Mounting Rareness James A. Way,2011-11-08 Mounting Rareness takes a look at seven characteristics of growing Christians that will enable your journey of faith I chose these two words mounting and rareness because we are on a faith journey that will lead us higher and higher much as mounting the summit of a mountain Rareness was chosen because these characteristics are rare very rare indeed in the current climate of Christianity which is more like churchianity Even though the times I am writing in seems to have a high religious and spiritual fervor much seems to be based on me my and mine instead of God the Father Son and Holy Spirit It is my desire to have you grow in your spiritual walk with God the Heavenly Father as revealed in the Holy Bible which I believe is inerrant inspired and infallible I believe Gods Holy Word reveals the nature and character along with the great love and desire of God Almighty as He reveals Himself to you as you seek meaning and purpose in your life Mounting Rareness has grown out of my own spiritual journey and the journeys of others around me As you read this call to greater may your life be filled with a MOUNTING RARENESS among so many that chooses to live at the bottom of the hill with only a longing for more

Mystery of Relationships Through the Lens of Scriptures Dr. Elizabeth Thambiraj,2015-08-11 Struggles in our relationships often point to an issue only God knows The mountains and valleys we face regarding relationships are often tiny spots to God We can trust God because He is faithful By trusting in His promises and understanding His unconditional love for us it is possible to scale the unscalable and repair our relationships Over the years marriage has changed In her book Mystery of Relationship through the Lens of Scriptures Marriage Sex and Intimacy author Dr Elizabeth Thambiraj explains those changes and the strains put on marital relationships Despite difficulties Elizabeth Thambiraj shows how the marriage covenant can be maintained through God She points us to the happiness security self worth and confidence available from our Maker Youll be reminded that fear lust and jealousy are not part of true love The author also reminds us that to love someone unconditionally means to love the other person in the past present and in the future even when the person disagrees with your opinion On marriage she has given one of the most biblically insightful explanations of the drastic change in the marriage relationship that resulted from the Fall at Eden and provides excellent guidance on ways that the marriage covenant can be maintained through feeding our better angels with forgiveness understanding patience and forbearance If we feed our lustful tendencies we have committed adultery long before the physical act itself Dr Jerry L Ogles Presiding Bishop Anglican Orthodox Church Anglican Orthodox Communion Worldwide

James in the Suburbs April Love-Fordham, 2014-08-04 Do you consume God's blessings or do you share them? Most Christians are consumers. We are obsessed with knowing the right theology and following the right set of rules in hopes that God will bless us. Yet no matter how much God blesses us, we are still looking for more. James says our faith is dead. But there is another type of Christian, one who craves being put to work as the servant of God to share God's blessings with others. Their faith spurs them on to become the hands and feet of Christ. James says their faith is alive. *James in the Suburbs* is far more than your ordinary Bible study guide. It is also a parable, an energizing story of the lives of six men and women that wraps itself around the Epistle of James, making its teachings immediately applicable to modern life. You will walk away with not only a thorough understanding of the epistle but also the unforgettable story of people just like you whose lives the Holy Spirit turned upside down. This book can be read casually by an individual or studied within a group. The final chapter provides everything readers need for a guided twelve-week study. If you are using *James in the Suburbs* as a small group or church-wide study, there are some free handouts and planning information that you might find helpful at aprillovefordham.com.

Revelation (Everyday Bible Commentary series) Charles C. Ryrie, 2018-06-05 Revelation is a wild book. It's full of strange hybrid animals with extra wings, horns and eyes. It contains both descriptions of historical events and prophecies about the future. And it can be difficult to know which parts are figurative and which parts are literal. What we need is a guide, someone who will tell us what's historical and what's prophetic and explain all the strange symbolism clearly and simply. This is what the best preachers do, but you don't have to wait until Sunday's sermon. Encounter the beautiful depth of Revelation through an enlightening verse-by-verse commentary from Charles Ryrie that's both straightforward and insightful. You'll gain important historical background, insights from the original language, explanations of the prophetic symbols. And more. You don't have to go to seminary to encounter God in exciting new ways through His Word. Discover how much more enjoyable your personal study will be with understandable quality Bible commentary for everyday life.

Applied New Testament Bible Commentary Tom Hale, Steve Thorson, 2007 The wisdom found in God's Word is timeless as relevant today as when it was first written. And the challenge for believers remains unchanged: how do we apply these truths to our everyday world? The *Applied Commentary* series is a fresh approach to Bible study, connecting great wisdom with your life today. Each Scripture passage is enhanced with insights on key themes and ideas. Featured articles provide a deeper look at essential concepts while the contemporary language allows for easy reading. And because some subjects are open to interpretation for discussion, we've included perspectives from leading theologians from all backgrounds and denominations. The result: An interactive approach to Scripture that will challenge your ideas and build your faith, which is what reading the Bible is all
