially where prejudice brutality and hatred reside An historical drama based on actual court records Children of the Devil depicts institutional superstition and cruelty as perpetuated upon the most vulnerable members of society its children One Everyman is a modern version of the traditional medieval morality play complete with a Devil from Wall Street while the Biblical analogy Abraham concerns the scourge of AIDS but even more the love between a father and his son The Austrian playwright Felix Mitterer born in 1948 in the Tyrol is one of today's leading European dramatists His two four part television series Piefke Saga and Verkaufte Heimat were seen by millions of viewers in the German speaking countries **Austrian Studies Newsletter** ,1989 *Subject Guide to Books in Print* ,1997 **Subject Guide to Children's Books in Print 1997** Bowker Editorial Staff,R R Bowker Publishing,1996-09 **Forthcoming Books** Rose Army,1990 1996, □□□ □□□□ **The Nation** ,1895 Return to Vienna Hilde Spiel,2011 **Saturday Review** ,1873 **Arts & Humanities Citation Index** ,2000 *Tales of Old Vienna and Other Prose* Adalbert Stifter,2016 The Condor The Ancient Seal Tourmaline Granite Confidence Prose Poem from Indian summer The Eclipse of the Sun in 1842 My Life An Autobiographical Sketch Preface to Colored Stones 165 pages retailing at 14.95 Alexander Stillmark is Emeritus Reader in German at University College London A comparative literary scholar and a leading specialist in Austrian Studies he has published widely on nineteenth and twentieth century topics His translation both from and into German include Georg Trakl Poems and Prose London 2001 Evanston Illinois 2005 Gedichte in Prosa Von der Romantik bis zur Jahrhundertwende Frankfurt am Main 2013 and Hugo von Hofmannsthal An Impossible Man Cambridge 2016 **Studies in Austrian Literature, Culture and Thought** ,19??

Studies in Austrian Literature, Culture and Thought ,19?? After Postmodernism Willy Riemer,2000 Beyond Vienna Todd C. Hanlin,2008 For centuries Vienna had been the imperial residence and capital of the great multi lingual multi national Habsburg Empire and thus a magnet for the accumulation of power prestige wealth and beauty However it is self evident that not everyone could or should reside in the capital that many talented authors whether by choice or by chance lived outside that glamorous city in Kafka's words far from the Imperial sun At the outset of the twenty first century with technological advancements in transportation and communication with international publishing houses and chain bookstores with e mail and the Internet for example is there any social political economic or professional advantage to residing in Vienna or has it become irrelevant today where artists live Are their life experiences notably different whether they reside in the capital or in any other city large or small Are authors choices of language or themes influenced by their provincial

backgrounds Thus the idea of Beyond Vienna is a compelling and timely topic This volume will attempt to address these questions while serving as an introduction to nine authors poets novelists and dramatists and their relationships to the capital Xaver Bayer Alois Brandstetter Gloria Kaiser Christine Lavant Anna Mitgutsch Felix Mitterer Elisabeth Reichart Vladimir Vertlib and Friedrich Ch Zauner The contributors are respected scholars who were personally invited to join this project and who ultimately determined which authors would be included *Austrian Writers and the Anschluss* Donald G. Daviau,1992 *Belief Systems in Austrian Literature, Thought and Culture* Michael Boehringer,Allison Cattell,Belinda Kleinhans,2017-06-21 *Austria in Literature* Donald G. Daviau,2000 From a symposium at the University of California Riverside in 1997 Contributions in German were published as a special issue of Modern Austrian literature 31 3 4 1998 English contributions are contained in this volume Twenty one essays consider the national image of Austria both historically and in the current period They examine the view of Austria projected in the writings of American Austrian and German authors ranging from the late 19th century to the present Attention is given to factors such as the country s natural beauty the tradition of the monarchy and pressing political and social problems Name index only Annotation copyrighted by Book News Inc Portland OR
